The Perks of Solitude Caitlin Kelly, 2021-04-06 I've come to the conclusion that I'll never stop writing. Even if my pen ink runs dry or my phone loses battery, I always find a way to scribble my nonsense somewhere. After the teenage years of my life, as a seventeen-year-old girl that has no idea what she's doing anymore, I'm deciding to format all my works into yet another book. I don't think my writing will be stopped. Even if I acquire writer's block, I write about not having anything to write about. There's always something to write. There's always something to say. I could write poetry books my whole life and maybe... I will. This is the journey in the next chapter of my life. I moved out, became an individual and learned too much, too quickly. I only have room to grow.

More the Black-Eyed Susan Anna Siu, 2022-05-04 It is not easy being human It is easy to be mean But those who vow not to be Are leaves and always green The anatomy of a blossom Is based on extract of the base And when we rise above the fray We begin to find our way We must fight the good fight still and burdens do we share Though the fight may not be fair The fight is already won if we do not succumb Like hungry ants to junk like broken chips and cookie crumbs And one can preserve, restore, or reawaken at a premium the plum Better parts that suck their thumbs And do not have to flash their gums to everyone or anyone Only ones that make their kindred spirits hum The fight inside not shy the butterflies Eternity be our radii

The Book of Re~ R.C. Petty,2019-04-05 This is a journey of an all-time low, and of a long, hard climb out of the gutter. Moore, through personal experience, shares how "God has the power to redeem! God can take our weaknesses, our foibles, our feeble efforts and redeem them and use them for good. God can take our defeats and turn them into victories!" This book contains a discussion guide.

The Blueprint To Rise Serame Molusi-Bolao,2025-05-02 The Blueprint To Rise isn't just a book it's a weapon for the silent

warrior, a mirror for the soul searcher, and a compass for the misplaced. Written in raw, unfiltered truth, this manifesto takes you beyond motivation it awakens you. From the trenches of failure to the high roads of purpose, Serame Molusi-Bolao lays out a blueprint for those tired of surviving and ready to rise. This isn't for those who play it safe. It's for the ones who know deep down they were made for more, but the world tried to convince them otherwise. Through fire-forged chapters like Making Failure Your Vitamin, Man Was Not Created to Idle, and Legacy Over Likes, this book unpacks hard truths, challenges comfort, and reclaims power especially for men seeking to lead with integrity and women who influence that rise. With bold reflections on masculinity, broken systems, spiritual self-mastery, and realigned values, The Blueprint To Rise is not another self-help echo. It's a rebellion. A resurrection. A rise from the ashes of mediocrity into a life of purpose, grit, and divine identity.

Flee, Be Silent, Pray Ed Cyzewski, 2019-02-12 What if prayer could be simple rather than strenuous? Anxious, results-driven Christians can never pray enough, serve enough, or study enough. But what if God is calling us not to frenzied activity but to a simple spiritual encounter? What if we must merely receive what God has already given us? In *Flee, Be Silent, Pray*, writer and contemplative retreat leader Ed Cyzewski guides readers out of the anxiety factory of contemporary Christianity and toward a God whose love astounds those quiet long enough to receive it. With helpful guidance into solitude, contemplative prayer, and practices such as lectio divina and the Examen, Cyzewski guides readers toward the Christ whose yoke is easy and whose burden is light. Ready to shed the fear of the false self and the exhaustion of a duty-driven faith? *Flee. Be silent. Pray.*

Steady Strength Cary Schmidt, 2023-11-07 A flourishing pastoral heartbeat is possible—for those who are intentional. Ministry in modern society presents a perpetual assault on the pastor's soul. Culture has changed, and the challenges of ministry have changed with it. Many new pastors are discovering that they're ill-equipped to manage unexpected, soul-health

tensions of ministry. Some are walking away, and others are choosing to not enter the pastorate despite a sense of God's calling. Cary Schmidt shares a fresh approach to cultivating emotional health for a lifetime in ministry. Infuse your weary pastoral soul with renewed health, consistent joy, and true flourishing. The heart of Steady Strength is to bring vitality and renewed passion to perplexed and weary servants. Schmidt explores how tensions on the modern pastor can be navigated in three compelling ways: Reckoning with the realities of an unusual call. Cultivating health in unique ways. Nurturing a robust, gospel-culture in ministry. Far from a mournful, complaining manifesto of the negative burdens of the pastor's life, this book is a celebration of the wonderful and joyful opportunity to shepherd God's people. In this three-part book, Cary Schmidt unfolds a workable approach to sustained, joyful pastoral health.
