Tom Hardy Tom Hardy,1954

Slow Moving Dreams Tom Hardy,2011-09-01 Tom Hardy's new novel, *Slow Moving Dreams*, tells the story of Tom Carter, a city man who is forced by the death of a cousin to return to his rural roots in West Texas. Hardy takes his readers along two journeys in this novel: the first is the physical journey that Tom takes as he drives to the funeral in Alpine, and the second is an exploration of Tom's life as a child growing up in the country that the adult Tom is now passing through. But not all of those memories are happy ones, as Tom and his cousins soon find out. The funeral starts to unravel a dark secret that could change everything Tom thought he knew about his family. Hardy breathes life into all of his characters with his witty dialogue and nostalgic memory sequences. *Slow Moving Dreams* is a story of homecoming and family bonds that, in this age of consumerism and technology, is a refreshing change of pace. For those familiar with the lifestyle of the modern cowboy, the life Tom Carter remembers is a reminder of the old days, when nature provided everything one could ever need. But all readers, new to the cowboy's world or not, are in for a fun, heart-warming tale as they follow Tom's exploration of his past and realizations about his future.

Tom Hardy - Dark Star Rising James Haydock,2012-07-20 From playing a rogue agent in *Tinker, Tailor, Soldier, Spy*, to taking on the role of villainous Bane in *Batman: The Dark Knight Rises*, Tom Hardy is well on the way to becoming the finest actor of his generation. His raw talent, edginess and ability to utterly inhabit the characters he plays have already prompted

comparisons to screen legends such as Marlon Brando and Robert De Niro. With a host of critically acclaimed performances under his belt and the bright lights of Hollywood beckoning, Tom's star is undoubtedly in the ascendant. Born into an idyllic, middle-class life in the suburbs, by his teenage years Tom had grown restless and started to rebel. Bad behaviour in the form of alcoholism, drug-taking and criminal activity ensued and after a brief stint working as a model, fate intervened and he found his way onto an acting course at his local college. Having been plucked from drama school to appear in *Band of Brothers*, by 2003, his addictions had got the better of him and he collapsed in Soho following a drugs binge. Rehabilitation followed, as did a rare second chance at hitting the big time. It was Hardy's standout performance as Stuart Shorter in BBC TV's *Stuart: A Life Backwards* and as Britain's most notorious prisoner in the film *Bronson*, which really made audiences and critics sit up and take notice. Since then, he has earned himself a reputation as a shape-shifting actor with the skill to slip effortlessly in and out of contrasting characters such as Eames in blockbusters *Inception* and *Heathcliff* in *Wuthering Heights*. This affectionate and in-depth biography reveals the actor and the life that has shaped him into the star he has become.
