

Candle In The Darkness

Lynn N. Austin

Candle in the Darkness (Refiner's Fire Book #1) Lynn Austin,2002-11-01 A gripping tale told by a gifted writer.-- Beverly Lewis Caroline Fletcher is caught in a nation split apart and torn between the ones she loves and a truth she can't deny The daughter of a wealthy slave-holding family from Richmond, Virginia, Caroline Fletcher is raised to believe slavery is God-ordained and acceptable. But on awakening to its cruelty and injustice, her eyes are opened to the men and women who have cared tirelessly for her. At the same time, her father and her fiance, Charles St. John, are fighting for the Confederacy and their beloved way of life and traditions. Where does Caroline's loyalty lie? Emboldened by her passion to make a difference and her growing faith, will she risk everything she holds dear?

Candle in the Darkness Lynn Austin,2002-11-01 Book 1 in the Refiner's Fire series. The daughter of a wealthy slave-holding family from Richmond, Virginia, Caroline Fletcher is raised in a culture that believes slavery is God-ordained and biblically acceptable. But upon awakening to the cruelty and injustice it encompasses, Caroline's eyes are opened for the first time to the men and women who have cared tirelessly for her. Her journey of maturity and faith will draw her into the abolitionist movement, where she is confronted with the risks and sacrifices her beliefs entail.

Candle in the Darkness Lynn N. Austin,2002 During the Civil War, Caroline Fletcher, the daughter of a wealthy slaveholding family, is drawn into the abolitionist movement, where she is confronted with the risks and sacrifices her beliefs entail.

Refiner's Fire Boxed Set Lynn Austin,2004-11 Each book in this powerful Civil War trilogy from award-winning novelist Lynn Austin??'s powerful Civil War trilogy offers a unique and shattering perspective on the conflict while exploring the deep affect the war had on the faith of a nation.

Candle in the Darkness Maria McMunn Olivero,2023-09-15

Light on Darkness Cosima Clara Gillhammer,2025-05-13 With implications for the history of religion and art alike, an exploration of the lasting influence of Christian liturgy across a range of media. Light on Darkness: The Untold Story of the Liturgy offers a captivating journey through the history of religious rituals in Western Europe, showcasing the profound impact of Christian liturgy on art, literature, music, and architecture. Through ten evocative stories, it explores medieval rituals and their cultural influence up to the present day, providing fresh insights into the enduring legacy of the liturgy as an

expression of human emotion and religious experience. Accessible to all, this guide provides translations and explanations to uncover the hidden treasures of ancient rites and their lasting significance, appealing to those seeking a deeper understanding of Western liturgical traditions.

The Yogic Writer Jennifer Sinor, 2024-01-25 Fusing the craft of writing with the philosophy of yoga, *The Yogic Writer* charts a path to the heart of creativity through the practice of yogic breathing, somatic exercises, and meditations. In response to an oftentimes paralyzing focus on outcome and product, Jennifer Sinor summons decades of experience teaching creative writing and yoga to guide our attention back to the body, the place from which all art arises. When invested with deep awareness, writing transforms us as human beings. *The Yogic Writer* connects the recursive process of writing – creating space for intentions, drafting, revision, and sitting in sites of possibility and potential – with the four stages of breath. Through brief insightful essays, Sinor meets writers in the present moment, providing craft advice while challenging us to explore how we look, who is really writing, and how to listen to our bodies. Steeped in ideas owed to ancient wisdom as well as creative writing pedagogy and Sinor's own experience, *The Yogic Writer* offers a unique, alternative approach to finding creativity that forsakes external validation for internal knowledge and experimentation. Inspirational, affirmational, and personal, this book is for anyone seeking permission to embody the life of a writer that they already know, deep down, to be theirs.

The Mayflower Program Book Jeanette Perkins Brown, Frances Weld Danielson, 1920

Brief Candle in the Dark Richard Dawkins, 2024-04-16 In this hugely entertaining sequel to the New York Times bestselling memoir *An Appetite for Wonder*, Richard Dawkins delves deeply into his intellectual life spent kick-starting new conversations about science, culture, and religion and writing yet another of the most audacious and widely read books of the twentieth century— *The God Delusion*. Called one of the best nonfiction writers alive today (Stephen Pinker) and a prize-fighter (*Nature*), Richard Dawkins cheerfully, mischievously, looks back on a lifetime of tireless intellectual adventure and engagement. Exploring the halls of intellectual inquiry and stardom he encountered after the publication of his seminal work, *The Selfish Gene*; affectionately lampooning the world of academia, publishing, and television; and studding the pages with funny stories about the great men and women he's known, Dawkins offers a candid look at the events and ideas that encouraged him to shift his attention to the intersection of culture, religion, and science. He also invites the reader to look more closely at the brilliant succession of ten influential books that grew naturally out of his busy life, highlighting the ideas that connect them and excavating their origins. On the publication of his tenth book, the smash hit, *The God Delusion*, a resounding trumpet blast for truth (Matt Ridley), Richard Dawkins was catapulted from mere intellectual stardom into a circle of celebrity thinkers dubbed, *The New Atheists*—including Christopher Hitchens, Sam Harris, and Daniel Dennett. Throughout *A Brief Candle in the Dark*, Dawkins shares with us his infectious sense of wonder at the natural world, his

enjoyment of the absurdities of human interaction, and his bracing awareness of life's brevity: all of which have made a deep imprint on our culture.

Nine Candles of Deepest Black Matthew S. Cox,2019-07-09 She saw it coming. She knew it would happen—but no one believed her. Almost a year after tragedy shattered her family, sixteen-year-old Paige Thomas can't break free from her guilt. Her mother ignores her, doting on her annoying little sister, while her father is a barely-functioning shell. He hopes a move to the quiet little town of Shadesboro PA will help them heal, but Paige doesn't believe in happiness anymore. On her first day at school, a chance encounter with a bullied eighth grader reawakens a gift Paige had forgotten, and ingratiates her into a pack of local outcasts. For weeks, they've been trying to cast a ritual to fulfill their innermost desires, but all they've done is waste time. After witnessing Paige touch the Ouija board and trigger a paranormal event, the girls are convinced another try with their new fifth member will finally work. Once the darkness is unleashed, it's not long before they learn it will give them exactly what they asked for—whether they want it or not.

The Temperance Worker and Reciter ,1887

Stagecraft Fundamentals Rita Kogler Carver,2013 Stagecraft Fundamentals Second Edition tackles every aspect of theatre production with Emmy Award-winning author Rita Kogler Carver's signature witty and engaging voice. The history of stagecraft, safety precautions, lighting, costumes, scenery, career planning tips, and more are discussed, illustrated by beautiful color examples that display step-by-step procedures and the finished product. This second edition offers even more in-demand information on stage management, drawing and drafting (both by hand and CAD), lighting fixtures, and special effects. Also new to this edition are current articles from Lighting and Sound America, brand new diagrams that illustrate hard-to-grasp concepts, and a plethora of information on European conversions, standards, and practices, making the skills you learn applicable to stage jobs on either side of the ocean! The accompanying website, www.stagecraftfundamentals.com is bursting with additional material such as an instructor's manual, CAD drawings, color theory, manufacturing information, and so much more to help you along the way as you learn all about the world of theatre production! Praise for the Book: Beautifully written! The author has succeeded in relaying technical theatre information without being too technical and putting the reader to sleep. I read three sentences and instantly knew this book was for me and the way I teach. When I think back on the insufferable intro to tech theatre books I had to read, I feel cheated I didn't have this one as a student. I will be using this text in my class! -- Rob Napoli, Designer and Technical Director at Penn State University, Berks Campus This text has tempted me to return to teaching with a textbook for the first time in seven years. The language is both accessible and informal yet the text goes a long way in debunking some of the typical jargon that may alienate students just getting into the field, or trying it out for the first time. The illustrations (the text is full of them) coupled with the stories reinforce the

fundamental information being conveyed. -- John Paul Devlin, Associate Professor of Theatre at Saint Michael's College What a great idea! Thank heavens someone is doing this for students at that impressionable age. That has been one of my mantras - education of teachers and students on the use of scenic materials. The teachers don't have enough time in college to learn and do everything they have to teach. Most get thrown into the theatre area by default and struggle with designing/building/painting the scenery. -- Jenny Knott, Rosco Stagecraft Fundamentals is beautifully illustrated throughout, and the profusion of color on every page gives this textbook the appearance of a coffee table book. The writing is clear and personal, which should be very appealing to students. Rita Carver covers all aspects of theatre production from scenery, to lighting, to an actor's makeup. Her close ties to the New York theatre scene gives this book a special insight into the professional world, one that goes well beyond what is found in most college textbooks. -- John Holloway, Professor in the Theatre Department at the University of Kentucky and President of the International Association of Theatrical stage Employees (IATSE) Local 346. I can't thank you enough for Stagecraft Fundamentals. I have been teaching stagecraft since 1976 and you have saved me from the nightmare of writing a text to suit my class needs..After two semesters with your text, I have found that I had more time to develop the skills necessary within the classroom than before. The humor that you have infused in the book has enticed my students to read on. That alone makes this text invaluable. --Meta Lasch, Assistant Professor, West Liberty University
