This scene is played-out daily in offices all over America, as leaders in corporations, churches, and organizations free-fall from moral or ethical failure. Wayde Goodall has observed this quagmire for decades, counseling those who have thrown away their families and their futures for a moment of pleasure or profit. Profiling well-known leaders who've had a fall from grace, Goodall notes the common traits, warning signs, and most importantly, a plan for avoiding such deadly traps of the soul. It takes a finer mind to go behind the faces of scandalized celebrities and their lurid exploits. Dr. Goodall combines discernment, insight, and an engaging contemporaneity to turn the tale of the fallen into wisdom for those willing to learn. -Mark Rutland, President, Southeastern University

**The Catching Point Transformation** J. David Prologo MD, 2022-01-11 “Dr. Prologo targets sustainability. He elevates our science-based weight-loss programs by keeping people engaged.” —Arthur Agatston, MD, author of The South Beach Diet  
Ninety-nine percent of diets fail because our bodies resist the change in the name of survival. “Stop with the rice cakes and boot camp already—we are starving to death!” It’s like holding your breath underwater. We can endure it for a short time against the body’s will to survive, but the longer you stay there, the louder and more crushing the signals get, until you finally burst to the surface for air (or into a fast food restaurant, the pantry, or a refrigerator, in the case of dieting). The Catching Point Transformation was created to ease this transition and quiet the body’s resistance so that everyone can have fun, feel confident, and be successful when engaged with healthy living. It levels the playing ground for those who are trying to make a change with those who are already lean. Dr. Prologo understands and believes you when you say “no diet works for me,” and so has finally created a different approach.
