Diario de Centro América ,1950

The Influence of José da Silva Lisboa's Journalism on the Independence of Brazil (1821-1822) Guilherme Celestino, 2022-11-01 This work analyses the impact of the publications written by the economist, jurist, administrator and historian José da Silva Lisboa, the future Viscount of Cairu, from 1821 to 1822, on the events that led to the Independence of Brazil in 1822. It reassesses the many interpretations of his role throughout the period, repositioning him among those who are part of the broad reformist Catholic Enlightenment. Although a supporter of Brazilian autonomy, a fierce critic of the Cortes of Lisbon and an important figure in the events that unfolded after the departure of Dom João VI from Rio de Janeiro in 1821, he would not openly embrace the Independence from the United Kingdom with Portugal and would instead work towards a solution that would encompass Brazil's autonomy within a Portuguese Empire, which did not take place.

Diario Oficial Colombia, 1919

El Refranero mexicano, su historia, contextos y textos I (siglos XVI-XIX) Nieves Rodríguez Valle, 2025-02-18 Los refranes han acompañado nuestra historia y han estado presentes en nuestras letras desde que arribaron con la lengua española; como ella, siguieron su propia senda y evolucionaron atendiendo las necesidades expresivas del nuevo ambiente físico, social y cultural que los cobijó y los hizo suyos. Este género breve se abrió paso por tres vías: algunos se adoptaron textualmente, otros se adaptaron tomando palabras e imágenes de estas tierras para expresar sus contenidos de manera más cercana a la nueva comunidad lingüística, y otros más se crearon a partir de imágenes propias. De estos tres grupos está conformado el refranero mexicano. En este libro se recuerda quiénes son, de dónde vienen y hacia dónde van estos breves pero contundentes compañeros del camino. Aunque su ámbito natural es la oralidad, para realizar un estudio sobre su historia y evolución tenemos que recurrir a los testimonios dejados por escrito. De la mano de la crónica, la literatura, el periodismo, las compilaciones, los diccionarios, etcétera, podemos reconstruir la paremiología hispano-mexicana. En este volumen se estudia su llegada, su encuentro con la paremiología prehispánica y su desarrollo durante el Virreinato; tras ello, su devenir en los momentos que antecedieron la Independencia y su consumación y, finalmente, su historia, contextos y textos en el primer siglo del México independiente hasta el fin del Porfiriato en la primera década del siglo XX.
