Every young woman wants to bed him, wed him, or steal a moment of his time. Except, of course, for Ember Montgomery. Half-fae Ember craves freedom from her conniving stepfamily. As if they weren't enough to deal with, a chance encounter with the arrogant Prince Franco leaves her humiliated and in a fiery rage. Nothing could convince her the prince is anything but a rake. But when the opportunity to evade her scheming stepmother falls into her lap, she'll pay the price—even if it means impersonating the prince's newest flame... To prove himself a worthy heir, Prince Franco must marry a princess. But after far too many unsatisfying trysts, he's given up on love. With the social season in full swing, and bringing with it a horde of husband-hungry socialites, he'll do anything to delay the pressures of both marriage and the crown. And what better solution than an alliance with a desperate servant girl glamourised as his false future bride? Locked in a bargain, Ember must pose as a princess until midnight at the full moon ball. Until then, all she has to do is wear the glamour, pretend to court the prince, and above all else, not fall in love. But when feelings emerge on both sides, she starts to wonder if there's more to their contrived courtship than either of them planned... Can Ember and Franco find love when the masks come off? Or will illusions and lies prove stronger than their hearts? ACOTAR meets Bridgerton in this standalone fairytale retelling of Cinderella. If you like snarky fae, brooding royals, sizzling romance, and fierce heroines, you'll love this breathtaking fae fantasy. Every young woman dreams of marrying a king. Everyone except for me. Because the king I am to wed has razor sharp fangs and a thirst for blood. All my life I knew I'd come of age during the Hundred Year Reaping. According to the ridiculous treaty, two human girls are sent to the faelands as brides for the fearsome fae king and his devilish younger brother. Not me. I was supposed to be safe. Two girls were chosen from my village already. But when they are executed for offending the king, my sister and I are sent in their place. What a mess. Then again, maybe it's not so bad. The younger brother I'm paired with doesn't seem as monstrous as I'd expected. He's delightfully handsome too. But nothing compares to the chilling, dangerous beauty of the fae king. And when my sister flees the castle and her terrifying husband-to-be, I'm left to marry him instead. If I go through with this, I might not survive my wedding night. If I don't, no one is safe, neither human nor fae. An ancient war will return, bringing devastation we haven't seen in a thousand years. Can I sacrifice myself for the good of my people? Or will a dangerous desire be the death of me first? If I don't lose my heart, the king will certainly lose his. I'll carve it out with an iron blade if I have to. My Feral Romance Tessonja Odette, 2025-07-31 Bridgerton meets My Fair Lady and He's Just Not That Into You in My Feral Romance, a spicy standalone fantasy romcom in the Fae Flings and Corset Strings series. Every book in this interconnected series is a complete story and ends with a HEA. If you like fae bargains, friends-to-lovers romance, and cosy fantasy worlds, you'll love this sizzling tale. Fae shifter Daphne has landed the opportunity of a lifetime: illustrating her favourite author's steamy romance novels. If only she could master male physiques...and other essential anatomy. What she needs is a model. Yet how does the socially awkward fae with a tendency to bite find a man she can comfortably paint in the nude? Self-proclaimed matchmaker Monty Phillips is a hopeless romantic...but only when it comes to others. Meddling in the love lives of strangers via his popular advice column keeps romance a safe distance away. Yet when he's tasked with demonstrating his tips on modern courtship, he'll need to step out from behind the pen and into someone's love life. And he knows just the perfect plaything. The last time Daphne saw Monty, he broke her heart and discarded their friendship. Now he wants to drag her into one of his idiotic matchmaking games - where she's the subject! But when he promises to pose as her model in exchange, she can't refuse. At least it's only temporary. If he's the expert he claims to be, she can replace him with a lover in no time. Painting sessions and flirting lessons commence, rekindling their friendship. But when instructional seduction turns their platonic spark into burning desire, will either have the courage to fan the flames? The Magarisse PG Rando, 2011-02-01 THE MAGARISSE may at first seem like any ordinary fantasy novel: in another world, the Magarisse, a brotherhood of magicians and generals, once fought to defeat the power-hungry Sharadar. Their

leader is dead. His son has gone in search of help from someone who was left behind long ago... This much should sound familiar to any experienced reader of the fantasy genre. But the avid reader gets something new, unexpected as he delves further into the pages of THE MAGARISSE: the source of magical energy in the world is being quickly drained, creating a sense of desperation and instigating a search for a new magical source. This sub-plot is, of course, inspired by the current situation of natural resources on Earth. Again THE MAGARISSE strays off the beaten path of literature in regards to its villain. The growth of the villain can be tracked alongside that of the heroes, flipping the classic 'coming-of-age' novel on its head. The level of detail in this novel makes you feel like you are in each scene, standing alongside the characters that fight their way through the end of one war... and into the beginning of another. THE MAGARISSE will engage you with adventure, humor, romance, suspense, magic, and surprises. It is the result of a three-year project by a high school student who moves the fantasy genre in a new direction by veering away from many widely accepted tropes while still maintaining a recognizable fantasy feeling.

But with a kiss that can kill, Maisie's mission means more than seduction. It means murder. Son of a notorious fae-killer, Dorian was never meant to survive the shipwreck that was orchestrated to assassinate him. Now that he's on the forbidden fae isle, he'll do anything to gain citizenship - even marry a fae bride. Desperate for a hasty marriage, he holds a bridal competition in the isle's most theatrical city, where displays of frivolity aren't just encouraged - they're expected. And if Maisie can act like a proper debutante and join the pageantry, she'll get near enough to deliver her fatal kiss. But getting close to her target brings complications she didn't expect.
