**Missing Peaces** Hayley E. Barnes, 2019-02-21 Have you ever been stuck and wondered if there is more God wants for you? I have. Have you been stuck in fear of taking the next step toward, facing your past, or even embracing your journey as it is? I have. Perhaps you have made mistakes or blamed yourself for things that weren’t meant for you to carry. I have. This book isn’t meant to be a step-by-step guide on how to get from your personal Egypt to the Promised Land, but I hope this book encourages you or one person to step out in the faith that God wants to heal you and use you. Believe that the past is something we may try to hold on to yet we must let go of in order to move ahead and trust that the journey out of Egypt is worth it. I pray for whoever reads this book that your journey brings you peace and closer to God.

**A Woman's Book of Inspiration** Carol Kelly-Gangi, 2017-10-03 A Woman’s Book of Inspiration collects hundreds of quotations from women the world over. Gathered from writers and politicians, adventurers and musicians, activists and scientists, their words are a testament to women everywhere, the struggles they have had to overcome, and the tools they used to do so. Includes: Amelia Earhart: “Please know that I am aware of the hazards. I want to do it because I want to do it. Women must try to do things as men have tried. When they fail, their failure must be but a challenge to others.” Isabel

Allende: "I can promise you that women working together—linked, informed, and educated—can bring peace and prosperity to this forsaken planet." Gloria Vanderbilt: "I've always believed that one woman's success can only help another woman's success." Margaret Thatcher: "Being powerful is like being a lady. If you have to tell people you are, you aren't."

Linthicum, Sue Wier, 2023-05-03 Everyone at some point has encountered great pain in their lives, but a single heart-wrenching experience when I was a rebellious eighteen-year-old shook me to the core. Come along with me on this journey as we explore what unconventional faith looks like. I will challenge you to take risks, move beyond your past mistakes, and develop a more authentic relationship with God.

**Changing Faces: A Journey of Hope and Perseverance** Lisa D. Brown, 2022-04-01 Moments after giving birth to their first child, Lisa and Steve Brown are devastated to learn that even the doctors didn't know his prognosis, much less how to explain it to them. Their newborn son, Logan, looked profoundly different. What challenges would this young family face in the future? Twelve days later, they handed their newborn son over to surgeons for them to build and remodel his skull. Before the initial shock and grief wore off, they learned this would become the first of many surgeries and challenges they would endure. Lisa D. Brown tells her family's riveting story that will take you through their journey of real life hardships, diagnoses, new family additions, bullying, acceptance, humor, and perseverance. This inspiring story offers hope and encouragement to others to face fear and find joy in life's journey.

**Worry-Free Living** Arnie Cole, Michael Ross, 2014-05-13 Winning Your Family's Battle Over Worry Worry Free Living explores every family's daily battles with stress from three perspectives - how it affects our mind, body, and spirit - and gives readers easy-to-follow plans for finding relief. The authors help parents identify what's bugging their families and how to clarify their worries, sorting them into those they can and cannot do something about. What's more, Cole and Ross have filled various chapters with the latest Back to the Bible research findings from Pamela Ovwigho, PhD - a leading researcher with the Center for Bible Engagement. They also include some of the best insights, advice, and treatment options from a variety of medical professionals. Most importantly, they explain everything within the understanding of a Master Creator, God, who is the ultimate Counselor and Healer. Ideal for individual use and group study, this resource helps readers: 1. Uncover the most common worries and stress-points of men, women, kids, and twenty-somethings in our care 2. Become self-aware: evaluating the stress in our households and plotting realistic steps toward change 3. Reach out to those we love-from worried spouses and in-laws to teens and young children 4. Understand the difference between the mind (what we think) and the brain (the physical processes of chemical reactions) ... and how they contribute to worry 5. Learn to de-stress our thinking and calm

down our bodies 6. Give up unhealthy religiosity-such as the false belief that worrying is a sign that we lack faith 7. Reject the myth that we are in control and learn to take Jesus at His word: Come to me, all you who are weary and burdened, and I will give you rest (Matthew 11:28). In the words of Dr. Archibald Hart (one of the experts interviewed in this book), You must come down from the 'hills' of stress and into the 'valleys' of rest on a daily basis. Our bodies are not designed for a continual state of fear, worry, and anxiety - but instead for continual tranquility with short bursts of adrenaline. Worry Free Living shows moms, dads, caregivers, and ministers alike how to break the cycle of unnecessary suffering and find peace in Christ.

**Choosing Love** Ruth Teakle, 2021-03-31 Choosing Love is an invitation to explore the narratives of some biblical characters and some ordinary women who have been transformed by God's unfailing love. The testimonies are unique, genuine, and vulnerable, demonstrating a divine, sacrificial, limitless love. You will be both summoned and inspired to draw closer to God, grow in this fruit of the Spirit, and develop a passion to receive His love and express it to others. Choosing Love includes small group helps and will make a valuable addition to both church and personal libraries. If you haven't read and studied God's Word, you're missing out on the greatest book ever written. In its pages you will meet some of the greatest heroes of all time, such as Paul, John, James, and the most important person of all, the Son of God Himself, Jesus Christ. The wisdom recorded in God's Word will carry you through every encounter in life and give you strength to get through any day. Even though it was written thousands of years ago, it has applications for your life that are extremely relevant right now. You won't just learn how to come to a saving faith in the Lord Jesus Christ, but also how to live a fulfilled life that could only come from the Creator of the universe. This book will come alive before your very eyes! In more than thirty years of study, I've found practical answers to every encounter life has thrown my way. If you don't know Jesus as your Lord and Savior, my hope is that this book will lead you in His direction. If you do believe, my prayer is that you'll come to see that Christianity is about more than attending church on Sunday-and that you'll find the joy that is made complete in the Word of God.

**We Are Never Alone** Diane Whitaker, 2024-11-01 Things I wish someone told me sooner: Parents are human. Most people question what the best way is to read the Bible and understand it. Is there a way to use our knowledge so it isn't wasted? Now is the time to find insight and discover the truth of your existence. God approached someone and proclaimed, I am real. Then said, Write me a book about myself. She rejected the request. After thirty years, God presented her with a final test of her faith through an incurable illness. Her faith stayed intact, yet she suffered brain damage. No memory of words, people, and God. Emotions of a five-year-old. God's plan is unfolding as she embarks on a new life, slate wiped clean. God allowed her to gain faith in him on her own accord. She searched for God, and he revealed himself. God once more said, Write a book about me. She agreed. With God as her foundation, he invested a couple of years in nurturing her heart and teaching how he thinks. She came out completely changed, settled, and at peace. Living like she was already in paradise. God

revealed his fundamental concepts that you will eagerly share with your children throughout their lives. Her entire life was orchestrated by God to give you his message. In *We Are Never Alone*, you'll discover. Why we exist on earth The God Talk How to get God's attention Experience God directly Notice God's presence in the lives of his servants, both past and present. You have come to a crossroad. It is your time. What actions do you plan to take? I know God placed this book before you for a reason!

*More Precious Than Gold* Nanci J. Gravill, 2022-02-04 Have you ever thought that perhaps God wants to do a greater work in your heart instead of just fixing your problems? Or have you ever wanted to know God in a more meaningful way? Well, you can find both the wisdom and truth that you seek in my new book, *More Precious Than Gold*. Filled with thirty unique essays and devotions, my inspiration to write this book came from hearing a doctor talk about how much our culture has changed and the impact it's had on all of us. So tucked into the back of the book you'll find some great exercises just before the Spiritual Connections section. They'll help keep you from the snares of our culture and guide you to the green pastures of peace and tranquility that you need. You'll also enjoy messages that offer a fresh perspective so you can live life with more passion including: Happy Habits, An Anchor of Hope, Choose to Forgive, A New Mental Toughness, Wholeness Healing, Take a Drink of Great Happiness, Unspeakable Joy, Find the Gift, New Beginnings, The Green Bean Club, and more. So, dear friend, come and spend time with the most trustworthy friend of all — God. You'll not only learn about Him, but you'll find He's a God who loves you and longs for you to draw near to Him. —Nanci J. Gravill Draw near to God, and He will draw near to you. James 4:8a - ESV
