## Solomon Lipp

Diario de las sesiones de Cortes España Cortes,1858

**Historia genealógica y heráldica de la monarquía española** Francisco Fernández de Béthencourt,1910

*Francisco Giner de los Rios* Solomon Lipp,2006-01-01 During the nineteenth century, traditional Catholic Spain and its decadent intellectual climate was challenged by liberal Europeanizing influences. It had happened before, but this time the status quo was threatened by Krausism, an idealistic doctrine of universal harmony and rational freedom. In the ensuing culture clash, Francisco Giner de los Rios (1839-1915), a leading exponent of Krausist thought, provided the dominant influence on Spanish intellectuals engaged in the areas of education, law, literature, and science. This outstanding contribution to Spanish cultural history by Solomon Lipp, author of Leopoldo Zea and Three Chilean Thinkers, introduces the political and philosophical reactions to Krausism through the thought and personality of the man who dreamed one day of a new flowering of Spain—Francisco Giner de los Rios.

**Historia de los heterodoxos españoles** Menéndez y Pelayo,1881

*The Sweet Penance of Music* Alejandro Vera,2020-09-14 A monumental study of musical practices in 18th century Santiago de Chile, and the only English-language monograph about Chilean colonial music, *A Sweet Penance of Music* offers a comprehensive view of musicians within the city and their links with other Latin American urban centers in the wider colonial system. Author Alejandro Vera, recent winner of the International Casa de las Américas Musicology Prize for the

Spanish edition of his monograph, provides a fascinating account of the quotidian cultural and social significance of music in varying physical spheres - from cathedrals, convents, and monasteries, to private houses and public spaces. He brings to life a city long neglected in the shadow of other colonial centers of economic power, asserting the importance of duality in the period and its music - particularly centering one nun harpist's conception of music as sweet penance. Drawing from historical documents and musical scores of the period, *A Sweet Penance of Music* breaks new ground, laying the foundation for a revisionist approach to the study of music in the colonial Americas.

Women Who Rock Natasha Duswalt, 2017-03-23 In this unprecedented collaboration, Natasha Duswalt, author, speaker, and founder of Peak Models & Talent and 33 other extraordinary women share their personal and inspirational stories of success. These empowering and uplifting stories by women from all walks of life, have overcome challenges, solved problems, or changed their lives for the better will help you find your own inner strength, empowerment, and resilience, and remind you to think positive, count your blessings, and use the power that you have within you to inspire others. Readers will enjoy featured stories from authors that include NY Times Best-Selling Author, Dr. Barbara De Angelis, the Queen of Sales Conversion, Lisa Sasevich, co-founder of Beyond Diet, Isabel De Los Rios, and the owner of FrankieB. Jeans, Daniella Clarke.

**El ocaso del antiguo régimen en los imperios ibéricos** Margarita Rodríguez, 2017-11-15 Las conexiones entre distintos procesos históricos desarrollados a uno y otro lado de las fronteras ibéricas nos invitan a insistir en dos cuestiones fundamentales. En primer lugar, la importancia de la mirada conjunta a la hora de estudiar este periodo crucial en dos monarquías que estuvieron unidas cuando se definían algunos de los rasgos más relevantes de sus imperios; y, en segundo lugar, la necesidad de descentralizar este análisis colocando en primer plano una diversidad de actores y paisajes que en toda América Latina —y con independencia de su pertenencia a una y otra monarquía— dieron diferentes respuestas a los proyectos reformistas y a la crisis imperial desatada con las invasiones napoleónicas a la Península Ibérica. El ocaso del antiguo régimen en los imperios ibéricos reúne dieciséis artículos que analizan aspectos de características similares en los imperios de España y Portugal, incluyendo sus territorios ultramarinos, durante el tránsito del siglo XVIII al XIX.
