**Yeshua: Book of Deliverance** Richard Lane,2020-07-20 This book is the most complete and informed way to give you the children's bread and our instruments of spiritual warfare and inner healing. In this is listed as many ways of combating devils as is possible and how to deal with these from a personal level to a long distance level in every operation and every way they try to muster. This book is designed to let you pinpoint the area of where you need help, whether it's in self-deliverance or delivering others by God through you in many areas most applicable. This is for all believers from beginners to seasoned veterans of spiritual warfare; for all apostles, bishops, deacons, prophets, evangelists, pastors, teachers, and the congregations of the saints; and to all whom are called to be soldiers of Yeshua. If you're not a believer and you have asked God for help as your last ditch effort, and in return, you had promised to follow Him and give yourself to He who is without religion being forced upon you, this book is for you too, as well as those who have demonic activity who don't know where to go or who to turn to, especially without feeling shunned, ashamed, or disfellowshipped.

**Hosea, Joel, and Obadiah Through the Centuries** Bradford A. Anderson,2024-02-12 Hosea, Joel, and Obadiah

Through the Centuries The first book devoted solely to the reception history of Hosea, Joel, and Obadiah How have readers through the centuries understood the prophet Hosea's marriage to an unfaithful woman? Does the prophet Joel really speak about a locust invasion, or is he referring to invading armies? How should we understand the harsh rhetoric that Obadiah uses about Judah's neighbor Edom? In Hosea, Joel, and Obadiah Through the Centuries, Bradford A. Anderson provides historical context for these prophetic texts and traditions while offering original insights into their interpretation, use, and impact. Chapter-by-chapter commentary examines the use of these texts in different religious communities, surveys various commentaries and interpretive traditions, and addresses the social and cultural employment of these prophetic works in literature, music, the visual arts, and more. Each prophetic text is introduced by a chapter containing a brief history of interpretation and discussion of key historical, literary issues, theological, thematic, and rhetorical issues, as well as the religious, social, and cultural reception of the prophet and the book. Throughout the text, recurring "conversation partners" high-light important and interesting trajectories in the afterlives of the prophetic books. Encompassing Christian, Jewish, and modern critical reception, Hosea, Joel, and Obadiah Through the Centuries is an excellent textbook for advanced undergraduate and postgraduate students working on these prophetic works, and a must-have resource for scholars, clergy, and religious leaders interested in how the prophets have been employed over the millennia.
