

Take 6 Come Unto Me

Alexander Cruden

Conversion Joseph Alleine, 2025-06-01 When it comes to understanding what true conversion is, how easy we are deceiving ourselves with false signs of conversion, and how man is to be converted to biblical Christianity, there are not many books like this. With the now renowned Puritan precision in handling God's Word, the Bible, Joseph Alleine (1634-1668) will take to through all these facets of conversion, true and false, but he will not do it as a mere intellectual exercise, but always accompanying it with a constant call to examine yourself to see whether you are in that true faith, to test your own conversion. This book has been instrumental to the conversion of many other preachers and ministers. This book was originally published in 1671 under the title "Alarm to the Unconverted. A Treatise on Conversion". This edition has been proofread, typeset for eBook readers, and lightly updated for modern readers.

The Worship Bass Book Norm Stockton, 2020-11-09 Illustrated throughout

Alarm to the Unconverted Joseph Alleine, Rev Terry Kulakowski, Editor, 2015-11-13 Alleine was imprisoned several times in the short time that followed. His wife tells us how, with true Puritan spirit, his thought turned to the possibility of missionary work in Wales, or even China. Never, Murray goes on, did the evangel of Jesus Christ burn more fervently in any English heart Due to his sufferings for the gospel, and incessant labours he died on the 17th of November 1668 aged thirty-four. This book has been through many editions up to the present day, and was instrumental in the conversion of multitudes, including George Whitefield and Charles Haddon Spurgeon. Indeed Whitefield carried copies of it constantly with him in order to give to awakened sinners who sought his help

An Alarm to Unconverted Sinners Joseph Alleine, 1734

The Collected Works Philip Schaff, 2022-11-13 Philip Schaff's *The Collected Works* stands as a monumental contribution to the field of Christian theology and ecclesiastical history. This compendium comprises a thorough examination of the development of Christian doctrine, drawing on a myriad of historical sources, biblical texts, and theological discussions. Schaff's literary style is characterized by its scholarly rigor, lucidity, and a deep commitment to historical continuity, offering readers an engaging narrative interspersed with critical analysis and contextual elaboration that is crucial for understanding the evolution of Christian thought. The work reflects the late 19th-century context in which it was produced, a period marked by both the consolidation of Protestant scholarship and burgeoning ecumenical movements. Philip Schaff (1819-1893), a

Swiss-born theologian, arrived in America as part of the wave of European intellectuals seeking new opportunities in the wake of religious and political upheavals. His extensive academic career, including founding institutions and engaging in theological debates, has provided him with profound insights into the interactions between faith and culture. Schaff's profound passion for unifying the Christian Church and his extensive scholarly background in history and language shaped the vision for this comprehensive collection. The Collected Works is an essential read for scholars, theologians, and laypersons alike who seek to delve into early Christian history and doctrine. Schaff's meticulous scholarship invites readers to engage with the complexities of faith across centuries, making it not merely a work of historical documentation but also a compelling narrative that inspires contemporary discourse on Christianity's relevance today.

Analytical Concordance to the Bible on an Entirely New Plan Robert Young, 1880

A Complete Concordance to the Holy Scriptures of the Old and New Testament ... By Alexander Cruden ... The Seventh Edition, Revised and Improved ... Including a Compendium of the Bible ... A Concordance to the Canonical Books of the Old and New Testament: to which are Added, a Concordance to the Books Called Apocrypha; and a Concordance to the Psalter, Contained in the Book of Common Prayer, 1859

A complete concordance to the holy Scriptures. [Another] To which is added, a life of the author by A. Chalmers Alexander Cruden, 1830

A Sure Guide to Heaven Joseph Alleine, A Sure Guide to Heaven is a thorough and compelling argument for the necessity of conversion. In it the author presents the nature of true conversion and common mistakes about conversion, so the reader can be assured he is not deceived into believing he is converted when in reality he is not (Matthew 7:13-14).

Alleine outlines the marks of an unconverted soul, so the reader may make an accurate self-inventory (2 Corinthians 13:5-6). He forewarns the fence-sitter of the miseries of the unconverted state, both in this life and hereafter, and gives motives for conversion. The book concludes with "directions to the unconverted" so that the reader may take hold of the saving faith Christ offers. This Digital Puritan reprint, based on the Banner of Truth edition, includes the biographical preface of Iain Murray. Over four hundred Scripture references (in the English Standard Version®) are hyperlinked and embedded into the book. No internet connection is required.
