They Both Die at the End Adam Silvera, 2017-09-05 New York Times bestselling author Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: There's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of *Before I Fall* and *If I Stay*, *They Both Die at the End* is a tour de force from acclaimed author Adam Silvera, whose debut, *More Happy Than Not*, the New York Times called “profound.”

Summary of *They Both Die at the End* Alexander Cooper, 2021-04-19 Summary of *They Both Die at the End* *They Both Die at the End* by Adam Silvera is a young adult, science fiction novel published in 2017. Set in a dystopian alternate version of New York City in September 2017, the book follows two teenagers, Mateo Torrez and Rufus Emeterio, who both have been notified by Death-Cast that they will die by the end of the day. Death-Cast, the defining feature of Silvera's dystopia, is a company that predicts citizens' deaths and notifies them when they have 24 hours left to live. This study guide refers to the first paperback edition of the novel published by HarperTeen in 2018. In the world of the novel, Death-Cast notifies citizens of the day they will die. A person's final day alive is referred to as their End Day, and people experiencing their End Day are called “Deckers.” Society is different due to the existence of the Decker population: Some blogs follow Deckers on their End Days, bars that serve Deckers looking to party before they die, and an app called Last Friend that matches Deckers with another person so they do not have to spend their final day alone. The book focuses on the End Day shared by two Decker teenagers, Mateo and Rufus, who meet through Last Friend. The novel deals with themes of mortality and the inevitability of death, the importance of friendship, and the experiences of LGBT teens of color. The novel is a New York Times bestseller, School Library Journal Best Book of the Year, Kirkus Best Book of the Year, and Booklist Editors' Choice of 2017, among other praise. Elizabeth the First Wife Lian Dolan, 2013-04-26 Elizabeth Lancaster, an English professor at Pasadena City College, finds her perfectly dull but perfectly orchestrated life upended one summer by three men: her movie-star ex-husband, a charming political operative, and William Shakespeare. Until now, she'd been content living in the shadow of her high-profile and highly accomplished family. Then her college boyfriend and one-time husband of seventeen months, A-list action star FX Fahey, shows up with a job offer that she can't resist, and Elizabeth's life suddenly gets a whole lot more interesting. She's off to the Oregon Shakespeare Festival for the summer to make sure FX doesn't humiliate himself in an avant-garde production of *A Midsummer Night's Dream*. As she did so skillfully with her first novel, *Helen of Pasadena*, which spent more than a year on the Los Angeles Times bestseller list, Lian Dolan spins a lively, smart, and very funny tale of a woman reinventing her life in unexpected ways. Lian Dolan is also the co-author of *The Satellite Sisters' Uncommon Senses*. As part of the *Satellite Sisters*, Lian and her four sisters found national acclaim first on NPR, then on ABC Radio and XM Satellite Radio. She also creates the popular podcast and blog *Chaos Chronicles*.

Avenging Nature Eduardo Valls Oyarzun, Rebeca Gualberto Valverde, Noelia Malla Garcia, María Colom Jiménez, Rebeca Cordero Sánchez, 2020-09-28 "Nature, thou art my goddess"—Edmund's bold assertion in *King Lear* could easily inspire and, at the same time, function as a lamentation of the inadequate respect of nature in culture. In this volume, international experts provide multidisciplinary exploration of the insubordinate representations of nature in modern and contemporary literature and art. The work foregrounds the need to reassess how nature is already, and has been for a while, striking back against human domination. From the perspective of literary studies, art, history, media studies, ethics and philosophy, and ethnology and anthropology, *Avenging Nature* highlights the need of assessing insurgent discourses that—converging with counter-discourses of race, gender or class—realize the empowerment of nature from its subaltern position. Acknowledging

the argument that cultural representations of nature establish a relationship of domination and exploitation of human discourse over nonhuman reality and that, in consequence, our regard for nature as humanist critics is instrumental and anthropocentric, the present volume advocates for the view that the time has come to finally perceive nature's vengeance and to critically probe into nature's ongoing revenge against the exploitation of culture.

The Old Testament in the Layman's Language Leroy Stout, 2024-02-13 Roy presents information that allows the reader to retain what is read. For example, the major prophets can be remembered using the term JEDI from the Star Wars movie, J - Jeremiah, E - Ezekiel, D - Daniel, I - Isaiah. Roy reveals some of God's humor. 1 Kings 11:29-31. Jereboam meets the prophet Ahiah, who demonstrates that Jereboam will rule 10 of the 12 tribes of Israel by cutting Jereboam's "new garment" into 12 pieces and giving Jereboam 10. There he stands in his diaper holding 10 rags. Try explaining that to a stranger. The Bible does tell of more serious moments such as 2 Kings 15. During the captivity, All 18 kings of the northern kingdom were bad. The last five kings became kings by murdering their predecessor, We could say the KKK existed i.e, Kings Killing Kings. Some critical information is not obvious. Who is "us" in Genesis 1:26? I And God said let us make man in our image.... Us is the trinity, God, Jesus, The Holy Spirit. They are mentioned in the first chapter of the bible. Roy brings to life the actions of biblical characters in an easy to understand manner that helps to understand scripture. Lets consider the Noah flood. The flood occurred 10 generations after Adam. The average age before the flood was 858 and after the flood it was 317. In order to compare this to today, we divide each side by 10 and get 86 and 32 ie, people died at 32 instead of the normal 86, Why? Solar radiation. We sent wasp larvae into space and proved this theory. The "windows of heaven" were the cooling clouds of a new planet. It had not rained since God created earth Gen 2:5. Water came from two directions, rain and flooding ie, Genesis 7:11. Roy also covers the activities between the Old and New testaments including Persia, Greece, Macabeans and Rome.

Dying on the Vine Aaron Elkins, 2012-12-04 Edgar® Award-winning author Aaron Elkins's creation—forensics professor Gideon Oliver—has been hailed by the Chicago Tribune as "a likable, down-to-earth, cerebral sleuth." Now the celebrated Skeleton Detective is visiting friends at a vineyard in Tuscany when murder leaves a bitter aftertaste... When Gideon Oliver and his wife, Julie, are in Tuscany visiting the Cubbidu family, the renowned Skeleton Detective is asked to reexamine the remains of a mysterious family tragedy. Pietro Cubbidu, former patriarch of the Villa Antica wine empire, is thought to have killed his wife and then himself in the remote mountains of the Apennines. It does not take long for Gideon to deduce that, whatever happened, a murder-suicide it was not. Soon Gideon finds himself in a morass of family antipathies, conflicts, and mistrust, to say nothing of the local authority's resentment. And when yet another Cubbidu relation meets an unlikely end, it becomes bone-chillingly clear that the killer is far from finished...

Practical Commentary on Holy Scripture Rev. Frederick Knecht D.D.,2004-07 This book is a great introductory Bible study all by itself - for it brings out the Catholic teachings that are hidden in Sacred Scripture! A famous book - one which received recommendations from 14 bishops when first published and which went through at least 16 editions - this commentary is not a work for scholars; but rather a very practical book for the ordinary Catholic.

Women of Will Tina Packer,2016-03-08 *Women of Will* is a fierce and funny exploration of Shakespeare's understanding of the feminine. Tina Packer, one of our foremost Shakespeare experts, shows that Shakespeare began, in his early comedies, by writing women as shrews to be tamed or as sweet little things with no independence of thought. The women of the history plays are much more interesting, beginning with Joan of Arc. Then, with the extraordinary Juliet, there is a dramatic shift: suddenly Shakespeare's women have depth, motivation, and understanding of life more than equal to that of the men. As Shakespeare ceases to write women as predictable caricatures and starts writing them from the inside, his women become as dimensional, spirited, spiritual, active, and sexual as any of his male characters. Wondering if Shakespeare had fallen in love (Packer considers with whom, and what she may have been like), the author observes that from Juliet on, Shakespeare's characters demonstrate that when women and men are equal in status and passion, they can—and do—change the world.

How to Find Selfless Joy in a Me-First World Leslie Vernick,2011-05-25 Do You Need Greater Self-Esteem-Or Something Else Entirely? Western culture increasingly emphasizes the importance of self-love and self-esteem. Many of us believe we must “find” ourselves-and feel good about what we see-before we can experience significant spiritual growth. Focusing so much on ourselves, however, distracts us from pursuing the only source of true fulfillment. Do we, as God's people, really need to love ourselves more? Or is there a wiser, biblical path that can lead us to joy that is not self-centered and fleeting, but God-focused and lasting? Challenging the current fascination with self esteem, Leslie Vernick answers these questions

and others that trip up Christians today. Offering surprising insights and practical helps that can make a real difference in your life, she shows how you can experience greater personal, relational, and spiritual growth while humbly adoring and glorifying your God.
