A Darker Shade of Magic V. E. Schwab, 2015-02-24 Prepare to be dazzled by a world of parallel Londons—where magic thrives, starves, or lies forgotten, and where power can destroy just as quickly as it can create.

The Shades of Magic Series V. E. Schwab, 2017-08-15 Witness the fate of beloved heroes and notorious foes in V.E. Schwab's New York Times bestselling Shades of Magic series. This discounted ebundle includes: *A Darker Shade of Magic*, *A Gathering of Shadows*, *A Conjuring of Light* Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. *A Darker Shade of Magic* — Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. *A Gathering of Shadows* — Restless, and having given up smuggling, Kell is visited by dreams of ominous magical events, waking only to think of Lila, who disappeared from the docks like she always meant to do. And while Red London is caught up in the pageantry and thrills of the Element Games, another London is coming back to life, and those who were thought to be forever gone have returned. *A Conjuring of Light* — As darkness sweeps the Maresh Empire, the once precarious balance of power among the four Londons has reached its breaking point. In the wake of tragedy, Kell—once assumed to be the last surviving Antari—begins to waver under the pressure of competing loyalties. Lila Bard has survived and flourished through a series of magical trials. But now she must learn to control the magic, before it bleeds her dry. Tor books by V. E. The Fragile Threads of Power V. E. Schwab, 2023-09-26 A New York Times Bestseller A USA Today Bestseller September IndieNext Pick A new door opens... Once there were four worlds, nestled like pages in a book, each pulsing with fantastical power and connected by a single city: London. After a desperate attempt to prevent corruption and ruin in the four Londons, there are only three: ● Grey London, thriving but barely able to remember its magical heritage ● Red London, ruled lately by the Maresh family, flourishing and powerful ● White London, left to brutality and decay Now the worlds are going to collide anew—brought to a dangerous precipice by the discoveries of three remarkable magicians. There's Kosika, the child queen of White London, who has nourished her city on blood and dreams—and whose growing devotion to both is leading her down a dangerous path. Then there's Delilah Bard, born a thief in Grey London, who crossed the worlds to become a legend far from there. She's an infamous magician, a devious heroine, and a risk-taking rogue, all rolled into one unforgettable package. Having disappeared to seek new adventure, an old favor now calls Lila back to a dangerous port, to join some old friends who need more help than they realize. Last there is Tes, a young runaway with an unusual and powerful ability, hiding out in Red London while trying to stay out of the limelight. Tes is the only one who can keep all the worlds from unraveling—if she manages to stay alive first. From #1 New York Times bestselling author V. E. A Gathering of Shadows V. E. Schwab, 2016-02-23 From #1 New York Times bestselling author V.E. Schwab Addictive and immersive, *A Gathering of Shadows* cements this series as a must-read. —Entertainment Weekly, grade A Four months have passed since the shadow stone fell into Kell's possession. Four months since his path crossed with Delilah Bard. Four months since Rhy was wounded and the Dane twins fell, and the stone was cast with Holland's dying body through the rift, and into Black London. In many ways, things have almost returned to normal, though Rhy is more sober, and Kell is now plagued by his guilt. Restless, and having given up smuggling, Kell is visited by dreams of ominous magical events, waking only to think of Lila, who disappeared from the docks like she always meant to do. As Red London finalizes preparations for the Element Games—an extravagant international competition of magic, meant to entertain and keep healthy the ties between neighboring countries—a certain pirate ship draws closer, carrying old friends back into port. But while Red London is caught

up in the pageantry and thrills of the Games, another London is coming back to life, and those who were thought to be forever gone have returned. After all, a shadow that was gone in the night reappears in the morning, and so it seems Black London has risen again-and so to keep magic's balance, another London must fall...in V.E. This Savage Song V. E. Schwab,2016-07-05 #1 New York Times Bestseller * An Amazon Best Book of the Year There's no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, This Savage Song is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he's one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who's just been kicked out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August's secret, and after a failed assassination attempt the pair must flee for their lives. In This Savage Song, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, A Darker Shade of Magic. Her heroes will face monsters intent on destroying them from every side—including the monsters within.

Thirty Baseball Parks and Seventy Home Runs Ophelia R. Wade,1999-02-17 This is a baseball and travel book. A Missouri couple visited all thirty baseball parks, forty-eight continental states, five great lakes, and Hall of Fame at

Cooperstown. They were present when Mark McGwire shattered batting records and hit his seventieth home run in 1998. The book is full of baseball trivia.

Youth and the State in Hungary Laszlo Kurti, 2002-07-20 Youth and the State in Hungary takes as its focus the nature of Hungary's youth movements over the last seventy years. In a detailed ethnographic study, Laszlo Kurti examines the lives of youth workers in the Csepel district of Budapest in the context of the wider political and economic transformations witnessed during the twentieth century. Kurti follows State-Youth relations from the inter-war capitalism that made peasants into workers, through the post war state socialism - 'Stalinism' and after - to the reintroduction of capitalism in 1990. This time frame allows an exploration of the transformations and dilemmas of youth, class, gender and ethnicity as they develop across time. In the course of this study two main themes emerge: the reproduction of class in youth culture across shifting socio-economic conditions; and the mobilisation of youth movements in resistance to the state. Youth and the State in Hungary challenges the orthodox equation of youth and resistance by arguing that youth mobilisation has, in fact, served the interests of the state. Nevertheless there remains a genuine space for resistance and contestation in the reproduction of youth culture.
