Any Man Amber Tamblyn, 2018-06-26 “An explosive, shapeshifting piece of literary real estate, Amber Tamblyn’s arresting debut offers a scathing portrait of American celebrity culture and the way in which it transmutes human tragedy into a vicious circus; victims are forgotten as likes and shares swirl, and ‘news’ becomes a squalid orgy, a lurid feast. Tamblyn takes every risk in this astonishing and innovative work, and succeeds, gloriously.” — Janet Fitch, bestselling author of *The Revolution of Marina M.* and *Paint It Black* Vanity Fair’s Summer Ultimate Fiction List Entertainment Weekly Summer Preview List In this electric and provocative debut novel, Tamblyn blends genres of poetry, prose, and elements of suspense to give shape to the shocking narratives of victims of sexual violence, mapping the destructive ways in which our society perpetuates rape culture. A violent serial rapist is on the loose, who goes by the name Maude. She hunts for men at bars, online, at home— the place doesn’t matter, neither does the man. Her victims then must live the aftermath of their assault in the form of doubt from the police, feelings of shame alienation from their friends and family and the haunting of a horrible woman who becomes the phantom on which society projects its greatest fears, fascinations and even misogyny. All the while the police are without leads and the media hound the victims, publicly dissecting the details of their attack. What is extraordinary is how as years pass these men learn to heal, by banding together and finding a space to raise their voices. Told in alternating viewpoints signature to each voice and experience of the victim, these pages crackle with emotion, ranging from horror to breathtaking empathy. As bold as it is timely, *Any Man* paints a searing portrait of survival and is a tribute to those who have lived through the nightmare of sexual assault.

#MeToo and Literary Studies Mary K. Holland, Heather Hewett, 2021-09-23 Literature has always recorded a history of patriarchy, sexual violence, and resistance. Academics have been using literature to expose and critique this violence and domination for half a century. But the continued potency of #MeToo after its 2017 explosion adds new urgency and wider awareness about these issues, while revealing new ways in which rape culture shapes our everyday lives. This intersectional guide helps readers, students, teachers, and scholars face and challenge our culture of sexual violence by confronting it through the study of literature. *#MeToo and Literary Studies* gathers essays on literature from Ovid to Carmen Maria Machado, by academics working across the United States and around the world, who offer clear ways of using our reading, teaching, and critical practices to address rape culture and sexual violence. It also examines the promise and limitations of

the #MeToo movement itself, speaking to the productive use of social media as well as to the voices that the movement has so far muted. In uniting diverse voices to enable the #MeToo movement to reshape literary studies, this book is also committed to the idea that the way we read and write about literature can make real change in the world.

Era of Ignition Amber Tamblyn, 2020-01-14 A passionate and deeply personal exploration of feminism during divisive times from one of the founders of Time's Up: actor, filmmaker, and activist Amber Tamblyn. With a new afterword • "A work of personal upheaval and political reckoning."—Rebecca Traister, New York Times bestselling author of *Good and Mad* Amber Tamblyn has emerged as an outspoken advocate for women's rights. But she wasn't always so bold and self-possessed. In her late twenties, after a particularly low period fueled by rejection and disillusionment, she grabbed hold of her own destiny and entered into what she calls an Era of Ignition—a time of self-reflection that follows in the wake of personal upheaval and leads us to challenge the status quo. In the process of undergoing this metaphysical metamorphosis, she realized that our country is going through an Era of Ignition of its own, and she set about agitating for change by initiating a dialogue about gender inequality. In this deeply personal exploration of modern feminism, she addresses misogyny and discrimination, reproductive rights and sexual assault, white feminism and pay parity—all through the lens of her own experiences as well as those of her Sisters in Solidarity. At once an intimate meditation and a public reckoning, *Era of Ignition* is a galvanizing feminist manifesto that is required reading for anyone who wants to help change the world for the better.

Writing the Survivor Robin E. Field, 2020-07-15 *Writing the Survivor: The Rape Novel in Late Twentieth-Century American Fiction* identifies a new genre of American fiction, the rape novel, that recenters narratives of sexual violence on the survivors of violence and abuse, rather than the perpetrators. The rape novel arose during the women's liberation movement as women writers collectively challenged the traditional erasure of female subjectivity and agency found in earlier representations of sexual violence in American fiction. The rape novel not only foregrounds survivors and their stories in a textual centering that affirms their dignity and self-worth, but also develops new narratological strategies for portraying violent, disturbing subject matter. In bringing together many key women's texts of the last decades of the 20th century, the rape novel demonstrates the centrality of sexual assault to women's fiction of this era. The rape novels of the 21st century continue the political activism inherent in the genre—educating readers, offering community to survivors, and encouraging social activism—as the stories of male survivors are increasingly told. A radical reconsideration of late twentieth-century American novels, *Writing the Survivor* underscores the importance of women's activism upon the novel's form and content and reveals the portrayal of rape as rape to be an interethnic imperative.

Dark Sparkler Amber Tamblyn, 2015-04-07 The lives of more than twenty-five actresses lost before their time—from Marilyn Monroe to Brittany Murphy—explored in a haunting, provocative new work by an acclaimed poet and actress. Amber Tamblyn is both an award-winning film and television actress and an acclaimed poet. As such she is deeply fascinated—and intimately familiar—with the toll exacted from young women whose lives are offered in sacrifice as starlets. The stories of these actresses, both famous and obscure—tragic stories of suicide, murder, obscurity, and other forms of death—inspired this empathic and emotionally charged collection of new poetic work. Featuring subjects from Marilyn Monroe and Frances Farmer to Dana Plato and Brittany Murphy—and paired with original artwork commissioned for the book by luminaries including David Lynch, Adrian Tomine, Marilyn Manson, and Marcel Dzama—Dark Sparkler is a surprising and provocative collection from a young artist of wide-ranging talent, culminating in an extended, confessional epilogue of astonishing candor and poetic command.

Coping with the strain of parental neglect and the elusive promise of U.S. citizenship, Talusan found comfort from her devoted grandmother, a grounding force as she was treated by others with special preference or public curiosity. As an immigrant to the United States, Talusan came to be perceived as white, and further access to elite circles of privilege but required Talusan to navigate through the complex spheres of race, class, sexuality, and queerness. Questioning the boundaries of gender, Talusan realized she did not want to be confined to a prescribed role as a man, and transitioned to become a woman, despite the risk of losing a man she deeply loved.
