J. Harlow Holmes

Jesus, the son of man Kahlil Gibran,2018-03-22 Who was Jesus? what did his contemporaries think of him? in this work of poetic fiction Kahlil Gibran imagines 77, everybody from Greek, Romans, and Jew, their view of Jesus.

Jesus Son of God—Son of Man Jesus Is Our Pattern J. Harlow Holmes,2019-05-10 This is a Commentary like no other today. It reveals the true nature of Jesus as He walked on the earth and fulfilled the very necessary role that was required because of Adam's fall. It fulfills the passage of I Corinthians 15:45—the last Adam. Jesus had to be like us in order to take our place. He was not God in flesh as preached today from most pulpits. He was the manifestation of God, His Father. Manifestation is the KEY word. He was God manifested in the flesh. When the Apostles saw Jesus in action they saw God the Father, John 14:9-11. We can see God in Jesus. Another important message is that Jesus was our pattern. We, the Church, should be doing the things that He did today. He Said to the disciples:“As the Father sent Me, so send I you.”John 20:21. Then He included us in His prayer in John 17:20-21. The Bible has been translated by those who believe in the doctrine of the Trinity. This came from Constantine and the first Nicene Creed in the 300s AD with the penalty of death involving over 200 Bishops if they did not sign it as he commanded. It seems that two were willing to die for the truth. All that was required to emphasize that Jesus was God just involved some prepositions and pronouns. However, the bulk of Jesus' confession indicates otherwise. The Prologue is the foundation of proof that Jesus was a human being just like you and me. The Lord told me that most everyone is a product of someone else's teaching today. However, when I was first filled with the Holy Spirit in my mid-twenties Jesus told me to let Him teach me. I have been faithful to that command for nearly 65 years. This commentary is the result of that command.

Jesus the Son of Man (Illustrated Edition) Kahlil Gibran,2023-12-07 In *Jesus the Son of Man (Illustrated Edition)*, Kahlil Gibran presents a profound and eloquent exploration of Jesus' life and character through the voices of those who encountered him. Through a tapestry of poetic vignettes, Gibran expresses the thoughts and feelings of various figures, from disciples to strangers, capturing the transcendent nature of Jesus' influence. The literary style embodies Gibran's hallmark lyrical prose, blending spirituality with human experience, set against the backdrop of early 20th-century mysticism. The illustrations complement the text, adding a visual dimension that enhances the reader's connection to the profound themes of love, redemption, and humanity. Kahlil Gibran, a Lebanese-American writer, philosopher, and artist, is best known for his

monumental work, *The Prophet*. His interest in spiritual and philosophical exploration is deeply rooted in his multicultural upbringing and experiences with both Eastern and Western ideals. Gibran's own grappling with faith and existence informs his empathetic portrayal of Jesus, as he seeks to bridge cultural divides and elucidate universal truths that transcend specific religious dogmas. *Jesus the Son of Man* is an essential read for anyone seeking a deeper understanding of Jesus' impact on humanity, beautifully articulated through Gibran's unique lens. This book invites readers to ponder their own beliefs and emotional responses to one of history's most significant figures and is a poignant addition to any literary or spiritual library.

Jesus the Son of Man Kahlil Gibran, 2007-12-01 Kahlil Gibran (1883-1931) was a Lebanese American of Assyrian descent, an artist, poet and writer. He was born Gibran Khalil Gibran in Lebanon (at the time a Syrian Province of the Ottoman Empire) and spent much of his productive life in the United States. While most of Gibran's early writings were in Syriac and Arabic, most of his work published after 1918 was in English. Gibran also took part in the New York Pen League, also known as the immigrant poets (al-mahjar), alongside other important Lebanese American authors such as Ameen Rihani (the father of Lebanese American literature), Mikhail Naimy and Elia Abu Madi. Gibran's best-known work is *The Prophet*, a book composed of 26 poetic essays, first written in English in 1923. *The Prophet* remains famous to this day, having been translated into more than 20 languages. Other works in English include: *Spirits Rebellious*, (1908), *The Broken Wings* (1912), *A Tear and a Smile* (1914), *The Forerunner* (1920), *Sand and Foam* (1926), *Jesus the Son of Man* (1928), *The Earth Gods* (1929), *The Wanderer* (1932) and *The Garden of the Prophet* (1933).

The Expression Son of Man and the Development of Christology Mogens Mueller,2014-10-20 'Son of Man' is practically the only self-designation employed by Jesus himself in the gospels, but is used in such a way that no hint is left of any particular theological significance. Still, during the first many centuries of the church, the expression as it was reused was given content, first literally as signifying Christ's human nature. Later 'Son of Man' was thought to be a christological title in its own right. Today, many scholars are inclined to think that, in an original Aramaic of an historical Jesus, it was little more than a rhetorical circumlocution, referring to the one speaking. Mogens Müller's 'The Expression 'Son of Man' and the Development of Christology: A History of Interpretation' is the first study of the 'Son of Man' trope, which traces the history of interpretation from the Apostolic Fathers to the present, concluding that the various interpretations of this phrase reflect little more than the various doctrinal assumptions held by its interpreters over centuries.

Jesus: The Son of Man Mounir R. Saadah,2005-06-14 JESUS, THE SON OF MAN imaginatively melds the little that is known about the life of Jesus with historical fiction. The result is a beautiful story of the life and times of Jesus Christ. Mounir Sa'adah has lived a good deal of his life in the lands so beloved to Jesus. His life has been steeped in Christianity. His creative mind transitions back and forth so skillfully from what is known to what might have been that the reader is unaware of the transfer. The result is a lovely story that should warm the heart of its readers. It will reward all those who read its pages. Robert H. Linnell, Professor Emeritus, University of Southern California former Professor, American University of Beirut. Lebanon

Jesus the Son of Man Khalil Gibran, 1954-01-01 Upon a day in the spring of the year Jesus stood in the market-place of Jerusalem and He spoke to the multitudes of the kingdom of heaven. And He accused the scribes and the Pharisees of setting snares and digging pitfalls in the path of those who long after the kingdom; and He denounced them. Now amongst the crowd was a company of men who defended the Pharisees and the scribes, and they sought to lay hands upon Jesus and upon us also. But He avoided them and turned aside from them, and walked towards the north gate of the city. And He said to us, My hour has not yet come. Many are the things I have still to say unto you, and many are the deeds I shall yet perform ere I deliver myself up to the world. Then He said, and there was joy and laughter in His voice, Let us go into the North Country and meet the spring. Come with me to the hills, for winter is past and the snows of Lebanon are descending to the valleys to sing with the brooks.

Jesus the Son of Man KHALIL. GIBRAN, 2017-08-08 Gibran's unconventional re-telling of the story of Jesus offers us a glimpse of how Christ might have been perceived by those around Him. Seventy-seven of Jesus' contemporaries, historical and fictional, each describe their view of Him, among them Mary Magdalene, Pontius Pilot and the mother of Judas. On a par with The Prophet.

Son of Man Susan Easton Black, 2001 The third volume in this popular series chronicles the final week of the life of Jesus Christ in magnificent paintings and inspiring text. With pen and brush, author and artist combine talents to portray the triumphal entry of Jesus into Jerusalem, his sufferings for the sins of mankind, and his glorious resurrection. In so doing, they share a significant and marvelous account of the ministry of the Son of God. Author Susan Easton Black and artist Liz Lemon Swindle once again share an artistic narrative glimpse of the mortal ministry of Jesus Christ. They chronicle how he took upon himself the sorrows of humankind and overcame death. They depict familiar Bible scenes but also share a vision of

Christ as a legend, a revolutionary, and a man who walked the earth and lived as part of his native community. King of Kings is ultimately a story of love, forgiveness, and redemption.
