Sacrifice--Experience a Deeper Way to Love Josh McDowell,Sean McDowell,2012-02-01 Sacrifice—Experience a Deeper Way to Love digs into the truth about Christ's atonement. The truth that Christ had to die to purchase our salvation shows the true meaning of love—and how God can bring us into a right relationship with him in spite of our sin. Series copy An entire generation of young Christians—along with millions of older believers—is confused about what they believe, why they believe it, and how it's relevant. The Unshakable Truth Journey® Growth Guides are a series of 12 courses designed

especially for churches, church classes, and small groups. They get to the heart of what being a true follower of Christ means and what knowing Christ is all about. Each five-session guide is based one of 12 core truths of the Christian faith presented in Josh and Sean McDowell's book *The Unshakable Truth*®. Orthodox, hard-hitting, and relevant, these guides uniquely positioned for today's culture because they highlight how Christianity's beliefs affect relationships; promote a relational, group context in which Christians can experience the teaching in depth; and show believers how they can live out Christianity's central truths before their community and world. More than just a program, *The Unshakable Truth Journey*® Growth Guides are a tool for long-term change and transformation!

Beyond the Brady Bunch Debbie Alsdorf, Ray Alsdorf, 2010-08-01 A message of hope for blended families, from a couple who have been in the trenches - and made it. Blending a family is far more messy and complicated than any television show portrays. *Beyond the Brady Bunch* is a heart book, not a how-to book. Christians who find themselves in the midst of step-family life often feel hopeless and far from God, struggling with grief and unforgiveness. From personal experience the authors have found that all the how-to steps in the world don't work if there isn't first a heart change. Speaking with honesty and vulnerability they share their own mistakes and how God dealt with their hearts. The book will help stretch hearts, minds and homes past the image of "perfect" and another "happily ever after" into the hope of God's promise to restore, heal and rebuild.

Marriage and a Glass of Wine William Mitcham D. Min. LMFT, 2022-09-25 *Marriage and a Glass of Wine—Plus 180 Marital Enhancers* provides pointers on how to nurture a healthy marriage. William Mitcham, an ordained Lutheran pastor and longtime, family and couple's therapist, reveals how to boost the quality of your marriage or your relationship with a significant other who may become your spouse. The title alludes to the fact that when they sit to talk, many couples sip a glass of wine. Sometimes, however, they fail to appreciate that the words they exchange can make a big difference in the quality of their marriage. The enhancers in this book will help you: • talk openly about all aspects of married life; • manage conflict effectively; • navigate the awesome task of parenting; • keep the marital fire of marriage burning. The author also examines why two people may be attracted to each other in the first place, why many marriages become unglued, why living

together before marriage increases the risk of divorce, the characteristics of a strong marriage, and to watch out for various ways to kill a marriage. Nurture a healthy marriage that is pleasing to the eyes of God with the lessons and insights in this guide to enjoying a permanent union.

I Love You Because I Love You Sharon Joyce S. Valdez , Hector Martin I. Valdez,2021-03-06 Dreams and aspirations, triumphs, and failures are aspects of family life that we normally encounter. The way we react and interpret those moments are greatly influenced by societal standards. But what if our family mechanics do not conform to the “norm” of our society? What are we going to do? Where do we start? How do we face the perception of other people? How do we counter our own biases? Living with a family member with Autism Spectrum Disorder (ASD) does not conform to the norm of society. Cultural practices and traditions do not include autism in its design. The confusion and struggles of the members of the family is greatly magnified by the environment which is supposed to shelter and support it. This book is a simple record of an autism parents’ journey of discovery, struggles, and hard-earned triumphs to conquer an adversary that they cannot see but has a profound effect on the very foundation of their family. This book will give you a glimpse of the live observations and some background literature on the characteristics of a child with ASD. It will include: •Terms about ASD and their corresponding operational definitions •Proactive and creative approaches in solving obstacles •Practical teaching methods and behavioral modification techniques that may work for you •Reflections on philosophical thoughts on education related to ASD •Stories on ups and downs of taking care of a child diagnosed with ASD •Realizations on the different approaches that were used in addressing some of the profound characteristics of a child with ASD Experts are always saying that every child with ASD has unique fixations and manifestations thus there is no “one size fits all” approach. In line with this, this book may provide you with an idea or guide in approaching ASD. Although every child with ASD is unique, it may be inferred that they share similar characteristics but only different in degree of expression. Living with autism surely changes the mechanics of a family’s life but does not mean that it may hinder it to be a happy one.

Through his personable and engaging style, he reveals important life principles on such key topics as finances use of the tongue sexuality work ethic friendships No book ever written has been a better or more practical guide than Proverbs for helping fathers guide their children toward right choices and away from wrong ones. The advice of wise King Solomon remains invaluable for today’s dads struggling with the pressures of home and career responsibilities, travel, broken families, and other realities of modern

life. Merritt makes liberal use of anecdotes and stories from his own experience as the father of three children as he urges dads to take seriously their important role as leaders in their homes and their responsibility to teach godly wisdom to their children.

The Sonnets William Shakespeare, 1996-04-18 This new edition focuses on Shakespeare's Sonnets as poetry - sometimes strikingly individual poems, but often subtly interlinked in thematic, imagistic, and other groupings. The volume also addresses the many questions that cast a veil of mystery over the genesis of the poems. To what extent are The Sonnets autobiographical? What is the nature of the 'love', strongly expressed, between the 'poet', the 'youth' and the 'Dark Lady'? Can they, apart from the poet, be identified? Who is the 'rival poet'? When were The Sonnets written and in what order? What were the circumstances surrounding their publication? The volume is introduced by the sensitive critical insights of the poet and scholar, Anthony Hecht. The text, following the 1609 quarto, has been edited by Gwynne Blakemore Evans and is followed by his extensive annotation, informed by long acquaintance with Shakespeare's art. The volume as a whole will appeal to a new generation of students and poetry-lovers.

Love Spell Kristen Strassel, My grandmother promised me to a hot, cursed dragon who happens to be her mortal enemy. Why does she want me to spend the rest of my life with a man she calls 'lizard breath'? She's an enchantress and she cast a love spell over Tyson Drake fifty years ago. It failed pretty spectacularly, and he's been trapped in his human form ever since. But she's convinced I can change things. That the magic she's been teaching me about is enough to make the spell come true. Now Tyson's willing to give Gran's magic one more try and take a chance on me. I can't stop thinking about him, but will becoming Tyson's mate be enough to make him finally shift into his dragon form, or will my magic be the death of him?

The Gift Edith Eva Eger, 2020-09-15 "I will be forever changed by Edith Eger's story." —Oprah A practical and inspirational guide to stopping destructive patterns and imprisoning thoughts to find freedom and joy in life—now updated to

address the challenges of the pandemic and a world in crisis. World renowned psychologist and internationally bestselling author, Edith Eger's, powerful New York Times bestselling book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Readers around the world wrote to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain. They asked her to write another, more prescriptive book. Eger's second book, *The Gift*, expands on her message of healing and provides a hands-on guide that gently encourages readers to change the thoughts and behaviors that may be keeping them imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself: the prison within her own mind. She describes the most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. These lessons are offered through riveting and inspiring stories from her life and the lives of her patients. This new, revised edition of *The Gift* contains two new chapters that examine the invaluable insights and lessons Edie learned during the Covid-19 pandemic; a time she used to rediscover freedom even in lockdown and to enjoy the simple pleasures of life, including preparing and sharing meals with the ones we love. Edie includes recipes for some of her favorite dishes which have been updated and tested by her daughter Marianne Engle and explains how food can be a deep expression of love and connection. As readers seek to find joy and some peace in these challenging times, Eger's wisdom and heartfelt advice is as timely, and timeless, as ever and certain to resonate with Eger's devoted readers and those who have not yet found her transformational wisdom. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and greater joy in life.

A Mile in My Shoes Trevor Hudson, 2017-05-15 We can be quick to pray for people around the world in times of trauma, but has prayer become a way to avoid taking real action? Are we reluctant to be fully aware of the suffering around us? Trevor Hudson challenges us to see, hear, and respond to the needs of others, recognizing the living Christ in all things. Hudson designed an 8-day program—a pilgrimage—to help all Christians cultivate the depth of compassion Jesus demonstrated. Through this program, pilgrims learn to be present wherever they are and with whomever they meet. We seldom become more compassionate without working at it, writes Hudson. One practical way to cultivate compassion involves building the pilgrimage experience into our lives. ...The risen Christ meets us in the lives of those who suffer. Join Trevor Hudson in this exploration of how to love your neighbor as yourself and choose compassion as part of your daily life.
