The Direct Mail Solution Craig Simpson, Dan Kennedy, 2014-01-28 Fact: More commerce and wealth is created by direct mail than by any other media (true before the internet and true now) Reported in 2013 as the marketing channel that delivers the best ROI for customer acquisition and retention by Target Marketing's Seventh Annual Media Usage Forecast

survey of B2C, direct mail is surprisingly outdated and under-represented on the marketing bookshelves for small business owners — authors Simpson and Kennedy change that. Millionaire-maker Dan S. Kennedy and direct mail marketing specialist Craig Simpson urge small business owners to drive the momentum built via social media and other marketing avenues into the mailboxes of their target consumers. Unlike other direct mail marketing books on the shelf that specialize in one aspect of preparing a campaign such as copywriting or design, this comprehensive solution covers all — the organizational, technical, and creative including designing, budgeting, tracking, and assessing effectiveness. Also covered is how direct mail can be used in today's online marketing funnels. Benefiting from the authors' combined 30 years in direct marketing, business owners are given the guidelines for what works and what doesn't, illustrated by real-life business campaigns that show step-by-step how to build a results-producing promotional campaign.

Overdeliver Brian Kurtz, 2019-04-09 Brian Kurtz is the bridge connecting the bedrock fundamentals of direct response marketing to the state-of-the-art strategies, tactics, and channels of today. Overdeliver distills his expertise from working in the trenches over almost four decades to help readers build a business that maximizes both revenue and relationships. Marketing isn't everything, according to Brian Kurtz. It's the only thing. If you have a vision or a mission in life, why not share it with millions instead of dozens? And while you are sharing it with as many people as possible and creating maximum impact, why not measure everything and make all of your marketing accountable? That's what this book is all about. In the world of direct marketing, Brian Kurtz has seen it all and done it all over almost four decades. And he lives by the philosophy, Those who did it have a responsibility to teach it. Here's a small sample of what you'll learn: The 4 Pillars of Being Extraordinary The 5 Principles of why Original Source matters The 7 Characteristics that are present in every world class copywriter Multiple ways to track the metrics that matter in every campaign and every medium, online and offline Why customer service and fulfillment are marketing functions That the most important capital you own has nothing to do with money And much more Whether you're new to marketing or a seasoned pro, this book gives you a crystal-clear road map to grow your business, make more money, maximize your impact in your market, and love what you're doing while you're doing it. Kurtz takes you inside the craft to help you use all the tools at your disposal—from the intricate relationship between lists, offers, and copy, to continuity and creating lifetime value, to the critical importance of multichannel marketing and more--so you can succeed wildly, exceed all your expectations, and overdeliver every time.

StorySelling Gustavo Ferreira, Paulo Maccodo, 2023-03-10 StorySelling - A Arte das Narrativas Milionárias Este é um livro sobre emoções humanas Este é um livro sobre conexão Este é um livro sobre vendas Histórias não têm apenas o poder de entreter e encantar plateias em livros e filmes – elas fazem parte do DNA humano e são capazes de inspirar, realizar sonhos, motivar ideais e promover ação. Em um mundo com cada vez mais ruído, em uma época que as empresas precisam encontrar meios efetivos para se destacar e se comunicar com seus públicos, a arte de contar histórias se torna uma

ferramenta indispensável de conexão. Falando de vendas, histórias são capazes de superar todas as objeções inconscientes que surgem na mente dos consumidores. Assim, contar a história certa, para a pessoa certa, no momento certo, pode representar mais faturamento e mais lucro. Uma vez conectados à sua mensagem através das histórias, os consumidores não apenas confiarão em você a ponto de preferir seus produtos em vez dos produtos do concorrente, como se tornarão fiéis à sua marca. Esse é o poder que o StorySelling te dá!

Catturare l'attenzione Brendan Kane,2022-09-13T00:00:00+02:00 Ogni giorno più di sessanta miliardi di messaggi sono condivisi in Rete e ogni persona è esposta a migliaia di annunci pubblicitari. Questo bombardamento di stimoli ha cambiato la comunicazione e il mercato dei contenuti: tre secondi è il tempo a disposizione per catturare l'attenzione del pubblico. Persone e aziende con idee chiare su cosa fanno e dove vogliono arrivare faticano così a farsi notare e apprezzare, mentre prodotti e servizi eccezionali non hanno successo perché non riescono a essere comunicati in maniera efficace. Il problema è sempre lo stesso: i media digitali hanno trasformato la nostra realtà in un mondo iperveloce governato dalla microattenzione. La sfida è quindi emergere nel più breve tempo possibile. In queste pagine Brendan Kane insegna gli hook point, tecniche e strategie per aiutare i messaggi a catturare l'attenzione nei tre secondi che sono loro concessi.

Copywriting - Volume 2 Paulo Maccedo, 2020-02-19 Você sabia que sua mente tem um valor monetário? O valor dela é determinado pela quantidade de renda que produz. Mentes boas, se forem usadas da forma correta, representam uma forma segura de riqueza, mais do que aquela que se exige para comprar ou vender produtos. A mente forma um tipo de capital que

não é depreciado a zero numa crise financeira, nem pode ser roubado ou gasto. Ou seja, ninguém pode tirar essa riqueza de você. Já o dinheiro, que é tão fundamental, tem tão pouco valor quanto uma duna de areia, pois qualquer vento de mudanças pode levá-lo. A não ser, claro, que seja misturado com uma Mente de Ouro. Como ter esse tipo de mente?, você pode perguntar. Bem, o autor deste livro acredita ter descoberto a fórmula. E é justamente isso que você poderá conferir nas páginas deste livro. Este é um guia da habilidade de ouro, o maior e mais completo material sobre copywriting em língua portuguesa. Ele expõe o método-conceito com o potencial extremo de gerar lucros usado por milhares de homens e mulheres de negócios com excelentes resultados. UM AVISO: o que você está prestes a saber pode mudar completamente sua vida. A mudança poderá ser sentida em tudo. Na maneira de falar e escrever, de atrair e influenciar pessoas e, principalmente, no modo de identificar mercados e ganhar dinheiro.
