The Wrestler's Cruel Study Stephen Dobyns,1995-02-17 One hell of a book, believe me. Here we have comedy of every kind--of situation, types, manners, ideas, and language--all rolled seamlessly into one, and for the ultimate serious purpose, our sanity. It is the Supreme Fiction toward which the Twentieth century has been steadily advancing from the start.--Hayden Carruth.

While hunting his idol, a reclusive composer of ballets, Elijah is swept into a life changing summer of sex, opium, and blackmail. 4 Males, 5 Females. From the Introduction by Paula Vogel: "Elijah is in parts a seductive, elegant nocturne for the stage, and in parts a taut, comedy of menace in the vein of Patricia Highsmith."

2 A.M. at The Cat's Pajamas Marie-Helene Bertino,2014-08-05 An enchanting novel about one day in the lives of three unforgettable characters as they search for love, music, and hope on the snow-covered streets of Philadelphia. Madeleine Altamari is a smart-mouthed, rebellious nine-year-old who also happens to be an aspiring jazz singer. Still mourning the recent death of her mother, and caring for her grief-stricken father, she doesn't realize that on the eve of Christmas Eve she is about to have the most extraordinary day—and night—of her life. After bravely facing down mean-spirited classmates and rejection at school, Madeleine doggedly searches for Philadelphia's legendary jazz club The Cat's Pajamas, where she's determined to make her on-stage debut. On the same day, her fifth grade teacher Sarina Greene, who's just moved back to Philly after a divorce, is nervously looking forward to a dinner party that will reunite her with an old high school crush, afraid to hope that sparks might fly again. And across town at The Cat's Pajamas, club owner Lorca discovers that his beloved haunt may have to close forever, unless someone can find a way to quickly raise the \$30,000 that would save it. Together, Madeleine, Sarina, and Lorca will discover life's endless possibilities over the course of one magical night. A vivacious, charming and moving debut, 2 A.M. at The Cat's Pajamas will capture your heart and have you laughing out loud.

Dark & Light Michael Laser,2015-05-05 A white man and a black woman discover the depth of their differences, and an unexpected bond, in this urban drama. Edmund, long-divorced and lonely, offers shelter to Careese, who is temporarily homeless. Good intentions on both sides give way to mutual distrust and resentment, but what begins as a clash of language and culture turns into something else entirely. Told in the two distinct voices of its protagonists, this novel cuts to the bone in dissecting Edmund's and Careese's hidden prejudices, faults and strengths. As their attitudes change, their seemingly simple story becomes a complex exploration of America's unhealed wound.

Three Cousins Jessica Levine,2025-04-08 Set during the excitement and tumult of the second wave of feminism and the sexual revolution, this coming-of-age novel about female friendship in the 1970s will appeal to fans of Kristin Hannah's *Firefly Lane*. It's 1976, the second wave of feminism is in full swing, and three cousins share an apartment at Yale. Two are seniors; the third is starting graduate school. Each is seeking her own path in both love and work—but all three women, not quite knowing how to use the new freedoms available to them, alternate between supporting and undermining each other in their efforts. Julia, the most conventional of the three, wants the security of her monogamous relationship with Ben but is attracted to other men. Anna plans on traveling the world to escape her boyfriend and alcoholic mother. Robin, who is bisexual, has various partners as she dreams of open relationships. All fall under the spell of a charismatic musician, Michael, who is too wounded to be available. By the end of a year of experiments and necessary mistakes, the cousins will make crucial decisions that will determine the course of the rest of their lives. This prequel to Levine's first two critically acclaimed novels, *The Geometry of Love* and *Nothing Forgotten*, dramatizes the struggles that women have faced and continue to face while entering adulthood in a world not quite ready to accept them as equals.

No Way Out of This Sue Fagalde Lick,2025-07-30 *No Way Out of This* is not the kind of Alzheimer's memoir where you read about a noble, self-sacrificing wife who gives up everything to take care of her husband. We see such spouses in books and movies—but they're not telling the whole story. Nobody's that good. Certainly Sue Lick isn't. Sue's much-older husband, Fred, is a forgetful man. She's always found that charming. But when his absentmindedness worsens into full-blown dementia, she suddenly finds herself dealing with his illness alone. Struggling to care for Fred and manage their two loveable but incorrigible dogs and still find time to write and play music, Sue constantly faces impossible choices. Tell people about his illness? Let him drive? Put him in an institution? Treat his medical problems, or let him go? Every decision feels wrong—but in the end, their love carries them through it all. More than 6 million Americans suffer from dementia. One in three seniors have it. Add in the spouses, siblings, adult children, and professionals responsible for their care, and we all

have a stake in this story. While some caregivers have loving families to support them and enough money to pay for the best care, more often the situation is a lot messier. Here the author, a longtime journalist, tells the truth about nursing homes, Medicaid, mental health, and more.

The Devil's Music Jane Rusbridge, 2009-07-06 _____ 'This intricately structured, brilliantly observed modern take on a family saga is both passionate and moving and the prose snaps, crackles and pops with gorgeous detail' - Lesley Glaister 'Vividly and intensely written' - Jane Rogers, author of Mr Wroe's Virgins 'Pure pleasure to read' - Kathy Page, author of The Story of My Face 'A sharp exposé of the devastating effects of the taboos that govern motherhood ... This story is fresh, vivid - and startlingly contemporary' - Alison MacLeod, author of The Changeling _____ A haunting, lyrical story of love, betrayal, and family secrets buried in the shifting landscape of memory It is 1958 and the Sputnik satellite has taken a dog up into space; back on earth, five-year-old Andy has a new sister, Elaine - a baby who, his father insists, is 'not quite all there'. While his parents argue over whether or not to send Elaine away, Andy sleeps beside her cot each night, keeping guard and watching as his mother - once an ambitious, energetic nurse - twists away into her private, suffocating sadness. Knots keep treasures safe, Andy's rope-maker grandfather tells him, and, as he listens to stories of the great Harry Houdini, Andy learns the Carrick Bend, the Midshipman's Hitch and the Monkey's Fist. Then a young painter, hired to decorate the family's house, seems to call Andy's mother back from the grief in which she is lost. But one day, at The Siding - the old railway carriage that serves as the family's seaside retreat - Andy is left in charge of his baby sister on a wind-chopped beach, where he discovers that not all treasures can be kept safe for ever. Three decades later Andrew returns from self-imposed exile to The Siding, the place where his life first unravelled. Looking back on the broken strands of his childhood, he tries, at last, to weave them together, aided by his grandfather's copy of The Ashley Book of Knots and the arrival of a wild-haired, tango-dancing sculptor - a woman with her own ideas about making peace with the past.

The Road to Fort Worth Michael Jackson Smith, 2010-10-31 The Road To Fort Worth (Second Edition 2019) is the story of Jack Wendell's journey through the hinterlands of alcoholism, agoraphobia, and panic disorder into recovery. The narrative begins with Jack's first anxiety attack, continuing with a series of episodes that take him on a walk into an alternate universe of madness. Overwhelmed by terror and the urgency of leaving the tormenting hell that embraced him, he discovers the sedative, calming effects of alcohol. He was like a sailor lost in the fog, always seeking a safe harbor, but unable to navigate a perilous sea. He lived on his wits to find a roof to shelter him and enough drinks to render him unconscious day after day. He knew that there was no solution to the panic that engulfed him until the day he stumbled into Fort Worth. If you have a co-existing emotional disorder, you'll understand Jack's dilemma. If you're an alcoholic or one of the five people adversely affected by an alcoholic, you'll gain a new understanding of his plight. You'll never again look at alcoholism in the same light.

You'll understand that a few simple principles are the key to recovery. You'll learn that it's easier to get sober than to stay sober, and that it's possible to arrive on the other side of the overwhelming obsession to drink without drinking. If you're a victim of panic disorder, you'll learn that one's internal dialogue has a large impact on panic attacks, and that a few cognitive restructuring techniques will help to ease and dissipate the episodes with practice. After reading *The Road To Fort Worth*, you'll have discovered how to avoid some of the pitfalls that enslaved Jack and how to begin to recover from two devastating diseases. Stradella's Revenge Robert Tell, 2016-02-29 Who is killing classical composers all over America? A serial killer is on the loose and Harry Grouch must find out why and catch the murderer. *Stradella's Revenge* is based on the real life conflicts of two 17th century Italian composers, Tomaso Albinoni and Alessandro Stradella. It is the third in the entertaining Harry Grouch Detective Series that includes *The Witch of Maple Park* and *Nanobe*. Dr. Tomaso Albinoni, a Medical Microbiologist at Bard Memorial Hospital (and a descendant of the baroque composer with the same name) hires Harry Grouch and Associates to investigate anonymous death threats. Could they be related to an unsolved series of recent murders of other composers? Harry discovers that in Tom Albinoni's case they may be revenge threats coming from a descendant of Alessandro Stradella, a composer who was assassinated in 1682, possibly by one of Albinoni's ancestors. These were real and talented composers whose music is often heard and celebrated today. Flashbacks to 1682 reveal what really happened. Stradella was a blessed composer and a cursed personality, a cad, a womanizer, and an embezzler from the church. Some would probably say he deserved assassination. The current day Albinoni is stalked by the current day Stradella. Harry Grouch investigates using clues from the composer's music. What is driving the modern day Stradella and will Harry catch him in time?

Deeds of Destiny Michael Casher, 2006-01-25 Michael Casher's fifth novel ventures into the unseen realm of manipulative beings who help shape Earth's history for an unnamed higher power. When Harlan Trotter, an unemployed factory worker, is charged with the murder of his former best friend – a crime he would never commit – he seriously doubts if life is always what you make of it. His suspicions are aroused when things quickly go from bad to worse without any effort on his part and his eyes are soon opened to the fact that a lot of his bad luck is someone else's doing. But whose? In the ensuing battle between the guardians of fate and the human will, he discovers exactly who and what are the true masters of human destiny. With the help of Belle Summer, the beautiful but eccentric Deputy Coroner who believes in his innocence, Trotter's life is transformed from that of "prey" into "predator" as he and Belle search together for answers and "hunt down" the elusive denizens of Earth's invisible underworld.

Weldon Kees and the Midcentury Generation Weldon Kees, 2003-06-01 Before he vanished in the fog of San Francisco, Weldon Kees (1914-55) was a poet, storyteller, critic, painter, musician, and filmmaker. What remains is a body of work and a large collection of letters that shed light on Kees's complex personality. Robert E. Knoll traces the odyssey of a Nebraska boy who made his way in a fiercely competitive national scene, befriending the movers and shakers of the art worlds on both coasts. Kees's letters—satirical, witty, poetic, gossipy, intensely individual—provide the feel of lives being lived, of a career going forth, and finally, of the darkness that engulfed him when, in Knoll's phrase, he was ten minutes from triumph.
