

Moon Blooded Breeding Clinic

James McKeen Cattell, Jacques Cattell

Moon Blooded Breeding Clinic C. M. Nascosta, 2022-08-27 Moon Blooded Breeding Clinic offers a unique service - trigger a heat, and breed with a werewolf in a controlled setting, right before the full moon. Their success rates are higher than multi-species IVF, cheaper than adoption, and more enjoyable than most trips to a clinic. When Moriah picks a handsome, dark-haired werewolf out of a catalog, it seems as easy as buying a pair of shoes. She doesn't count on liking him. He's funny, he's sexy, and once she takes his knot, Moriah isn't sure if she'll ever be able to see their relationship as a transaction. When Lowell gets the call that he's been chosen by a clinic patient, all he's looking forward to is scratching a physical itch and possibly unlocking a new medical kink. Catching feelings is not part of the contract. But when he meets the gorgeous little redhead who's picked him, walking away from her after he's fulfilled his end of the contract is harder than he thought. Hard to think of leaving . . . and it's not the only thing she makes hard.
