Sick in the Head Judd Apatow, 2015-06-16 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE A.V. CLUB • Includes new interviews! From the writer and director of *Knocked Up* and the producer of *Freaks and Geeks* comes a collection of intimate, hilarious conversations with the biggest names in comedy from the past thirty years—including Mel Brooks, Jerry Seinfeld, Jon Stewart, Sarah Silverman, Harold Ramis, Seth Rogen, Chris Rock, and Lena Dunham. Before becoming one of the most successful filmmakers in Hollywood, Judd Apatow was the original comedy nerd. At fifteen, he took a job washing dishes in a local comedy club—just so he could watch endless stand-up for free. At sixteen, he was hosting a show for his local high school radio station in Syosset, Long Island—a show that consisted of Q&As with his comedy heroes, from Garry Shandling to Jerry Seinfeld. They talked about their careers, the science of a good joke, and their dreams of future glory (turns out, Shandling was interested in having his own TV show one day and Steve Allen had already invented everything). Thirty years later, Apatow is still that same comedy nerd—and he’s still interviewing funny people about why they do what they do. *Sick in the Head* gathers Apatow’s most memorable and revealing conversations into one hilarious, wide-ranging, and incredibly candid collection that spans not only his career but his entire adult life. Here are the comedy legends who inspired and shaped him, from Mel Brooks to Steve Martin. Here are the contemporaries he grew up with in Hollywood, from Spike Jonze to Sarah Silverman. And here, finally, are the brightest stars in comedy today, many of whom Apatow has been fortunate to work with, from Seth Rogen to Amy Schumer. And along the way, something kind of magical happens: What started as a lifetime’s worth of conversations about comedy becomes something else entirely. It becomes an exploration of creativity, ambition, neediness, generosity, spirituality, and the joy that comes from making people laugh. Loaded with the kind of back-of-the-club stories that comics tell one another when no one else is watching, this fascinating, personal (and borderline-obsessive) book is Judd Apatow’s gift to comedy nerds everywhere. Praise for *Sick in the Head* “I can’t stop reading it. . . . I don’t want this book to end.”—Jimmy Fallon “An essential for any comedy geek.”—Entertainment Weekly “Fascinating . . . a collection of interviews with many of the great figures of comedy in the latter half of the twentieth century.”—The Washington Post “Open this book anywhere, and you’re bound to find some interesting nugget from someone who has had you in stitches many, many times.”—Janet Maslin, The New York Times “An amazing read, full of insights and connections both creative and interpersonal.”—The New Yorker “Fascinating and

revelatory.”—Chicago Tribune “Anyone even remotely interested in comedy or humanity should own this book.”—Will Ferrell

Sicker in the Head Judd Apatow, 2022-03-29 NEW YORK TIMES BESTSELLER • An all-new collection of honest, hilarious, and enlightening conversations with some of the most exciting names in comedy—from lifelong comedy nerd Judd Apatow. “When I need to read an interview with a comedian while in the bathroom, I always turn to Judd Apatow for deeply personal insights into the comedic mind. Place one on your toilet today.”—Amy Schumer ONE OF THE BEST BOOKS OF THE YEAR: Vulture No one knows comedy like Judd Apatow. From interviewing the biggest comics of the day for his high school radio show to performing stand-up in L.A. dive bars with his roommate Adam Sandler, to writing and directing *Knocked Up* and producing *Freaks and Geeks*, Apatow has always lived, breathed, and dreamed comedy. In this all-new collection of interviews, the follow-up to the New York Times bestselling *Sick in the Head*, Apatow sits down with comedy legends such as David Letterman, Whoopi Goldberg, and Will Ferrell, as well as the writers and performers who are pushing comedy to the limits, and defining a new era of laughter: John Mulaney, Hannah Gadsby, Bowen Yang, Amber Ruffin, Pete Davidson, and others. In intimate and hilariously honest conversations, they discuss what got them into comedy, and what—despite personal and national traumas—keeps them going. Together, they talk about staying up too late to watch late-night comedy, what kind of nerds they were in high school, and the right amount of delusional self-confidence one needs to “make it” in the industry. Like eavesdropping on lifelong friends, these pages expose the existential questions that plague even the funniest and most talented among us: Why make people laugh while the world is in crisis? What ugly, uncomfortable truths about our society—and ourselves—can comedy reveal? Along the way, these comics reminisce about those who helped them on their journey—from early success through failure and rejection, and back again—even as they look ahead to the future of comedy and Hollywood in a hyper-connected, overstimulated world. With his trademark insight, curiosity, and irrepressible sense of humor, Apatow explores the nature of creativity, professional ambition, and vulnerability in an ever-evolving cultural landscape, and how our favorite comics are able to keep us laughing along the way.

Sick in the Head Summary Station, 2015-09-05 Learn About What Makes Great Comedy In A Fraction Of The Time It Takes To Read The Actual Book!!! Today only, get this 1# Amazon bestseller for just \$2.99. Regularly priced at \$9.99. Read on your PC, Mac, smart phone, tablet or Kindle device Judd Apatow, the comedic mastermind behind films like *Knocked Up*, *Funny People*, and most recently *Trainwreck*, starts his book of interviews by telling us why his obsession over comedy never faltered during the course of his life. He grew up watching comedic greats like Steve Martin and George Carlin, and their talent inspired a love affair for comedy that only grew as time went on. The 1970s especially stuck with Apatow, and performances from Richard Pryor and the Monty Python gang, as well as the classic show *Saturday Night Live*, cemented Judd's loyalty to comedy and enabled him to decide early on what he wanted to do with his life—he wanted to make people laugh. Negative experiences in his early life also prompted Judd to seek comfort in comedy. He notes quite openly that he was

a somewhat angry kid who did not understand life or the world around him very much. His parents divorced and he was a loner in school. In fact, he explains that he truly was picked last for gym class-all the time. He was small and quiet, and this further distanced him from those around him. However, instead of letting this ruin him, he decided he was the cool one and everyone else had the problem. He concentrated on comedy more and more and he knew, without a doubt, that it filled a void in his life while also making him feel less weird and less alone. In the world of comedy, the funny guys were in charge and Apatow wanted to immerse himself in the comedic circuit permanently. Summary of Judd Apatow's Sick in the Head Everest Media,2022-05-27T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I met Adam Sandler when I was in my early twenties. He was known at that time as the stud man from the MTV game show Remote Control. He was an extremely original and gifted comedian. I knew that Adam was going to rule comedy one day. #2 Judd and Charlie were roommates when they moved to Los Angeles. Judd went to USC cinema school for a year and a half, and then he ran out of money and interest. He began working at the Improv in Los, and then he moved to L. A. and became friends with Adam. #3 Judd Apatow wanted to make a movie with Adam Sandler, and he wanted to make it personal because they knew each other so well. He wanted to tap into the comedians' world he had learned about in his notebook. #4 Judd's idea was to write a movie about a man who is sick with a terminal illness and how he realizes that he is more comfortable being sick than when he gets better. He wanted to fabricate something and then let the emotional life of the movie rule the day.

Knowledge and Rhetoric in Medical Commentary John Z Wee,2019-12-09 Knowledge and Rhetoric in Medical Commentary is intended for historians of medicine and interpretation, and explores the dynamic between scholastic rhetoric and medical knowledge in ancient commentaries on a Mesopotamian Diagnostic Handbook. In line with commentators' self-fashioning as experts of diverse disciplines, commentaries display intertextuality involving a variety of lexical, astronomical, religious, magic, and literary compositions, while employing patterns of argumentation that resist categorization within any single branch of knowledge. Commentators' choices of topics and comments, however, sought to harmonize atypical language and ideas in the Handbook with conventional ways of perceiving and describing the sick body in therapeutic recipes. Scholastic rhetoric—supposedly unfettered to any discipline—served in fact as a pretext for affirming current forms of medical knowledge.
