The Only Purple House in Town Ann Aguirre, 2023-07-11 From New York Times bestselling author Ann Aguirre comes the magical town of St. Claire, where anything is possible... Iris Collins is the messy one in her family. The chaos bunny. Her sisters are all wildly successful, while she can't balance her budget for a single month. It's no wonder she's in debt to her roommates. When she unexpectedly inherits a house from her great aunt, her plan to turn it into a B&B fails—as most of her plans do. She winds up renting rooms like a Victorian spinster, collecting other lost souls...and not all of them are human. Eli Reese grew up as the nerdy outcast in school, but he got rich designing apps. Now he's successful by any standards. But he's never had the same luck in finding a real community or people who understand him. Over the years, he's never forgotten his first crush, so when he spots her at a café, he takes it as a sign. Except then he gets sucked into the Iris-verse and somehow ends up renting one of her B&B rooms. As the days pass, Eli grows enchanted by the misfit boarders staying in the house...and even more so by Iris. Could Eli have finally found a person and a place to call home?

Bears Behaving Badly MaryJanice Davidson, 2020-03-31 We're not dating, we've never been dating, we're not going to hook up, no way, absolutely not...oh. Oops. My primary focus has always been taking care of were-babies in the interspecies foster care system. I am unapologetically a fierce mama bear shifter and I am completely united with my team behind protecting at-risk were-children. So I have no idea why the appealing scruffy bear shifter PI David Auberon keeps hanging around, asking for sweets, and being charming and flirty. I've certainly got no time for shy solitary bears who can't ask for what they want. But what am I to do when a hideous bad guy shows up and I need to rescue a were-baby, except call on the skills of the handsome and growly PI? And if dodging enemies puts us in a tight spot...well, I'm not against tight spots. Praise for MaryJanice Davidson: Slow-burn sexual tension and playful paranormal elements make this hilarious, sizzling romance perfect for fans of Kresley Cole's Immortals After Dark series.—Publishers Weekly STARRED REVIEW Davidson is in peak

The Purple Land William Henry Hudson, 2023-12-18 In 'The Purple Land,' William Henry Hudson crafts a rich tapestry of life in the vast, untamed landscapes of Argentina. This semi-autobiographical novel weaves together elements of adventure, romance, and philosophical reflection, capturing the essence of both the land and its people. With its evocative prose and lyrical descriptions, Hudson paints a vivid picture of the stark beauty of the Pampas, exploring themes of isolation, longing, and the complex interplay between civilization and nature. His narrative style, reminiscent of the pastoral tradition, invites readers to ponder the profound connections between man and the earth. William Henry Hudson, an expatriate Englishman who settled in Argentina, drew upon his personal experiences and deep affinity for the landscape when creating this work. His portrayals reflect his extensive knowledge of natural history and his passion for the region, influenced profoundly by his connection to the culture and people of Argentina. Hudson's insights into societal issues and human relationships emerge from his own observations, rendered with a sensitivity only an insider can possess. 'The Purple Land' is a must-read for those fascinated by the intersection of nature and narrative, as well as for lovers of classic literature seeking to explore themes of identity and belonging. Hudson's lyrical journey invites readers to reflect on their own relationship with the world, offering both adventure and introspection on every page.

The Purple Land: The Adventures of Richard Lamb William Henry Hudson, 2020-12-17 Richard Lamb travels through Banda Oriental (Uruguay) to find himself a perfect job and a perfect girl while his wife back home is totally oblivious to his colourful and often comic misadventures. Richard finds himself in various tricky spots, amongst natives and eventually comes to an important realisation—English imperialism is bad for this place! Jorge Luis Borges dedicated an essay to The Purple

Land in his book *Other Inquisitions*. He compared Hudson's novel to the *Odyssey* and described it as perhaps the best work of gaucho literature. Ernest Hemingway also famously referred to Hudson's book in his novel *The Sun Also Rises*. Excerpt: Three chapters in the story of my life—three periods, distinct and well defined, yet consecutive—beginning when I had not completed twenty-five years and finishing before thirty, will probably prove the most eventful of all. To the very end they will come back oftenest to memory and seem more vivid than all the other years of existence—the four-and-twenty I had already lived, and the, say, forty or forty-five—I hope it may be fifty or even sixty—which are to follow. For what soul in this wonderful, various world would wish to depart before ninety! The dark as well as the light, its sweet and its bitter, make me love it...

The Purple Land W. H. Hudson, 2025-03-05T03:32:46Z The Englishman Richard Lamb is forced to flee to Montevideo, Uruguay after marrying an Argentinian girl without her father's permission. When he's unable to find work in the city, he curses the country and its inhabitants, wishing that it was still ruled by England. Looking for work in the countryside, he

finds adventure and romance while reexamining his beliefs about freedom and civilization. The Purple Land is W. H. Hudson's first novel. Ill-received by both critics and the public when first published, it was reevaluated in later years, with Jorge Luis Borges saying that it was "perhaps unexcelled by any work of Gaucho literature." Hudson was raised in the Argentine pampas, where he spent his youth studying the local flora and fauna. In 1874 he moved to England, and was shocked by the ecological changes that industrialization had brought; this contrast helped inform the background of The Purple Land. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Message Prayerful Reading Bible: Luke & Acts (Softcover, Purple) Eugene H Peterson, 2021-09-07 Slow Down and Connect with God The Bible in contemporary language is placed here alongside the ancient Christian practice of lectio divina, or sacred reading. You'll enter the text of Scripture more fully than ever before and come out of each prayerful reading with a fresh encounter with our loving God, ready to live in the way of Jesus. A perfect resource for your devotional quiet time. This New Testament Bible portion includes the complete books of Luke and Acts. It introduces readers to the timeless practice of lectio divina and provides guided reflection. There is also ample space for journaling your observations, reflections, and prayers. Here are the steps of lectio divina to help you slow down and meet God: Stop: Take a moment to stop and prepare to encounter God. Read: Do a first reading and make observations of the text. Ponder: Read the text again and meditate on its meaning. Pray: Begin a conversation with God about this Scripture. Reflect: Take note of what this time with God has brought to the surface for you. Live: Consider how this time with God translates into our life with God.

Purple Palette for Murder R.J. Harlick, 2017-10-14 With her husband under arrest for murder and Meg desperate to prove his innocence, she flies to Yellowknife, where a tangled web of family secrets and greed awaits her. Meg Harris is forced to leave the sanctuary of Three Deer Point and fly to Yellowknife, where her stepdaughter lies near death and her husband is in jail for killing a man. Expecting to find Eric shouting his innocence, she instead finds him cowed and willing to do hard time. But Meg doesn't believe he's guilty. Convinced that there's more to the murder victim — and the attack on her stepdaughter — than the police think, Meg finds herself on a sordid trail of family secrets and greed, hoping she can prove her husband's innocence. Fragments of an ancient embroidery lead her to a remote Dene hunting camp, where all is not what it seems.
