Shannon has created a world rich in intricate mythology, beautifully realized and complex." -Jennifer Saint, bestselling author of Ariadne In A Day of Fallen Night, Samantha Shannon sweeps readers back to the universe of Priory of the Orange Tree and into the lives of four women, showing us a course of events that shaped their world for generations to come. Tunuva Melim is a sister of the Priory. For fifty years, she has trained to slay wyrms - but none have appeared since the Nameless One, and the younger generation is starting to question the Priory's purpose. To the north, in the Queendom of Inys, Sabran the Ambitious has married the new King of Hróth, narrowly saving both realms from ruin. Their daughter, Glorian, trails in their shadow - exactly where she wants to be. The dragons of the East have slept for centuries. Dumai has spent her life in a Seiikinese mountain temple, trying to wake the gods from their long slumber. Now someone from her mother's past is coming to upend her fate. When the Dreadmount erupts, bringing with it an age of terror and violence, these women must find the strength to protect humankind from a devastating threat.

El priorato del naranjo Samantha Shannon, 2019-09-19 Un mundo dividido. Un reino sin su heredera. Un antiguo enemigo se despierta... La Casa de Berethnet ha gobernado Inys durante mil años. Aún sin casar, la reina Sabran IX debe concebir

una hija para proteger a su reino de la destrucción. Pero los asesinos cada vez están más cerca. Ead Duryan es una intrusa en la corte. A pesar de que se ha posicionado como dama de compañía, es leal a una sociedad oculta de magos. Ead vigila a Sabran, protegiéndola en secreto con magia prohibida. Al otro lado del mar oscuro, Tane ha entrenado toda su vida para ser una jinete de dragón, pero se ve obligada a tomar una decisión que podría romper su vida en añicos. Mientras tanto, el Este y el Oeste siguen divididos. Cada región tiene una religión diferente basada en los sucesos acaecidos mucho tiempo atrás. Global Medievalism Helen Young, Kavita Mudan Finn, 2022-10-06 The typical vision of the Middle Ages western popular culture represents to its global audience is deeply Eurocentric. The Lord of the Rings and Game of Thrones imagined entire medievalist worlds, but we see only a fraction of them through the stories and travels of the characters. Organised around the theme of mobility, this Element seeks to deconstruct the Eurocentric orientations of western popular medievalisms which typically position Europe as either the whole world or the centre of it, by making them visible and offering alternative perspectives. How does popular culture represent medievalist worlds as global-connected by the movement of people and objects? How do imagined mobilities allow us to create counterstories that resist Eurocentric norms? This study represents the start of what will hopefully be a fruitful and inclusive conversation of what the Middle Ages did, and should, look like.

The Five Orange Pips and Other Cases Arthur Conan Doyle, 2012-08-30 'He is the Napoleon of crime, Watson ... Nuns Across the Orange: A History of the Pioneering Anglican Community of St Michael and All Angels, Bloemfontein Michael Sparrow, 2021-04-21 When Sister Emma and the five women who accompanied her from England crossed the Orange River early in 1874, they exchanged the comfortable mainstream of Anglican Church life for the rigours of pioneering new works in an undeveloped country. Living conditions were primitive, travel was hard, and money was always in short supply. The newly-formed Community of St Michael and All Angels opened the first girls' schools north of the Orange and the first hospital in the Free State. At Kimberley, Sister Henrietta achieved a world first through her successful campaign for the State Registration of nurses. Four Sisters were besieged in Kimberley during the Anglo-Boer War, and in Bloemfontein their Mother House became a military hospital. By faith and determination the Community recovered. St Michael's School was raised to new standards of excellence, while the Sisters expanded their mission to include Lesotho and the eastern Free State. Decades of work with Bloemfontein's sick and deprived led to Sister Enid becoming known as Ma Mohau (Mother of Mercy), and to national acclaim in the 1970s as South Africa's Mother Teresa. This book studies the development of the Community's religious life, and charts the progress of their work among all races from their foundation until the death of the last Sister in 2016. Across the Orange, their relative isolation from the strong centres of Anglicanism eventually contributed to their demise, but not before they had established an enduring legacy. The work they began in Lesotho is continued by the Community of the Holy Name, while St Michael's School in Bloemfontein is recognised as one of the finest girls' schools in South Africa.

Mount Grace Priory: Excavations of 1957-1992 Glyn Coppack, Laurence Keen, 2019-10-15 Owned by the National Trust and managed by English Heritage, Mount Grace Priory in North Yorkshire, established in 1398 and suppressed in 1539, was

one of only nine successful Carthusian monasteries in England and one of the best-preserved medieval houses of that order in Europe. First excavated by Sir William St John Hope in 1896-1900 and in state guardianship since 1955 it is acknowledged as a type site for late-medieval Carthusian monasteries. The modern study of Mount Grace began in 1957 when Hope's interpretation of the monks' cells about the great cloister was found to be simplistic. This was followed between 1968 and 1974 by the excavation of individual monks' cells in the west range of the great cloister and two cells in the north range, together with their gardens, areas not excavated by Hope. The examination of the monks' cells was completed in 1985 by the excavation of the central cell of the north cloister range, together with its garden and the cloister alley outside the cell. The cultural material recovered from these cells indicated the 'trade' each monk practiced, predominantly the copying and binding of books. Because each cell was enclosed by high walls, the pottery and metalwork recovered could be identified to an individual monk. In 1987 English Heritage commissioned the re-excavation of two areas that had been examined by Hope, the water tower in the great cloister and the prior's cell, refectory and kitchen in the south cloister range and the guest house in the west range of the inner court. The contrast between this semi-public area of the monastery and the monks' cells was dramatic. Coupled with this excavation was a reappraisal of the architectural development of the monastery and reconstruction of lost structures such as the cloister alley walls and the central water tower.

Mary Magdalene, Princess of Orange Ralph Ellis, Mary Magdalene - Princess of the Dutch House of Orange. Did Mary Magdalene travel to Provence, in France? Ralph Ellis follows the trail of mythology and reveals compelling circumstantial evidence that she did, and that her presence there has left its mark on the history of the region. In addition, Ralph suggests that the legacy of Mary Magdalene was bequeathed upon the city of Orange in southern France, the city that was central to the Royal Dutch House of Orange, and thus central to the entire Reformation and Enlightenment movement. The book then goes on to explore the Orange Enlightenment and the Age of Reason, the twin religious reforms that created the modern rational and technical world that we live in today. But this era of rationality and reason is now threatened by forces of darkness that seek to extinguish the gains of the Enlightenment. Will the twin fundamentalist forces of Environmentalism and Islam take us back to the Dark Ages, and into a new era of fear, ignorance and oppression? In this section, Ralph Ellis tackles some ancient and modern taboos, with his characteristic hard-hitting style; each and every politically-correct stone is overturned, in this robust defence of the intellectual freedoms of the Enlightenment. An addendum to the 'King Jesus Trilogy'. Version v12.9 Only Apple readers can view the video clips in this book.
