Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

The Pianomaker , 1956

Easy Out Janey Morse, 2000-06-15 Following the success of the Erie Canal many towpath canals were constructed throughout the United States. This colorful era became an important link in America's evolving transportation network. The Morris Canal, the canal that climbed the mountains of northern New Jersey, was part of that network. The author parallels its history with that of a family representing the canal workers, their joys, sorrows, and aspirations. It also is a story that bridges the past and the present, hopefully providing lessons for the future.

The People's Home Journal , 1923

The Remains Margo Glantz, 2023-03-14 After her ex-husband dies unexpectedly, Nora García travels to the funeral, back to a Mexican village from her past and the art and music of their life together. The way you hold a cello, the way light lands on a Caravaggio, the way the castrati hit notes like no one else could—a lifetime of conversations about art and music and history unfolds for Nora García as she and a crowd of friends and fans send off her recently deceased ex-husband, Juan. Like any good symphony, there are themes and repetitions and contrapuntal notes. We pingpong back and forth between Nora's life with Juan (a renowned pianist and composer, and just as accomplished a raconteur) and the present day (the presentness of the past), where she sits among his familiar things, next to his coffin, breathing in the particular mix of mildew and lilies that overwhelm this day and her thoughts. In Glantz's hands, music and art access our most intimate selves, illustrating and creating our identities, and offering us ways to express love and loss and bewilderment when words cannot suffice. As Nora says, 'Life is an absurd wound: I think I deserve to be given condolences.'

The Ladies' Home Journal , 1920

The Story of the Horse William Harding Carter, 1923

I Burned for Your Peace Peter Kreeft,2016-08-10 Popular author and philosopher Peter Kreeft delves into one of the most beloved Christian classics of all time--Augustine's Confessions. He collects key passages and offers incisive commentary, making Confessions accessible to any reader who is both intellectually curious and spiritually hungry. The Confessions is a dramatic personal narrative of a soul choosing between eternal life and death, an exploration of the timeless questions great minds have been asking for millennia, and a prayer of praise and thanksgiving to God. I Burned for Your Peace is not a scholarly work but an unpacking of the riches found in Augustine's text. It is existential, personal, and devotional, as well as warm, witty, and thought-provoking. With Kreeft to guide them, readers of the Confessions can overhear and understand the intimate conversation between a towering intellect and the God whose peace he at last humbly accepts.

Once a Marine Loree Lough,2015-02-01 Does she even need a hero? Summer Lane is no damsel in distress. For the past two years, she's been battling her way back from her worst nightmare all by herself. So she doesn't need the fabulous former Marine Zach Marshall swooping in to save her. But she needn't worry. Zach has hung up his shining armor. His instinct to rescue has only brought him heartache, and he's not about to risk it all again—even though everything about Summer makes him yearn to help. But she just might accept his challenge to step up and conquer her fears on her own. Even her deepest fears, like trust...and love.

Music of the First World War Don Tyler,2016-03-21 This book discusses WWI-era music in a historical context, explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played, and danced to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music—ranging from classical to theater music, rags, and early jazz—play on the American homefront? Music of the First World War explores the tremendous importance of music during the years of the

Great War—when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort; the variety of war-related songs, popular hits, and top recording artists of the war years; the music of Broadway shows and other theater productions; and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time.
