Instead, he is stuck with her and his very future could depend on keeping her alive. Lexi and her team must once again step up to save their world, but their version of Loki has tricks at his disposal that will make things very difficult for them. They must rely on the two warriors from other realities to help them defeat their enemies. Fate chose them for a reason and they have to trust that neither of them will buckle under the pressure. God of Malice: Violet's world has only recently recovered from being invaded, but it is now about to be subjected to an attack by aliens. Her angelic and human friends will need to step up once again to save their planet. They will be instrumental in helping Hellscurge and her fellow warriors save humanity from enslavement.
