**After Taste: Cultural Value and the Moving Image** Julia Vassilieva, Constantine Verevis, 2014-01-02 In the wake of the debates over high/low culture distinction spilling into the effective dismantling of the boundary that once separated them, the past decade has seen the explosion of 'bad taste' production on screen. Starting with paracinema or 'badfilm' – a movement that has grown up around sleazy, excessive, or poorly executed B-movies and has come to encompass disreputable and unworthy films – this trend has been evident in various formats: on television and in video-art, low-budget and straight to TV films, amateur and home movies. The proliferation of trash on screen can be seen as delivering the final blow to the vexed issue of taste. More importantly, it prompts a reconsideration of some critical issues surrounding production, circulation, understanding and teaching of 'bad objects' in the media. This collection of essays, written by international film and television scholars, provides detailed critical analysis of the issues surrounding judgements of cultural value and taste, feeling and affect, cultural morals and politics, research methodologies and teaching strategies in the new landscape of 'after taste' media. Addressing global and local developments – from global Hollywood to Australian indigenous film and television, through auteurs Sergei Eisenstein to Jerry Bruckheimer, on to examples such as *Twilight* to *Sukiyaki Western Django* – the essays in this book offer a range of critical tools for understanding the recent shifts affecting cultural, aesthetic and political value of the moving image. This book was originally published as a special issue of *Continuum: Journal of Media & Cultural Studies*.

*Fools and Jesters in Literature, Art, and History* Vicki K. Janik, 1998-05-21 Jesters and fools have existed as important and consistent figures in nearly all cultures. Sometimes referred to as clowns, they are typological characters who have

conventional roles in the arts, often using nonsense to subvert existing order. But fools are also a part of social and religious history, and they frequently play key roles in the rituals that support and shape a society's system of beliefs. This reference book includes alphabetically arranged entries for approximately 60 fools and jesters from a wide range of cultures. Included are entries for performers from American popular culture, such as Woody Allen, Mae West, Charlie Chaplin, and the Marx Brothers; literary characters, such as Shakespeare's Falstaff, Rabelais' Gargantua and Pantagruel, and Singer's Gimpel; and cultural and mythological figures, such as India's Birbal, the American circus clown, the Native American Coyote, Taishu Engeki of Japan, Hephaestus, Loki the Norse fool, schlimiels and schlimazels, and the drag queen. The entries, written by expert contributors, are critical as well as informative. Each begins with a biographical, artistic, religious, or historical background section, which places the subject within a larger cultural and historical context. A description and analysis follow. This section may include a discussion of the fool's appearance, gender role, ethical and moral roles, social function, and relationship to such themes as nature, time, and mortality. The entry then discusses the critical reception of the subject and concludes with an extensive bibliography of general works.

*The New York Times Theatre Reviews 1999-2000* New York Times Theater Reviews, 2001-12 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality.

Street-Level Sovereignty Sarah Marusek, John Brigham, 2017-10-03 *Street-Level Sovereignty: The Intersection of Space and Law* is a collection of scholarship that considers the experience of law that is subject to social interpretation for its meaning and importance within the constitutive legal framework of race, deviance, property, and the communal investiture in health and happiness. This book examines the intersection of spatiality and law, through the construction of place, and

how law is materially framed.

**Lewis Carroll's Cats And Rats... And Other Puzzles With Interesting Tails** Yossi Elran,2021-06-08 British-Israeli recreational mathematician, communicator and educator, Yossi Elran explores in-depth six of the most ingenious math puzzles, exposing their long 'tails': the stories, trivia, quirks and oddities of their history and, of course, the math and mathematicians behind them. In his unique 'talmudic', associative way, Elran shows the hidden connections between Lewis Carroll's 'Cats and Rats' puzzle and the math of taxi driving, a number pyramid magic trick and Hollywood movie fractals, and even how packing puzzles are related to COVID-19!Elran has a great talent for explaining difficult topics — including quantum mechanics, a topic he relates to some original 'operator' puzzles — making the book very accessible for all audiences.With over 40 additional, original puzzles, and touching on dozens of hot math topics, this is a perfect book for math lovers, educators, kids and adults, and anyone who loves a great read.Yossi Elran is co-author of our bestselling *The Paper Puzzle Book*, and heads the Innovation Center at the Davidson Institute of Science Education, the educational arm of the world-renowned Weizmann Institute of Science in Israel.

### **Dramatic Masks Lethal Company Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Dramatic Masks Lethal Company has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dramatic Masks Lethal Company has opened up a world of possibilities. Downloading Dramatic Masks Lethal Company provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dramatic Masks Lethal Company has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dramatic Masks Lethal Company. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their

work with the world. However, it is essential to be cautious while downloading Dramatic Masks Lethal Company. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dramatic Masks Lethal Company, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dramatic Masks Lethal Company has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
