Fairies: Morgan Daimler,2017-12-08 The subject of fairies in Celtic cultures is a complex one that seems to endlessly intrigue people. What exactly are fairies? What can they do? How can we interact with them? Answering these questions becomes even harder in a world that is disconnected from the traditional folklore and flooded with modern sources that are often vastly at odds with the older beliefs. This book aims to present readers with a straightforward guide to the older fairy beliefs, covering everything from Fairyland itself to details about the beings within it. The Otherworld is full of dangers and blessings, and this guidebook will help you navigate a safe course among the Good People.

Alchemy of Punk Aneta Panek,2022-12-05 Alchemy of Punk, a thesis and opera developed by Aneta Panek as part of her PhD, investigates punk's poetics and motifs, genealogy, and subversive reinvention. Reaching as far back as the Middle Ages and exploring the tradition of troubadours, minnesingers, madrigals, beggar's operas, and murder ballads, Aneta proposes to understand punk as an embodiment of Dionysian art; a danse macabre celebrating life through performative, screamed

poetry. In her textual exploration of punk—this thesis—she delves into the vast forms of expression adopted by punk’s vagabonds, outcasts, and poètes maudits, and in her artwork—the punk opera—she tests the theories and ideas presented in her thesis, bringing together the greatest voices of classical opera, punk, and industrial rock in an explosive spectacle of theatrical and musical experiences, video installation, and live performance.

On My Way Home Christoffel Hendrickx, 2019-09-26 In a time of global awakening, a young woman and an enigmatic man fortuitously meet far away from home. Marina and Tiger try to make ends meet and look for the best life has to offer. Soon, their expectations clash, and after a climactic conflict, they break up. As Tiger drifts away, Marina is inspired by his notes and determined to write down his story as he would have told it, learning more about herself and the true nature of love in every scribble. Tiger’s story is a turbulent tale of a sensitive man who tries to understand the world and wants to elevate it to a more humane state. He is chased by a series of strange coincidences that challenge him to adjust his view and purify his mind. With settings in some of the most beautiful places on earth, *On My Way Home*, dissects our world and reveals its true nature. The reader has a choice: read the book as Tiger’s rollercoaster ride into awareness or as Marina’s testimony to the challenges of unconditional love.

Living By The Script Deji Ajibade, 2021-06-26 If at the end of everything, we all have the chance to reflect on the life we led, the most common question would be: Did I make the most of my life? For many, I am afraid, the answer would be no, followed by a pang of regret. Yes, many of those answering no would be people with well-paying jobs. They were rich and comfortable, but deep down in their soul, there was an aching emptiness they just could not fill. Why? Beyond their jobs and career, they had nothing more to live for, nothing noble or greater to dedicate their lives to. **LIVING BY THE SCRIPT: MAKING THE MOST OF YOUR LIFE** is a book written to inspire perspective on life. This book will help people develop clarity of purpose and show them how they can make the most of their life.

The Creative Spark Michael Shapiro, 2019-11-09 “Knowledgeable, probing, and thoughtful.” —Foreword Reviews Smokey Robinson • Barbara Kingsolver • Francis Ford Coppola • David Sedaris • Jane Goodall and other luminaries reveal the secrets to their creative success. Amy Tan talks about how she finds truth by writing fiction. Melissa Etheridge tells us how she channels her fire into her music. Pico Iyer shares how seeking stillness enhances his creativity. And Coppola discusses how he found the courage to make groundbreaking films. In *The Creative Spark*, a collection of interviews prefaced by brief biographies, these luminaries join dozens of other voices to create a symphony of inspiration. Lucinda Williams talks about honesty and making every word count; Jane Goodall cites the value of persistence and believing in yourself; and Smokey Robinson heralds the timeless power of love songs. For more than a decade, award-winning author Michael Shapiro (*A Sense of Place*) has interviewed many of our brightest creators. In *The Creative Spark*, musicians, authors, explorers, and chefs speak about what drives them, what helps them see the world in fresh ways, and what inspires them to turn their visions into

art. Shapiro's work as a music journalist has led to interviews with legends including Graham Nash, Lyle Lovett, Melissa Etheridge, Jake Shimabukuro, Merle Haggard, and Jethro Tull bandleader Ian Anderson. And he's spoken with creative masters in other fields, such as comedian Joan Rivers and author Frances Mayes. Yet it's not simply that Shapiro has had access to so many supremely talented people—it's that he gets them to go deep. Moments into his penetrating conversation with Lucinda (her fans call her by her first name), she tells Shapiro about how decisions made about her mother's funeral led to fissures in her family. From this achingly personal conversation, readers can glean fresh insights into why Lucinda has such a devoted following and why her songs open listeners' hearts. Unexpected revelations pop up in every chapter of *The Creative Spark*. Iowa folksinger Greg Brown isn't a household name, but his fellow musicians revere his poetic compositions. Then there's San Francisco Giants announcer Mike Krukow, who turns every broadcast into a work of art. Chefs, including SingleThread's Kyle Connaughton, discuss how they're transforming the way we approach fine dining and why social responsibility is essential. Each chapter starts with a short biography of the creative person being profiled, then segues into Q+A. This collection brings together some of the best-known artists of our time with others who may not be as famed but who have valuable insights about living an artful life. *The Creative Spark* stands as a testament to human achievement, showing how creativity illuminates our world. And how it resides in each and every one of us, just waiting to break out.

Also, how we as humanity are interlink and entwined into our Maker. I hope that you will read this book with an open mind.
