

Grgory Lemarchal Je Tcris

Joacim Rocklöv

Grégory Lemarchal - Le petit prince au destin brisé Alain Perceval, Des rangs de la Star Academy au fronton de l'Olympia, il a franchi en un éclair la distance séparant l'anonymat du vedettariat. Et pourtant, ce gamin dont tant d'autres enviaient l'irrésistible ascension n'était pas né sous une bonne étoile, car chanter, pour lui, représentait un combat de chaque instant. Harcelé par la mucoviscidose, il n'a pu remporter une lutte inégale et a finalement succombé au sommet de sa notoriété. Si l'artiste au visage d'ange s'est envolé vers un monde de sérénité, sa carrière ne s'est pas arrêtée le jour où son organisme a cessé de résister. Grégory Lemarchal n'a pas quitté le cœur de ses fans et sa voix aux sonorités cristallines n'a pas été réduite au silence. Il continue, par-delà les nuages, à vivre à travers ses chansons et poursuit à sa façon l'éblouissante trajectoire du Petit Prince au destin brisé.

Petit traité d'une déconfinée en liberté conditionnelle Anne-Sophie Tredet, 2021-08-09 Avis à la population ! Le petit traité d'une confinée du peuple « contre-attaque » avec empirisme et nous offre une suite déconfinée ou presque ! Passé l'état de sidération, l'extraterrestre libertaire reprend les armes contre les forces obscures. Authentique, excessive et bouleversante, l'auteure fait ses vocalises sur cette année loufoque sous un éclairage empreint de légèreté et d'humour corrosif, et ce qui est certain, c'est que la force est avec elle ! La philosophie est toujours son guide, mais là, elle fait appel à des tour-opérateurs supplémentaires comme la littérature, la mythologie et la chanson pour étayer le récit de son parcours de vie d'écorchée hypersensible reconfinée dans son monde intérieur. mes sensibles, surtout ne pas s'abstenir ! Ce deuxième tome est destiné à l'attention d'un public averti de contradicteurs. Sans omettre les optimistes, prompts à la dérive, dont on murmure à l'oreille les bienfaits du Pardon. Ce livre est une véritable potion magique pour Gaulois réfractaires, indispensable remède contre la morosité. Et vous-même, êtes-vous de ceux qui se consomment de cette liberté à jamais perdue ?

Из тьмы, сквозь тьму Aine, 2022-01-28 Второй сборник стихотворений «Из тьмы, сквозь тьму. Стихи о Пути и Любви». Возможно, для кого-то эти стихи и осознания могут быть полезны как подспорье и поддержка в собственных битвах. А, возможно, для кого-то эти стихи могут стать источником вдохновения. Именно для этого эта книга и была рождена и издана.

Marc Benjamin Stock, 2024-08-22 David Baumer, fondateur d'une start-up parisienne, traverse une crise existentielle. Sa

compagne le néglige tandis que son entourage s'absorbe dans les idéologies du moment : relativisme, développement personnel, management agile... L'une de ses employées, Sheyenne, lui fait découvrir une communauté clandestine de lecteurs de Marc Levy. D'abord moqueur, David plonge finalement dans l'oeuvre du grand romancier, en quête de réponses. Quelle est donc cette conspiration que David pense avoir perçue dans les textes de Marc Levy ? Alors qu'il approfondit ses recherches, David se radicalise... Portraits satiriques de personnages en quête de sens, réflexion sur l'interprétation des textes à l'ère de la post-vérité, Marc est d'abord le fruit d'une colère contre la notion de relativisme : l'idée selon laquelle la rationalité et l'objectivité doivent être dépassées. Ce relativisme favorise l'explosion des pseudosciences, des dogmatismes et de théories complotistes. La conspiration QAnon aux États-Unis est à ce titre une inspiration pour Benjamin Stock : quelques propos confus sur un forum Internet ont fait naître un mouvement d'adeptes fervents, supplantant en quelques mois certaines religions traditionnelles. Le propos de Marc est ainsi de montrer, de façon à la fois drôle et romanesque, comme il est facile d'interpréter n'importe quoi n'importe comment. Les faiseurs d'opinions excellent souvent dans cette pratique... Surinterpréter Marc Levy permet ainsi de parodier celles et ceux qui prennent trop au sérieux les textes ou idéologies qu'ils jugent sacrés.

Que les Douze nous protègent Mary Van Lieff, 2022-09-15 « As-tu déjà rêvé d'une seule et même personne, et cela pendant des années ? — Je ne crois pas, non, répondit-il, un peu inquiet tout de même. — Je suis victime d'un phénomène peu banal, grand-père. Depuis de nombreuses années, je rêve d'un jeune homme, du même jeune homme. — Toujours le même ? demanda le grand-père à la jeune fille, tel un médecin à son patient, espérant avoir déjà observé ces symptômes auparavant, il cacha son trouble. — Oui, exactement. » À PROPOS DE L'AUTEURE Bercée depuis toujours par les histoires peuplées de créatures imaginaires et admirant les œuvres de Fantasy Art, Mary Van Lieff brûlait d'envie, un jour, de coucher sur papier les aventures de Sinsaï et de Donovan. Aujourd'hui, après presque dix années à l'écrire et à le corriger, elle concrétise son rêve, le jardin secret qu'elle cultive depuis son enfance.

Incandescente pour toujours Adeline Toniutti, 2024-04-03 Professeure de chant de la Star Academy, Adeline Toniutti est LA révélation, sur TF1, de l'émission culte. Chaque semaine, sa flamboyance, son énergie, son expertise ont touché des millions de téléspectateurs. Derrière les feux des projecteurs, celle qu'on surnomme la « fille du facteur » ou la « soprano rock'n'roll » a réalisé un véritable parcours du combattant pour traverser les épreuves que la vie lui a infligées et pour retrouver le bonheur. Destinée à être chanteuse d'opéra, un accident domestique la prive de sa voix. Son compagnon se met alors à la maltraiter, les coups s'enchaînent, anorexie et chute sociale s'ensuivent. Cette vie, qui a pu la mener au bord du suicide, Adeline Toniutti nous la raconte dans Incandescente pour toujours. Intime, elle se livre, « l'âme dans la plume », à travers un récit poignant avec le ton et la force qu'on lui connaît, afin de nous rappeler : « Tant qu'on respire encore et qu'on ne nous a pas fermé les yeux, il faut se battre. » Adeline Toniutti est chanteuse et pédagogue de renom, entourée de

médecins spécialistes, elle anime des colloques internationaux pour faire avancer l'expertise sur la voix. Femme de télévision et artiste engagée, parmi ses combats, elle lutte tout particulièrement contre les violences conjugales.
