How bad do you want it? The only man within the Brandon empire with a moral compass, Shane Brandon is ready to take his family's business dealings legitimate. His reckless and ruthless brother, Derek wants to keep Brandon Enterprises cemented in lies, deceit, and corruption. But the harder Shane fights to pull the company back into the light, the darker he has to become. Emily is consumed by Shane, pushed sexually in ways she never dreamed of, falling deeper into the all-encompassing passion that is this man. She trusts him. He trusts her, but therein lies the danger. Emily has a secret, the very thing that brought her to him in the first place, and that secret could destroy them both. This is book ONE of FOUR in Shane and Emily's story. Excerpt from *Hard Rules* (*Dirty Money* book #1) His hand curls around mine and he drags it to his knee, and the way he's looking at me, like the rest of the room, no, the rest of the world, doesn't exist, steals my breath. I haven't allowed anyone to really look at me in a very long time. "Emily," he says, doing whatever he does to turn my name into a sin that seduces rather than destroys me. "Shane," I manage, but just barely. "Did you say yes to dinner because you didn't want to be alone?" I am not sure where he is going with this, if it's about reading me or if he needs validation that I am here for him, so I give him both. "I like being alone," I say, and on some level, it really is true. "I said yes to dinner because you are the one who asked." My lips curve. "Actually you barely asked. You mostly ordered." "I couldn't let you say no." "I'm actually really glad you didn't." "And yet you say you like being alone?" "It's simple and without complication." "Spoken like someone who's lived the opposite side of the coin." "Haven't we all?" "Who burned you, Emily?" I blanch but recover with a quick, "Who says anyone burned me?" "I see it in your eyes." "Back to my eyes," I say. "Yes. Back to your eyes." "Stop looking." "I can't." Those two words sizzle, matching the heat in his eyes, and my throat goes dry. "Then stop asking so many questions." He reaches up, brushing hair behind my ear, his fingers grazing my cheek, and suddenly he is closer, his breath a tease on my cheek, his fingers settling on my jaw. "What if I want to know more about you?" "What if I don't want to talk?" "Are you suggesting I shut up and kiss you?" Yes, I think. Please. But instead I say, "I don't know. I haven't interviewed you as you have me. I know nothing about you. I want to know if you—" He leans in, and then his lips are

on mine, a caress, a tease, that is there and gone, and yet I am rocked to the core, a wave of warmth sliding down my neck and over my breasts. He lingers, his breath fanning my lips, promising another touch I both need and want, as he asks, "You want to know if I what?" Everything. "Nothing."

The War on Dirty Money Nicholas Gilmour, Tristram Hicks, 2023-02-23 Billions of dollars are wasted each year trying to prevent 'dirty money' entering a financial system that is already awash with it. The authors challenge the global approach, arguing that complacency, self-interest and misunderstanding have now created long-standing absurdities. International and government policy makers inadvertently facilitate tax evasion, corruption, environmental and organised crime by separating crime from its root cause. The handful of crime fighters that do exist are starved of resources while an army of compliance box tickers are prevented from truly helping. The authors provide a toolbox of evidence-based solutions to help the frontline tackle financial crime.

Dirty Money Robert Perry, 2006-05-25 Dirty Money describes the origin of financial investigations of narcotics traffickers through four landmark prosecutions in Los Angeles. The House that Heroin Built tells of how a major heroin dealer's purchases of luxury items, including a San Marino mansion and several expensive cars, were used to prove he was the leader of a national organization and obtain a life without parole sentence. The Hunt for the Architect details how a small bank's reports of currency deposits helped identify and bring to justice an organization which derived more than \$32,000,000 from heroin and cocaine. A Very, Very Honest Lawyer concerns the detection and investigation of a sophisticated money laundering service for narcotics traffickers run by a Beverly Hills attorney. The Grandma Mafia relates how a courageous banker helped uncover a multi-million dollar money laundering and cocaine trafficking operation run by middle-aged grandmothers. The recounting of these significant cases is told by former Assistant U.S. Attorney Robert Perry, who supervised the investigations and represented the government at trial. Today, financial investigations are a major weapon in

the federal government's continuing fight against narcotics. This important investigative technique originated in the cases described in this book.

Three Classic Thrillers 3-Book Bundle John Grisham, 2011-12-19 The #1 New York Times bestselling master of legal suspense, John Grisham has electrified readers with his white-knuckle narratives for more than two decades. Assembled here in a convenient eBook bundle are three of his classic thrillers: *The Firm*, the runaway hit that ignited his writing career, *The Appeal*, and *The Chamber*. Read back-to-back or enjoyed separately, these edge-of-your-seat novels show why John Grisham is—beyond a reasonable doubt—one of the most beloved authors of all time. **THE FIRM** When Mitch McDeere signed on with Bendini, Lambert & Locke of Memphis, he thought that he and his beautiful wife, Abby, were on their way. The firm leased him a BMW, paid off his school loans, arranged a mortgage, and hired the McDeeres a decorator. Mitch should have remembered what his brother Ray—doing fifteen years in a Tennessee jail—already knew: You never get nothing for nothing. Now the FBI has the lowdown on Mitch's firm and needs his help. Mitch is caught between a rock and a hard place, with no choice—if he wants to live. **THE APPEAL** In a crowded courtroom in Mississippi, a jury returns a shocking verdict against a chemical company accused of dumping toxic waste into a small town's water supply, causing the worst "cancer cluster" in history. The company appeals to the Mississippi Supreme Court, whose nine justices will one day either approve the verdict—or reverse it. The chemical company is owned by a Wall Street predator named Carl Trudeau, and Mr. Trudeau is convinced the Court is not friendly enough to his interests. With judicial elections looming, he decides to try to purchase himself a seat on the Court. The cost is a few million dollars, a drop in the bucket for a billionaire like Mr. Trudeau. Through an intricate web of conspiracy and deceit, his political operatives recruit a young, unsuspecting candidate. They finance him, manipulate him, market him, and mold him into a potential Supreme Court justice. **THE CHAMBER** In Chicago's top law firm, a young lawyer stands on the brink of a brilliant career. Now twenty-six-year-old Adam Hall is risking it all for a death-row killer and an impossible case: Sam Cayhall is a former Klansman and unrepentant racist facing the death penalty for a fatal bombing in 1967. Cayhall has run out of chances—except for one: a determined lawyer who just happens to be his grandson. While the executioners prepare the gas chamber, while the protesters gather, and while the TV cameras wait, Adam has only days, hours, minutes to save his client. For between the two men is a chasm of shame, family lies, and secrets—including the one secret that could save Sam Cayhall's life . . . or cost Adam his.
