Discovering the Inner Mother Bethany Webster, 2020-07-28 Sure to become a classic on female empowerment, a groundbreaking exploration of the personal, cultural, and global implications of intergenerational trauma created by patriarchy, how it is passed down from mothers to daughters, and how we can break this destructive cycle. Why do women keep themselves small and quiet? Why do they hold back professionally and personally? What fuels the uncertainty and lack of confidence so many women often feel? In this paradigm-shifting book, leading feminist thinker Bethany Webster identifies the source of women's trauma. She calls it the Mother Wound--the systemic disenfranchisement of women by the patriarchy--

and reveals how this cycle is perpetuated by wounded mothers who unconsciously pass on damaging beliefs and behaviors to their daughters. In her workshops, online courses, and talks, Webster has helped countless women re-examine their lives and their relationships with their mothers, giving them the vocabulary to voice their pain, and encouraging them to share their experiences. In this manifesto and self-help guide, she offers practical tools for identifying the manifestations of the Mother Wound in our daily life and strategies we can use to heal ourselves and prevent our daughters from enduring the same pain. In addition, she offers step-by-step advice on how to reconnect with our inner child, grieve the mother we didn't have, stop people-pleasing, and, ultimately, transform our heartache and anger into healing and self-love. **Love Is Fierce** Kerri Hummingbird Sami, 2021-01-20 The current state of our world demonstrates clearly that we have all been touched by the Mother Wound. For thousands of years, mothers have been disempowered, shamed, belittled, and abused. As a result, many mothers have become victims and been unloving, neglectful, and competitive with their children. A woman with the Mother Wound cannot help but pass it on to her children through her womb. Being infected by the Mother Wounds shows up as lack of confidence, self-doubt, stagnation toward desires, repressed sexuality, lack of focus, difficulty with intimacy, financial struggle, mean shaming self-talk, and a hard time asking for what you need. To heal the Mother Wound, we need to courageously break the sacred vow that each of us takes upon entering the human realms: the vow not to speak of the Mother Wound. This sacred vow causes self-harm and internal turmoil because we are not able to express the truth of what we have received through our mothers. When we cannot express our own truth, we become self-sabotaging. If you are reading this, YOU are the one chosen by your ancestry to break the pattern. As part of a sacred circle of women restoring connection to the Divine Mother with support of White Buffalo Calf Woman, you will courageously see the truth, heal the Mother Wound within you, and make a new sacred vow that honors your mother by first honoring yourself. What the world needs now is the fierce love and courageous truth of healed women and whole earth mamas. Together, White Buffalo Women will mend the Sacred Hoop and restore balance between humanity and Mother Earth. Join us.

It will be a ceremony that walks you home to your true, inner nature so that you can remember who you truly are. that you feel seen, heard, and not alone. May these poems be like nectar to the seemingly bitterness of life. May you walk away with a newfound appreciation and reverence for it all.

*Mothershift* Jessie Harrold, 2024-11-12 Explore this supportive, grounding guide for new mothers navigating the cascade of identity change and transformation that is motherhood. Our modern, Western societal understanding of what happens to a woman when she becomes a mother—beyond emotional rollercoasters and healing her pelvic floor—remains largely uncharted territory. The transition to motherhood actually takes two to three years, not six weeks or three months as we've been led to believe. *Mothershift* offers a supportive, affirming road map to take women through this transformational process. Jessie Harrold introduces her “map for your becoming,” a research-based, four-phase model that maps out how the transition to motherhood unfolds and helps women to navigate every step along the way. She has used this model to guide thousands of women through the shift into motherhood. Harrold also includes self-inquiry questions and journal prompts in each chapter to help women identify and thrive amidst the cascade of changes they can expect as they enter motherhood. Topics include: Normalizing the feelings of grief and loss of self you may feel along the way. Navigating the discomfort of not knowing who you are anymore now that you're a mother. Guiding you to cultivate a sense of empowerment and leadership in motherhood, showing you how mothering is a counterculture act. Showing you how to use the “superpowers” that motherhood can offer—self-tending, creativity, embodiment, ritual, community, inner knowing, and earth connection. Gently guiding you to explore who you are becoming.
