A Complete French Grammar for Reference and Practice Trudie Maria Booth, 2010 This comprehensive manual thoroughly covers every aspect of French grammar, from the basic to the most advanced level, and illustrates the grammatical structures with useful, practical and interesting examples. It can be used as a classroom text in intermediate and advanced courses, as well as for reference and self-study.

Variations stylistiques Diane M. Dansereau, 2016-02-23 This advanced level course book teaches stylistic variations of modern French grammar using examples from films and interviews as well as other authentic texts. Written entirely in French, it focuses on the most difficult grammar points and their usage, rather than on their formation. Variations stylistiques includes an abundance of oral and written exercises that are practical, relevant, creative, and fun, encouraging students to use the grammar in meaningful contexts. By highlighting the many linguistic variants employed by native speakers, Dansereau provides an engaging alternative to traditional French grammar textbooks. An ancillary Web site features quizzes and other valuable resources for instructors.

La grammaire française à l'usage de tous SCRIBO FORMATIONS, 2019-11-13 Les bases de la grammaire et de la conjugaison posent de plus en plus de problèmes. Le présent ouvrage est donc un memorandum pratique pour les élèves des classes de collège et de lycée d'enseignement général ou technique. Il ne s'agit pas d'un ensemble de cours mais plutôt de moyens de résoudre les difficultés par l'acquisition d'automatismes grammaticaux, afin d'éviter les pièges de la grammaire et de la conjugaison. Des exercices et des contrôles appropriés permettront aux élèves de réviser et aux parents d'entraîner leurs enfants en suivant leurs progrès.

The Study and Practice of French in School for Intermediate Classes Louise Catherine Boname, 1901

Grammaire française pour tous. Cours et entraînements progressifs Charly Prabel-Guignard, 2019-03-05 Cet ouvrage de grammaire française est destiné à un large public : élèves préparant des examens (Diplôme National du Brevet, Baccalauréat), étudiants voulant améliorer leurs connaissances grammaticales et adultes voulant se (re)mettre à la grammaire. Les leçons suivent une progression grammaticale logique allant du plus simple au plus complexe et sont accompagnées de nombreux exercices de mise en pratique et d'analyse grammaticale de niveau progressif: Je révise et j'apprends: des exercices pour entrer facilement dans la leçon proposée. Certains exercices permettent aussi de revoir des notions précédentes afin de distinguer des notions ou de faire le lien entre les deux. J'approfondis: des exercices de difficulté généralement croissante pour maîtriser la notion grâce à diverses manipulations (repérage, préparation à l'analyse, définir le lien entre certains mots ou groupes de mots, réponses à des questions, etc.). Je récapitule: des exercices pour relever et analyser dans un texte ce qui a été abordé dans la leçon. Un ouvrage clair et ludique pour se remettre à niveau en grammaire française. Grâce à une organisation spiralaire des leçons, le lecteur révisera de manière régulière, sans s'en rendre compte, les points vus précédemment.
