

Rabbi J J Schacter

Shuly Rubin Schwartz

Judaism's Encounter with Other Cultures Gerald J. Blidstein, 1997-05 The issue of Judaism's relationship to secular learning and wisdom is one of the most basic concerns of Jewish intellectual history. The authors collected in this study discuss both sides of the issue and collectively offer an eloquent and convincing case for the perpetuation of Judaism's dialogue with the 'outside' world.

Judaism's Encounter with Other Cultures Jacob J. Schacter, 1997-05-01 The issue of Judaism's relationship to secular learning and wisdom is one of the most basic concerns of Jewish intellectual history. The authors collected in this study discuss both sides of the issue and collectively offer an eloquent and convincing case for the perpetuation of Judaism's dialogue with the 'outside' world.

Jewish History and Jewish Memory Yosef Hayim Yerushalmi, 1998 Publication of Yosef Yerushalmi's *Zakhor* in 1982 inspired a generation of scholarly inquiry into historical images and myths, the construction of the Jewish past, and the making and meaning of collective memory. Here, eminent scholars in their respective fields extend the lines of his seminal study into topics that range from medieval rabbinics, homiletics, kabbalah, and Hasidism to antisemitism, Zionism, and the making of modern Jewish identity. Essays are clustered around four central themes: historical consciousness and the construction of memory; the relationship between time and history in Jewish thought; the demise of traditional forms of collective memory; and the writing of Jewish history in modern times.

New Perspectives on Jewish-Christian Relations, 2012

Rabbi Abraham Isaac Kook and Jewish Spirituality Lawrence J. Kaplan, David Shatz, 1995 Rabbi Abraham Isaac Kook (1865-1935) was the first Ashkenazic chief rabbi of mandatory Palestine. Admired for the incredible diversity of his talents and interests--talmudist, halakhist, kabbalist, mystic, theologian, moralist, poet, and communal leader--Rav Kook's world outlook extolled breadth and derided narrow specialization. More than any other Orthodox thinker in modern times, he addressed, squarely and boldly, the confrontation between Judaism and the modern world. Kook serves as a natural model to those Jews who seek a religious understanding of and response to the culture and politics of the modern age. These essays, most published here for the first time, offer a range of analyses and interpretations covering, in an accessible, systematic, and comprehensive fashion the major areas of Rav Kook's thought. Among the issues discussed are: his relationship to the

Jewish mystical, philosophical, and halakhic traditions; poetry and spirituality; harmonism and pluralism; tolerance and its limits; Zionism, messianism, and politics; and Rav Kook today.

The Rabbi's Wife Shuly Rubin Schwartz, 2007-09-01 2006 National Jewish Book Award, Modern Jewish Thought Long the object of curiosity, admiration, and gossip, rabbis' wives have rarely been viewed seriously as American Jewish religious and communal leaders. We know a great deal about the important role played by rabbis in building American Jewish life in this country, but not much about the role that their wives played. *The Rabbi's Wife* redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry. Tracing the careers of rebbetzins from the beginning of the twentieth century until the present, Shuly Rubin Schwartz chronicles the evolution of the role from a few individual rabbis' wives who emerged as leaders to a cohort who worked together on behalf of American Judaism. *The Rabbi's Wife* reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America.

Founder of Hasidism Moshe Rosman, Murray Jay Rosman, 2023-09 This book goes farther than any previous work in uncovering the historical Israel ben Eliezer--known as the Ba'al Shem Tov, or the Besht--the eighteenth-century Polish-Jewish mystic who profoundly influenced the shape of modern Judaism. As the progenitor of Hasidism, the Ba'al Shem Tov is one of the key figures in Jewish history; to understand him is to understand an essential element of modern Jewish life and religion. Because evidence about his life is scanty and equivocal, the Besht has long eluded historians and biographers. Much of what is believed about him is based on stories compiled more than a generation after his death, many of which serve to mythologize rather than describe their subject. Rosman's study casts a bright new light on the traditional stories about the Besht, confirming and augmenting some, challenging others. By concentrating on accounts attributable directly to the Besht or to contemporary eyewitnesses, Rosman provides a portrait drawn from life rather than myth. In addition, documents in Polish and Hebrew discovered by Rosman during the research for this book enable him to give the first detailed description of the cultural, social, economic, and political context of the Ba'al Shem Tov's life. This book goes farther than any previous work in uncovering the historical Israel ben Eliezer--known as the Ba'al Shem Tov, or the Besht--the eighteenth-century Polish-Jewish mystic who profoundly influenced the shape of modern Judaism. As the progenitor of

Hakham Tsevi Ashkenazi and the Battlegrounds of the Early Modern Rabbinate Yosie Levine, 2024-11-15 With the social and cultural upheavals of early modern Europe, rabbis had to fight to preserve Jewish tradition. Hakham Tsevi Ashkenazi, chief rabbi of Amsterdam, emerged as one of the leading halakhic authorities of the epoch, and the battles he waged would come to define rabbinic norms in the decades that followed.

The Transformative Daf: Chagigah Rabbi Daniel Friedman, 2022-02-01 Now that you've learned the daf, how will your life be transformed? Whether you've been doing daf yomi for years or you're not quite ready to commit but want to be part of

the daf yomi global movement, there's something in The Transformative Daf for everyone. It's about joining the conversation. It's about talking over the daf with your family, your friends, your colleagues. It means never being short of a discussion-starter or a meaningful devar Torah. Every page of the Gemara, every word, every letter, contains the secrets of the universe to achieving a life of simchah and purpose. Transform your life today!

Jews, Church & Civilization, Volume VII David Birnbaum,

From Mourning to Morning Simeon Schreiber, 2018-12-27 Rabbi Simeon Schreiber, Senior Staff Chaplain at Mount Sinai Medical Center in Miami Beach, translates his many years of experience into a greater understanding of the emotions surrounding death, grieving, mourning, and bereavement in Judaism. *From Mourning to Morning* presents these principles in a comprehensive format. Focusing on the Shiva, the seven day period of mourning in Judaism, Rabbi Schreiber explains the foundation of visiting a house of mourners, and suggests proper etiquette in conducting a visit. With sensitivity and expertise, Rabbi Schreiber provides unique and practical advice on how to cope with death, mourning, and the related issues that we all will inevitably face.

A Cultural History of Jewish Dress Eric Silverman, 2013-01-01 *A Cultural History of Jewish Dress* is the first comprehensive account of Jewish clothing, both profane and sacred, from its origins through to the present day. Fascinating and accessibly written, it will appeal to anybody with an interest in the central role of clothing in defining Jewish identity.

2006, / ספרים חדשים

[Must a Jew Believe Anything?](#) Menachem Kellner, 2022-03-09 The crucial question for today's Jewish world, Kellner argues, is not whether Jews will have Jewish grandchildren, but how many different sorts of mutually exclusive Judaisms those grandchildren will face. This accessible book examines how the split that threatens the Jewish future can be avoided. For this second edition, the author has added a substantial Afterword, reviewing his thinking on the subject and addressing the reactions to the original edition.

The Tenacity of Unreasonable Beliefs Solomon Schimmel, 2008-08-15 *The Tenacity of Unreasonable Beliefs* is a passionate yet analytical critique of Jewish, Christian, and Muslim scriptural fundamentalists. Schimmel examines the ways in which otherwise intelligent and bright Jews, Christians, and Muslims defend their belief in the divine authorship of the Bible or of the Koran, and other religious beliefs derived from those claims, against overwhelming evidence and argument to the contrary from science, scholarship, common sense, and rational analysis. He also examines the motives, fears, and anxieties of scriptural fundamentalists that induce them to cling so tenaciously to their unreasonable beliefs. Schimmel begins with reflections on his own journey from commitment to Orthodox Judaism, through doubts about its theological dogmas and doctrines, to eventual denial of their truth. He follows this with an examination of theological and philosophical debates about the proper relationships between faith, reason, and revelation. Schimmel then devotes separate chapters to

Jewish, Christian, and Muslim scriptural fundamentalism, noting their similarities and differences. He analyzes in depth the psychological and social reasons why people acquire, maintain, and protect unreasonable religious beliefs, and how they do so. Schimmel also discusses unethical and immoral consequences of scriptural fundamentalism, such as gender inequality, homophobia, lack of intellectual honesty, self-righteousness, intolerance, propagation of falsehood, and in some instances, the advocacy of violence and terrorism. He concludes with a discussion of why, when, and where it is appropriate to critique, challenge, and combat scriptural fundamentalists. *The Tenacity of Unreasonable Beliefs* is thoughtful and provocative, written to encourage self-reflection and self-criticism, and to stimulate and to enlighten all who are interested in the psychology of religion and in religious fundamentalism.

A History of Judaism Martin Goodman, 2019-11-19 Judaism is one of the oldest religions in the world, and it has preserved its distinctive identity despite the extraordinarily diverse forms and beliefs it has embodied over the course of more than three millennia. *A History of Judaism* provides the first truly comprehensive look in one volume at how this great religion came to be, how it has evolved from one age to the next, and how its various strains, sects, and traditions have related to each other. In this magisterial and elegantly written book, Martin Goodman takes readers from Judaism's origins in the polytheistic world of the second and first millennia BCE to the temple cult at the time of Jesus. He tells the stories of the rabbis, mystics, and messiahs of the medieval and early modern periods and guides us through the many varieties of Judaism today. Goodman's compelling narrative spans the globe, from the Middle East, Europe, and America to North Africa, China, and India. He explains the institutions and ideas on which all forms of Judaism are based, and masterfully weaves together the different threads of doctrinal and philosophical debate that run throughout its history.--

The Rational Bible: Exodus Dennis Prager, 2018-04-02 A national bestseller! Why do so many people think the Bible, the most influential book in world history, is outdated? Why do our friends and neighbors – and sometimes we ourselves – dismiss the Bible as irrelevant, irrational, immoral, or all of these things? This explanation of the Book of Exodus, the second book of the Bible, will demonstrate that the Bible is not only powerfully relevant to today's issues, but completely consistent with rational thought. Do you think the Bible permitted the trans-Atlantic slave trade? You won't after reading this book. Do you struggle to love your parents? If you do, you need this book. Do you doubt the existence of God because belief in God is "irrational?" This book will give you reason after reason to rethink your doubts. The title of this commentary is, "The Rational Bible" because its approach is entirely reason-based. The reader is never asked to accept anything on faith alone. As Prager says, "If something I write does not make rational sense, I have not done my job." The Rational Bible is the fruit of Dennis Prager's forty years of teaching the Bible to people of every faith, and no faith. On virtually every page, you will discover how the text relates to the contemporary world and to your life. His goal: to change your mind – and then change your life.

Fashioning Jews Leonard Jay Greenspoon, 2013 Proceedings of the twenty-fourth annual symposium of the Klutznick

Chair in Jewish Civilization and the Harris Center for Judaic Studies, October 23-24, 2011--p. [i].

The Transformative Daf: Kesubos volume 2 Rabbi Daniel Friedman ,2022-09-01 Now that you've learned the daf, how will your life be transformed? Whether you've been doing daf yomi for years or you're not quite ready to commit but want to be part of the daf yomi global movement, there's something in The Transformative Daf for everyone. It's about joining the conversation. It's about talking over the daf with your family, your friends, your colleagues. It means never being short of a discussion-starter or a meaningful devar Torah. Every page of the Gemara, every word, every letter, contains the secrets of the universe to achieving a life of simchah and purpose. Transform your life today!
