Apart from Love Uvi Poznansky, 2012-02-15 Apart from Love is not your typical love story. All-consuming, heart-wrenching, and dark, it is an epic that starts when Ben returns to meet his father, Lenny, and his new wife, Anita. It is then that he discovers a family secret. How will they find a path out of conflicts, out of isolation, from guilt to forgiveness? My Own Voice ("As told by Anita"): Ten years ago, Anita started an affair with Lenny, in spite of knowing that he was married and that his wife was succumbing to a mysterious disease. Now married to him and carrying his child, how can she compete with Natasha's shadow and with her brilliance in the past? Given Anita's lack of education, how can she resist his compelling wish to transform her? Can she survive his kind of love? Faced with the way he writes her as a character in his book, how can Anita find a voice of her own? And when his estranged son, Ben, comes back and lives in the same small apartment, can she keep the balance between the two men, whose desire for her is marred by guilt and blame? The White Piano ("As told by Ben"): Coming back to his childhood home after years of absence, Ben is unprepared for the secret, which is now revealed to him: his mother, Natasha, who used to be a brilliant pianist, is losing herself to early-onset Alzheimer's, which turns the way

her mind works into a riddle. His father has remarried, and his new wife, Anita, looks remarkably similar to Natasha—only much younger. In this state of being isolated, being apart from love, how will Ben react to these marital affairs, when it is so tempting to resort to blame and guilt? “In our family, forgiveness is something you pray for, something you yearn to receive—but so seldom do you give it to others.” Behind his father's back, Ben and Anita find themselves increasingly drawn to each other. They take turns using an old tape recorder to express their most intimate thoughts, not realizing at first that their voices are being captured by him. These tapes, with his eloquent speech and her slang, reveal the story from two opposite viewpoints. Dealing with the challenging prospects of the marriage of opposites, this book can be read as a standalone novel as well as part of one of family sagas best sellers. Still Life with Memories is a family saga series tinged with family saga romance, fraught with marital issues, and riddled with the difficulty of connecting fathers and sons.

Give Me Some Truth Eric Gansworth,2018-05-29 A powerful new book from Eric Gansworth, author of If I Ever Get Out of Here, that speaks the truth on race, relationships, and rock from two unforgettable perspectives. Carson Mastick is

entering his senior year of high school and desperate to make his mark, on the reservation and off. A rock band -- and winning Battle of the Bands -- is his best shot. But things keep getting in the way. Small matters like the lack of an actual band, or his brother getting shot by the racist owner of a local restaurant. Maggi Bokoni has just moved back to the reservation with her family. She's dying to stop making the same traditional artwork her family sells to tourists (conceptual stuff is cooler), stop feeling out of place in her new (old) home, and stop being treated like a child. She might like to fall in love for the first time too. Carson and Maggi -- along with their friend Lewis -- will navigate loud protests, even louder music, and first love in this stirring novel about coming together in a world defined by difference.

Love Is a War Song Danica Nava, 2025-07-22 A Muscogee pop star and a cowboy who couldn't be more different come together to strike a deal in this new romantic comedy by Danica Nava, USA Today bestselling author of *The Truth According to Ember*. Pop singer Avery Fox has become a national joke after posing scantily clad on the cover of *Rolling Stone* in a feather warbonnet. What was meant to be a statement of her success as a Native American singer has turned her into a social pariah and dubbed her a fake. With threats coming from every direction and her career at a standstill, she escapes to her estranged grandmother Lottie's ranch in Oklahoma. Living on the rez is new to Avery—not only does she have to work in the blazing summer heat to earn her keep, but the man who runs Lottie's horse ranch despises her and wants her gone. Red Fox Ranch has been home to Lucas Iron Eyes since he was sixteen years old. He has lived by three rules to keep himself out of trouble: 1) preserve the culture, 2) respect the horses, and 3) stick to himself. When he is tasked with picking up Lottie's granddaughter at the bus station, the last person he expected to see is the Avery Fox. Lucas can't stand what she represents, but when he's forced to work with her on the ranch, he can't get her out of his sight—or his head. He reminds himself to keep to his rules, especially after he finds out the ranch is under threat of being shut down. It's clear Avery doesn't belong here, but they form a tentative truce and make a deal: Avery will help raise funds to save the ranch, and in exchange, Lucas will show her what it really means to be an Indian. It's purely transactional, absolutely no horsing around...but where's the fun in that?

How To Love A Hockey God Kim Moon, 2025-06-27 Be my girlfriend, Ryder said, his voice low and lazy. Obviously it's fake. We pretend to be a couple... make sure Caleb goes completely crazy. Lila Palmer never expected her senior year to start with heartbreak. She moved to Blackridge High for love—only to walk in on her boyfriend kissing another girl on her first day. His excuse? It was just a dare. Humiliated and done with trusting boys, Lila wants nothing more than to disappear. But then comes Ryder Black: captain of the hockey team, brooding Alpha-in-waiting, and the most untouchable guy in school. When he proposes a fake relationship to clean up his bad boy image—and give Lila sweet revenge—they both agree to keep it simple. No feelings. No drama. No real kissing unless someone's watching. But pretending gets complicated when the lines begin to blur. Because Ryder has secrets. Dangerous ones—ones that howl under the full moon. And what started as a deal

might just turn into something neither of them is ready for. She wanted revenge. He offered a game. But falling for a hockey god? That was never part of the plan.

Little Beth: A Girl's Path to Love Bethany Marie Franklin, 2019-11-14 Everything -- the good and bad, best and worst of it all -- started with a picket fence. At only 3 years old, Bethany Marie Franklin's mother set her down behind the picket fence of her grandparents' house and walked away without a glance back. With tears streaming hotly down her face, Little Beth watched as her mother calmly walked out of her life, an act that would thrust the child headlong into a ceaseless struggle for love. Along the way, she faced abuse, neglect, and anguish; she was berated by her grandmother, abused by her uncle, and passed from family to family as if she were only a temporary amusement. Life beat the innocent Beth to her knees, but it was at this lonely rock bottom that she first heard the words of Jesus. She found strength, courage, and love in God, and with her newfound faith, Little Beth gained the confidence she needed to carry on. With heart-wrenching poignancy, Bethany Marie Franklin recounts her life's pursuit through dark times to the joy of acceptance. "Little Beth: A Girl's Path to Love" is a touching, personal account that shows resiliency in the face of adversity and our ability to forge our own path through life with God's help and love.

Black Love Notes Denis Gray, 2014-07-24 Modecai Jefferson is a young, dynamic 1940s jazz musician who carries his piano on his back, hears music every second of the day, and enjoys playing for his lover and biggest fan in Way City, Alabama-Delores Bonet. To Modecai, he and Delores are like black love notes on a musical page. But all of that is about to change the day he hears a recording of up-and-coming Harlem jazz trumpeter, Bunny Greensleeves. If he wants to make a name for himself, Modecai needs to find a way out of Alabama and to the jazz capital of the world. Bunny, who is driven to overcome his impoverished Mississippi upbringing, desperately wants fame, fortune, and power. Meanwhile after Dolores's ex-con boyfriend returns and threatens Modecai's life, he heads for New York sooner than expected. After Modecai eventually meets up with Bunny, the two musicians struggle to overcome the obstacles in a city where success is marginal and failure is predicted—all while attempting to leave their mark with their dynamic talent and inventive jazz compositions. Now only time will tell if they will ever achieve all their dreams. *Black Love Notes* chronicles the journey of two young jazz musicians as they strive for fame and fortune amid a 1940s Harlem where hurt and regrets, crooked deals, and murder lurk

in the shadows.
