Displacing the Divine Douglas Alan Walrath, 2010-05-12 For more than forty years, Douglas Alan Walrath has tracked changing patterns of belief and church participation in American society, and his research has revealed a particularly fascinating trend: portrayals of ministers in American fiction mirror changing perceptions of the Protestant church and a Protestant God. --from publisher description

Until Proven Guilty J. A. Jance, 2009-10-13 “Any story by Jance is a joy.” —Chattanooga Times Now fans of the enormously popular Sheriff Joanna Brady suspense series by J.A. Field of Bones J. A. Jance, 2018-09-04 Sheriff Joanna Brady’s best intentions to stay on maternity leave take a hit when a serial homicide case rocks Cochise County, dragging her into a far-reaching investigation to bring down a relentless killer in this chilling tale of suspense from New York Times bestselling author J. A. Jance. This time Sheriff Joanna Brady may expect to see her maternity leave through to completion, but the world has other plans when a serial homicide case surfaces in her beloved Cochise County. Rather than staying home with her newborn and losing herself in the cold cases to be found in her father’s long unread diaries, Joanna instead finds herself overseeing a complex investigation involving multiple jurisdictions. Filled with the beloved characters, small town charm, vivid history, intriguing mystery, and the scenic Arizona desert backdrop that have made the Joanna Brady series perennial bestsellers, this latest entry featuring the popular sheriff is sure to please J. A. Jance’s legion of fans.

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may

choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor; young or old; conservative or liberal. So are the heroines. What incredible choices there are today in mystery series! This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s (298 of whom were covered in Volume 2) and easily exceeded the 347 series (and some outstanding individuals) described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition; changes in status, short reviews of books published since the first edition through December 31, 2008.

Sleuths in Skirts Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality.

Devil's Claw J. A. Jance, 2001-07-31 The report of an Indian woman's homicide at Cochise Stronghold in the Dragoon Mountains captures Joanna Brady's full attention. The woman was recently released from prison after serving time for the manslaughter of her husband.

What Do I Read Next? Volume 2 2003 Gale Group, Neil Barron, 2004 This volume contains descriptions of 1,245 books in nine fiction genres, including author or editor's name, publication information, story type, major characters, setting, plot summary, and more.

Ali Reynolds eNovella Box Set J.A. Jance, 2016-12-12 An enovella boxed set of *No Honor Among Thieves* and *A Last Goodbye* from New York Times bestselling author J.A. Jance. This boxed set also includes an excerpt of Jance's novel *Man Overboard*. *A Last Goodbye*: New York Times bestselling author J.A. Jance brings her trademark breakneck pace to this fun and exciting e-novella, where fan favorite Ali Reynolds takes on double responsibilities as both sleuth and bride. Ali Reynolds is finally getting married to her longtime love B. Simpson. They wanted a simple Christmas Eve wedding, but nothing is ever simple with Ali. Even as a motley crew of her friends—Leland Brooks, Sister Anselm, and others—descend on Vegas, the bride-to-be finds herself juggling last-minute wedding plans and a mystery in the form of a stray miniature dachshund. Ali's grandson rescues the little dog, but Ali's not in the market for a new pet right before her honeymoon and leaves no stone unturned in hunting for the dog's owner. But what she finds is more than just a shaggy dog story...Bella's elderly owner has vanished, and her son seems to be behind it. So it's Ali and B. to the rescue—and still making it to the church on time! *No Honor Among Thieves*: For the first time ever, Ali Reynolds and Joanna Brady, New York Times bestselling author J.A. Jance's popular series sleuths, join forces to solve a terrifying crime in this exclusive enovella that has everything you want in a thriller—page-turning action, breathtaking twists and turns, edge-of-your-seat suspense, and...Legos. "A semi's gone over the embankment." The call wakes Sheriff Joanna Brady in the middle of the night, but what brings her fully alert is the rest of the story. The driver didn't drift off to sleep and cross the center line—he was shot, multiple times, by someone with serious firepower. And when the truck crashed through the guardrail, its payload wound up scattered all over the road—boxes upon boxes of LEGOs. These LEGOs are being tracked by B. Simpson's security firm to reduce black market sales—and Ali Reynolds is just the woman to get to the bottom of the crime. She has the tech and the intel to follow the money (or, in this case, the LEGOs), which makes her a valuable asset to Joanna's team. Soon these two strong women realize that they're not just sharing a case, they're kindred spirits—which is paramount, because the killer they're up against is anything but child's play.
