Rich Dad's Increase Your Financial IQ Robert T. Kiyosaki, 2008-03-26 For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that it's not what you make....it's what you keep.
- o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can.
- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

Rich Dad Poor Dad (Kannada) Robert Kiyosaki,2020-10-26 Robert Kiyosaki's 'Rich Dad Poor Dad' is the #1 Personal Finance book of all time... translated into dozens of languages and sold around the world. 'Rich Dad Poor Dad' is Robert's story of growing up with two dads — his real father and the father of his best friend, his rich dad — and the ways in which both men shaped his thoughts about money and investing. The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you. In many ways, the messages of 'Rich Dad Poor Dad', messages that were criticized and challenged two decades ago, are more meaningful, relevant and important today than they were 20 years ago. Rich Dad Poor Dad... • Explodes the myth that you need to earn a high income to become rich • Challenges the belief that your house is an asset • Shows parents why they can't rely on the school system to teach their kids about money • Defines once and for all an asset and a liability • Teaches you what to teach your kids about money for their future financial success

Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards Robert T. Kiyosaki, Sharon L. Lechter,2000-11-01 Why cutting up your credit cards won't make you rich A popular TV personality often says, Take out your credit cards and cut them into pieces. While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich * Are you in credit card debt? * Is job security dead? * Is your financial security threatened? * Is a high-paying job the answer? * Is your money working for you? * Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

Why the Rich Are Getting Richer Robert T. Kiyosaki, Tom Wheelwright, 2018-12-11 It's Robert Kiyosaki's position that it is our educational system that causes the gap between the rich and everyone else. He laid the foundation for many of his messages in the international best-seller *Rich Dad Poor Dad* -- the #1 Personal Finance book of all time -- and in *Why the Rich Are Getting Richer*, he makes his case... In this book, the reader will learn why the gap between the rich and everyone else grows wider. In this book, the reader will get an explanation of why savers are losers. In this book, the reader will find out why debt and taxes make the rich richer. In this book, the reader will learn why traditional education actually causes many highly educated people, such as Robert's poor dad, to live poorly. In this book, the reader will find out why going to school, working hard, saving money, buying a house, getting out of debt, and investing for the long term in the stock market is the worst financial advice for most people. In this book, the reader will learn the answers Robert found on his life-long search, after repeatedly asking the question, When will we learn about money? In this book, the reader will find out why real financial education may never be taught in schools. In this book, the reader will find out What financial education is... really.

Why We Want You to be Rich Donald Trump, Robert T. Kiyosaki, 2006 The world is facing many challenges and one of them is financial. The entitlement mentality is epidemic, creating people who expect their countries, employers, or families to take care of them. Donald Trump and Robert Kiyosaki, both successful businessmen, are natural teachers and have joined forces to address these challenges. They believe you cannot solve money problems with money. You can only solve money problems with financial education. Trump and Kiyosaki want to teach you to be rich. Give a man a fish, and you feed him for a day. Teach him to fish, and you feed him for a lifetime. They each could have written a book on the subject, but they chose instead to write a book together because of their shared passion for education and their desire to bring emphasis to the importance of financial education. In addition they have designated a portion of the profits from each book to be donated to charitable and educational organizations that also support financial education. *Why We Want YOU To Be Rich, Two Men -- One Message* was written for you.

Poor Dad with Money Joe Ben,2022-10-22 The most popular book ever written about personal finance has been published worldwide and has been translated into numerous languages. The narrative of Robert's upbringing with two fathers-his real father and the wealthy father of his closest friend-and how both men influenced his views on monetary matters is told in Rich Dad, Poor Dad. The idea that you must have a high income to be wealthy is debunked in this book, which also outlines the distinction between working for money and letting your money work for you. Twenty years, 20/20 hindsight Robert provides an update on what has happened in terms of money, investing, and the global economy over the previous 20 years in the 20th-anniversary edition of this classic. As Robert evaluates how the lessons imparted by his wealthy father have held up over time, sidebars inserted throughout the book will fast forward readers from 1997 to the present. Rich Dad Poor Dad's messages, which were attacked and contested twenty years ago, are, in many respects, more vital, pertinent, and significant now than they were then. As usual, listeners should anticipate Robert's retrospective to be open-minded, insightful, and likely to rock a few boats. Are there going to be any surprises? Depend on it. Dad Rich, Dad Dad Poor shatters the lie that achieving wealth requires a huge income challenges the notion that your home is an asset and demonstrates why parents shouldn't rely on the education system to teach their children about money. clearly defines an asset and a liability and teaches you how to teach your children about money so that they will have financial success in the future and your money will work for you. With the hindsight of 20 years, In this classic's 20th anniversary edition, Robert provides an update on what has happened in terms of money, investing, and the world economy in the previous 20 years. In the course of the book, sidebars will fast forward readers from 1997 to the present as Robert evaluates how well his wealthy father's lessons have endured. In many ways, the lessons of Rich Dad Poor Dad-lessons that were critiqued and contested twenty years ago-are more valuable, pertinent, and significant now than they were then. In his retrospective, Robert will, as usual, be open-minded, and provocative, and continue to rock a lot of boats. There could be some surprises, right? It's a given. Fathers are rich or poor. debunks the fallacy that achieving wealth requires a high income demonstrates why parents shouldn't rely on the educational system to teach their children about money and challenges the notion that your home is an asset clarifies what an asset and a liability are once and for all teaches you how to teach your children about money so that they can have financial success in the future
