Created to Be His Help Meet Debi Pearl,2014-10-27 Created to Be His Help Meet, first published 10 years ago, has sold over 500,000 copies in 12 languages. I am amazed, reading the testimonies of woman in England, India, Saudi Arabia, China, Australia, and many other countries, as they share how their marriages have been saved and enriched through these biblical truths. Over the years I have learned from these many women, and, responding to their cries for help, have added TWO NEW CHAPTERS and other small revisions to address their needs. One of the new chapters is called, Servant or Servitude? There is a difference. One is godly, the other devilish. Did we fail to make that distinction clear enough the first time around? Some have indicated such. So we tackled the subject head on. May God continue to bless you as you read and obey the wonderful words of God.

Summary of Debi Pearl's Created to Be His Help Meet Everest Media,2022-04-09T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 You were created to fill a man's need for a helper, and in that capacity you are a good thing suited to his needs. You are inferior to none as long as you function within your natural nature, for no man can do your job. #2 When you are a help meet to your husband, you are a helper to Christ. When you honor your husband, you honor God. When you obey your husband, you obey God. #3 God's original plan was that Adam and Eve be husband and wife, but Eve was created to be a help meet to Adam. As you read this, it may seem like blasphemy, but your husband deserves you as his help meet. #4 Men are created to be helpers of God. Society is structured so that men and women must submit to authorities like government, employers, police, and the courts. There is no loss of dignity in subordination when it serves a higher purpose.

Is Your Home A Jesus Home? Jeremy,,Sushma Ballard,2022-08-05 What is a Jesus home? A Jesus home is a home that is Christ-centered. It follows God's design for marriage and family. Each member of the family must do his part to keep the home a Jesus home. God designed family to reflect His love and unity. In today's world, it appears that many people have abandoned the scriptures. In this book, we will look at the Bible to see how God designed marriage and family. We will discover how marriage and family have fallen apart. We will study scriptures throughout the Bible to see examples. In order

for us to be a Christ-centered home, we must understand the roles of each member of the family according to God's design. We will learn how God's design can and will be restored. Let us get back to the basics on how to be a Christ-centered home, a Jesus home.

A Well-Trained Wife Tia Levings, 2024-08-06 The instant New York Times bestseller: “Today it hit me when he hit me, blood shaking in my brain. Maybe there wasn’t a savior coming. Maybe it was up to me to save me.” Recruited into the fundamentalist Quiverfull movement as a young wife, Tia Levings learned that being a good Christian meant following a list of additional life principles—a series of secret, special rules to obey. Being a godly and submissive wife in Christian Patriarchy included strict discipline, isolation, and an alternative lifestyle that appeared wholesome to outsiders. Women were to be silent, “keepers of the home.” Tia knew that to their neighbors her family was strange, but she also couldn't risk exposing their secret lifestyle to police, doctors, teachers, or anyone outside of their church. Christians were called in scripture to be “in the world, not of it.” So, she hid in plain sight as years of abuse and pain followed. When Tia realized she was the only one who could protect her children from becoming the next generation of patriarchal men and submissive women, she began to resist and question how they lived. But in the patriarchy, a woman with opinions is in danger, and eventually, Tia faced an urgent and extreme choice: stay and face dire consequences, or flee with her children. Told in a beautiful, honest, and sometimes harrowing voice, *A Well-Trained Wife* is an unforgettable and timely memoir about a woman's race to save herself and her family and details the ways that extreme views can manifest in a marriage.

Out of Control Natalie Collins, 2019-04-26 All of us will be familiar with supporting friends, family and colleagues through the ups and downs of relationships. But could some of the more difficult times of argument and conflict be more than general relationship issues? Is there something more sinister going on? Over the course of a lifetime, 30% of women and 16% of men will be subjected to abuse by a partner, yet so many of us are unsure exactly what constitutes domestic abuse, and wouldn't know how to react if we, or one of our friends or family, found ourselves in a relationship with an abuser. Natalie Collins is the perfect guide to lead you through this subject, amassing over a decade's experience leading workshops, raising awareness and capturing national media attention in her work against domestic abuse. Highly readable, invaluable insightful and steeped in theological insight, Natalie starts right from the basics, exploring what domestic abuse is, why it is perpetrated and the impact it has on children and adults. Filled with case studies, including Natalie's own story, this book offers much-needed advice on how we can address domestic abuse, both as individuals and as a church community.

Christian Discipleship and the Local Church Steve Urick, 2012-11 When a person becomes a Christian the ongoing work of discipleship continues. The intake of sound Bible doctrine into the soul is vital in order to grow spiritually strong and mature. This is where the crucial role of the local church comes in. Every believer needs to be taught by qualified leaders (evangelists, pastor-teachers, etc.) and be ministered to by various other gifted members of the body of Christ. Christian

Discipleship and the Local Church gives basic knowledge to find a good church, discover one's spiritual gift/s, and advance in the Christian life. It also equips Christians with concise and easy to read material to use when doing the life-changing work of discipling others. It can even be used for church-planting or strengthening existing churches.

Encyclopedia of Domestic Violence and Abuse Laura L. Finley, 2013-07-16 This comprehensive, two-volume work examines domestic abuse in the United States and worldwide, providing research, personal stories, and primary documents that reveal the extent of the problem. An estimated 1,300 to 1,800 Americans are murdered by intimate partners each year. Far from being a problem that only impacts women, domestic violence hurts society as a whole both socially as well as financially, with an estimated direct and indirect cost of nearly \$6 billion annually in the United States. This book provides a timely and thorough reference for educators, students, scholars and activists seeking to better understand the global issue of domestic abuse. The entries document the history of the domestic violence prevention movement, provide explanations for abuse, identify warning signs of hidden abuse, describe types of victims and offenders, and supply information on interventions and prevention programs. Written by an array of experts in the field, the book also integrates the personal stories of survivors and addresses abuse as a global issue by covering topics such as acid attacks and female genital mutilation.

Pilgrimage of a Soul Phileena Heuertz, 2017-10-03 Activists can only go so far for so long before burning out. Including extended spiritual practices in this revised edition, Phileena Heuertz offers her story and helps us see that contemplation is not just a luxury, it is essential—not only to a life of sustained commitment to justice, but to the fully human life in the Holy Spirit.

Quiverfull Kathryn Joyce, 2009-03-01 Kathryn Joyce's fascinating introduction to the world of the patriarchy movement and Quiverfull families examines the twenty-first-century women and men who proclaim self-sacrifice and submission as model virtues of womanhood—and as modes of warfare on behalf of Christ. Here, women live within stringently enforced doctrines of wifely submission and male headship, and live by the Quiverfull philosophy of letting God give them as many children as possible so as to win the religion and culture wars through demographic means.

I Fired God Jocelyn R. Zichterman, 2013-05-14 A compelling memoir and account of the Independent Fundamental Baptist church and its shocking history of religious abuse. Jocelyn Zichterman was born, raised, married into, and finally, with her family, fled the Independent Fundamental Baptist church. Founded by the fiery preacher Bob Jones, with several hundred thousand members, IFB congregants are told they must not associate with members of other Baptist denominations and evangelicals, with an emphasis on secrecy, insular marriages within the church, a subservience for women, and unusual child raising practices. In *I Fired God*, Jocelyn Zichterman systematically details the IFB's disturbing history, exposing a cult-like atmosphere of corruption, greed, and abuse. Having been initiated into its innermost circles, Zichterman knows that the

gentle demeanor America sees in the form of the Duggar clan on 19 Kids and Counting disguises the truth about the darker side of the church. With written documentation and sources so thorough that law enforcement has used her work as a foundation for criminal prosecutions, Zichterman exposes the IFB with revelations including: - The disturbing world of abuse within the IFB and doctors and teachers who cater exclusively to church members and fail to report physical and sexual abuse - The IFB-controlled Bob Jones University, which issues degrees of questionable value while making vast sums of money for its founders - The way the IFB influences politics on the local, state, and national level, and protects its abusive culture under the constitutional guarantee of freedom of religion

The Brainy Bunch Kip Harding, Mona Lisa Harding, 2020-09-29 “A straightforward, practical guide that takes an anyone-can-do-this approach” (Kirkus Reviews), *The Brainy Bunch* outlines the Harding family’s well-rounded method for producing college-ready kids by age twelve. Having six out of ten kids go to college is no small feat on its own, but having six kids in college before their teens—that’s nothing short of incredible. “Never judgmental and not without humor,” this “fascinating read” (Library Journal) is Kip and Mona Lisa Harding’s story of producing exactly those extraordinary results. Kip and Mona Lisa are parents to an engineer (who earned her BS in mathematics at seventeen), an architect (who became the youngest member of the American Institute of Architects), a Navy physician (who earned her biology degree at seventeen), an entrepreneur (who earned an MS in computer science at seventeen), a sixteen-year-old college senior studying music theory and performance, a thirteen-year-old Middle Ages scholar with the highest average in his college class, and four others who are following fast in their siblings’ footsteps! No wonder the family is so used to being asked: How did you do it? In an “impressive” (Publishers Weekly), down-to-earth narrative, Kip and Mona Lisa reveal with warmth and humility the strategies behind their family’s amazing educational accomplishments. Filled with daily regimens, advice for providing children with fulfilling experiences that go beyond the home, and tips for making the transition to college, theirs is an inspirational real-life success story that anyone can achieve—whether you homeschool your children or not. Featured on the Today show and FOX, *The Brainy Bunch* is uplifting and ultimately relatable proof of what any family can accomplish through dedication, love, faith, and hard work.

Holding It Together Jessica Calarco, 2024-06-04 Other countries have social safety nets. The U.S. has women. *Holding It Together* chronicles the causes and dire consequences. America runs on women—women who are tasked with holding society together at the seams and fixing it when things fall apart. In this tour de force, acclaimed Sociologist Jessica Calarco lays bare the devastating consequences of our status quo. *Holding It Together* draws on five years of research in which Calarco surveyed over 4000 parents and conducted more than 400 hours of interviews with women who bear the brunt of our broken system. A widowed single mother struggles to patch together meager public benefits while working three jobs; an aunt is pushed into caring for her niece and nephew at age fifteen once their family is shattered by the opioid epidemic; a daughter

becomes the backstop caregiver for her mother, her husband, and her child because of the perceived flexibility of her job; a well-to-do couple grapples with the moral dilemma of leaning on overworked, underpaid childcare providers to achieve their egalitarian ideals. Stories of grief and guilt abound. Yet, they are more than individual tragedies. Tracing present-day policies back to their roots, Calarco reveals a systematic agreement to dismantle our country's social safety net and persuade citizens to accept precarity while women bear the brunt. She leads us to see women's labor as the reason we've gone so long without the support systems that our peer nations take for granted, and how women's work maintains the illusion that we don't need a net. Weaving eye-opening original research with revelatory sociological narrative, *Holding It Together* is a bold call to demand the institutional change that each of us deserves, and a warning about the perils of living without it.

A Titus 2 Woman Autumn Haney, 2022-11-03 Likewise, teach the older women to be reverent in the way they live, not to be slanderers or addicted to much wine, but to teach what is good. Then they can urge younger women to love their husbands and children, to be self-controlled and pure, to be busy at home, to be kind, and to be subject to their husbands, so that no one will malign the word of God. (Titus 2:3aEUR5) A Titus 2 Woman is a breaking apart of these few verses in Titus 2. Not expecting women to be the perfect version of this woman, but to align our hearts with GodaEUR(tm)s and allow the Holy Spirit to transform us into this woman. This book is a lot of my real life on a platter. My mistakes, my failures, my dreams, and my passion. My prayer in being so vulnerable and real with you is to create a revolution of generations of women who want to live their lives in reverence of the Lord and then teach younger women the importance of this. We get to leave a legacy behind in this world; mine is simply to love others and love God. In this, my passion is fueled by GodaEUR(tm)s dream for my life from the very beginning. This book reveals amazing things God spoke to me, my lack of confidence in myself, and best of all, what it looks like to be obedient to our purpose in life! This, A Titus 2 Woman, is my purpose. I pray it blesses you.

Missing Saints Karen Mercado, 2019-05-05 When the Rapture occurs, the entire world will be in a state of panic. The

ones left who will have the answers to what is really happening, according to the Bible, will be the ones preoccupied with their own challenges and not so eager to explain what they know out of fear of being captured, persecuted, or executed for their faith in God. Christians will turn into a self-sufficient society because of an inability to buy, sell, or trade, which will result from them refusing the 666 Mark of the Beast. The government will become so big that most people will depend on it and will blame the chaos on the disappearances of Christians. That will fuel the hatred of the ungodly toward the Christians. This book provides hope, according to the teachings of Jesus, to the people who remain after the Rapture. Even when God turns His back on this world, it will not be too late to come to Him, although time will be running out. Some people will successfully find ways to survive in the last days. It will be quite a survival game. Those who have it figured out will use Revelation as a guide to prepare themselves physically, mentally, and spiritually. I hope to paint a picture of what the world might look like in a fictional sense so that people can have hope for their future, know what to expect, and know that God still loves every one of us. He wants no man to perish. He came so that we may have life abundantly. What will that mean for the ones left behind?
