Love Is! Frank M. Hasel, 2024-04-02 *Love Is!* is more than just one man's story--it is an invitation to every heart that grieves the loss of a loved one. When Frank Hasel lost the love of his life, everything turned upside down and he was thrust into a world of aching absence and unexpected responsibilities as a young widower and father of three. In these pages, he shares his raw, honest journey through grief as a fellow traveler. This book is not a manual--it is a companion. Frank's reflections do not offer easy answers, but they do offer something deeper: hope, presence, and a powerful reminder that while death may take a loved one, it cannot take the love others carry for them. *Love Is!* explores how grief and grace can

coexist and how gratitude can grow even in the darkest seasons. Whether readers are grieving a lost heart hero--someone whose love shaped their world--or simply want to understand how to offer real, helpful help in times of loss, this book speaks to the human journey of holding on and letting go.

When Mattie Taylor's twin brother was killed in Vietnam, she lost her best friend and the only person who really understood her. Now, news that her mother is dying sends Mattie back home, despite blaming her father for Mark's death. Ava Delaney is picking up the pieces of her life following her husband's death at Pearl Harbor. Living with her mother-in-law on a secluded farm in Tennessee is far different than the life Ava imagined when she married only a few short months ago. Desperate to get out of the house, Ava seeks work at a nearby military base, where she soon discovers the American government is housing Germans who they have classified as enemy aliens. As Ava works to process legal documents for the military, she crosses paths with Gunther Schneider, a German who is helping care for wounded soldiers. Ava questions why a man as gentle and kind as Gunther should be forced to live in the internment camp, and as they become friends, her sense of the injustice grows . . . as do her feelings for him. Faced with the possibility of losing Gunther, Ava must choose whether loving someone deemed the enemy is a risk worth taking, even if it means being ostracized by all those around her. In the midst of pain and loss two women must come face-to-face with their own assumptions about what they thought they knew about themselves and others. What they discover will lead to a far greater appreciation of their own legacies and the love of those dearest to them. Includes discussion guide for book groups Standalone Southern, historical family drama about enduring hope amid personal tragedy Clean, suspenseful historical fiction, perfect for fans of Susan Meissner or Lisa Wingate Dual timeline set during the Vietnam War and WWII.

Everything We Thought We Knew Carolyn Niethammer, 2025-02-10 In 1970, Christie left behind the comforts of L.A. and joined a New Age commune in rural Arizona. With the Vietnam War raging and the counterculture movement in full swing, she hoped to find her place in the world and create a better society. But building a new social order is no easy task, especially when free love, psychedelics, and a war protest gone horribly wrong are thrown into the mix. While dancing under the moon in an Indian ruin, Christie reconnects with a lover from a past life, setting in motion events that reverberate through their futures. The end of the commune is not the end of the story. Thirty years later, a child born there forces long-held secrets to be revealed, and everyone's lives are changed forever. If you're a fan of the Woodstock generation, or simply curious about the counterculture of the 1960s, this book will transport you back to this tumultuous era. Put on your tie-dyed shirt and come to Bella Vida as the friends try to change the rules of modern society, then face the repercussions when

middle age sets in. If you enjoyed books like *The Electric Kool-Aid Acid Test* by Tom Wolfe or *On the Road* by Jack Kerouac, you'll love this one.

Rose White always believed that one day she would live happily ever after with the man of her dreams, in a house full of their beautiful children. When she finally fell head over heels in love, she thought that those dreams had come true. But when she packed up her belongings and left her parents' home at eighteen years of age, she soon realized that the man she was running off with wasn't the one she

knew. After their wedding and the birth of their baby, their relationship plummeted into an abyss of lies, abuse, affairs, and manipulation. She desperately wanted to reconnect with her estranged family, but her husband wouldn't hear of it. Left with no other choice but to sneak out of the house with the baby, she risked what would only be imminent: verbal and physical violence at his hands. Rose holds nothing back as she takes readers on her journey, reminding them that regardless of their circumstances, they're never alone. She tells it like it is—the good and the bad, the pleasure and the pain—and how she survived.

What We Knew Eric A Johnson,Karl-Heinz Reuband,2008-07-31 The horrors of the Nazi regime and the Holocaust still present some of the most disturbing questions in modern history: Why did Hitler's party appeal to millions of Germans, and how entrenched was anti-Semitism among the population? How could anyone claim, after the war, that the genocide of Europe's Jews was a secret? Did ordinary non-Jewish Germans live in fear of the Nazi state? In this unprecedented firsthand analysis of daily life as experienced in the Third Reich, *What We Knew* offers answers to these most important questions. Combining the expertise of Eric A. Johnson, an American historian, and Karl-Heinz Reuband, a German sociologist, *What We Knew* is the most startling oral history yet of everyday life in the Third Reich.

Freddie Mercury: An Intimate Memoir by the Man who Knew Him Best Peter Freestone,2010-01-07 An intimate memoir of the flamboyant Queen singer by the man who knew him best. Peter Freestone was Freddie Mercury's Personal Assistant for the last 12 years of his life. He lived with Mercury in London, Munich and New York, and he was with him when he died. In this book, the most intimate account of Mercury's life ever written, he reveals the truth behind the scandalous rumours, the outrageous lifestyle and Mercury's relationships with men, women and the other members of Queen. From the famous names - including Elton John, Kenny Everett, Elizabeth Taylor and Rod Stewart - to the shadowy army of lovers, fixers and hangers-on, Peter Freestone saw them all play their part in the tragi-comedy that was Freddie Mercury's life. Freestone lived with Mercury in Europe and America for over a decade. From the East 50s apartment in New York to Kensington Lodge, the house in London where Mercury died - not to mention innumerable international hotel rooms and apartments in between - Freestone was always on hand to serve and protect the man he had first met in the Biba department store in the early 1970s. Then Queen was a largely unknown band. Soon it would be the most glitzy of glam rock bands. Freestone saw the fame arrive and with it the generosity, the excess, and the celebrity friends who came and went. "I was chief cook and bottle washer, waiter, butler, valet, secretary, amanuensis, cleaner, baby-sitter... and agony aunt," he writes. "I shopped for him both at supermarkets and art markets, I travelled the world with him, I was with him at the highs and came through the lows with him. I saw the creative juices flow and I also saw the frustration when life wasn't going well. I acted as his bodyguard when

needed and in the end, of course, I was one of his nurses.” Freestone’s bet-selling account of a talented and extravagant star’s life and death is compelling, entertaining and ultimately, very touching. Illustrated with many photos from personal and Freestone’s own archives. Press Reviews “An entertaining and thought provoking read” – PRS for Music Sales “This collection of Freddie’s own words is the closest thing there is to an autobiography of a man with no regrets. The foreword is written by his mother” – reFRESH magazine, Leading Gay mag in the UK

I Never Knew How Much My Father Loved Me... Richard W.D. Ganton, 2022-06-17 From football to theology, from gang warfare to romance, *I Never Knew How Much My Father Loved Me* has something for everyone. Richard Ganton has created a cast of characters and a series of events that will engage, entertain, and challenge readers to consider their own biases and prejudices. John Jeremiah is a seven-foot-tall gentle giant studying for the ministry at Princeton Theological Seminary. The son of a pro-football player, he has a big reputation to live up to. At the same time, he’s a deep thinker and genuinely caring man, and he quickly becomes the de facto chaplain of his residence, dealing with issues in creative yet effective ways. He carries his own burdens, however, birthed from an accident on the football field that saw his best friend injured and subsequently confined to a wheelchair. John carries this “demon” with him into the ministry, where he also confronts new challenges. Mr. Ganton provides his audience with a look into prejudice in the church when John, a Black man, takes a position with a White congregation in Atlanta as the college and careers pastor. Although he meets with resistance, he thrives, and in time he takes on the gangs of the city with the love of God. Finding love for himself in the process, John allows God to mold him and refine him for His purposes. An inspiring and moving novel that will touch the hearts of readers and affirm to them the overwhelming mercy and love of their creator.

The Lifetimes When Jesus and Buddha Knew Each Other Gary R. Renard, 2018-11-27 These stories about the multiple shared lifetimes of Jesus and the Buddha’s reincarnations offer startling revelations about the universe, *A Course in Miracles*, and the path to enlightenment Two and a half decades ago, Ascended Master Teachers Arten and Pursah appeared to Gary Renard and held a series of conversations with him that elaborated on the teachings of two spiritual classics, *The Gospel of Thomas* and *A Course in Miracles*. Disappearance of the Universe, Your Immortal Reality, and Love Has Forgotten No One. This fourth book is a companion to the original trilogy, yet written to stand alone—an invitation for new readers into this fascinating work. This book explores six of the lifetimes in which the incarnations of Jesus and Buddha lived together, beginning in 700 B.C. when they were known as Saka and Hiroji. Through the spiritual lessons that Jesus and Buddha learn on their path, Arten and Pursah clarify the difference between duality and nonduality. When you are able to internalize these lessons, you will be saved countless years in your spiritual development.

He Knew Where He Was Going (?) Donald H. Carpenter, 2011-02-18 Before he was a teenager, James Davidson entered a life of promiscuity and experimentation that continues virtually nonstop for the next thirty years. He moves from city to city, entering one marriage or relationship and then another, but always keeping a private compartment in his life, away from the view of others, or so he hopes. Well aware of the dangers and pitfalls of such a life, he nonetheless forges ahead, trying new things that seem to happen naturally, and never discouraged by the occasional setback. It is all part of life, he decides over and over. But is it? Is he in fact on a natural course? Or is he heading for a terrible collision with reality? Written by Donald H. Carpenter, author of *Dueling Voices*, *101 Reasons NOT To Murder The Entire Saudi Royal Family*, and *I Lost It At The Beginning*, this new novel explores some of the most controversial areas of private human behavior.
