"Know now" vs. "now know" - *English Language & Usage Stack ...* Jan 3, 2017 · The sentence I'm writing goes like this: As much as I love the pure sciences, I know now a well-rounded education is valuable. But the words "know" and "now" are so similar that every time I read... **"aware" vs "know" - English Language & Usage Stack Exchange** For me, know implies knowledge of details or individual pieces, while am aware of implies a knowledge only of a whole. Using your example, knowing my rights means that I know I have the right to remain silent, the right to be represented by an attorney, etc. Being aware of my rights might mean the same thing, but implies that I know that I do have rights, but am not sure what those rights are. *Over the phone: "I know who that is" vs "I know who this is"* Jan 3, 2020 · or "I know who that is" in a phone conversation. We use the determiner this to refer to someone whose voice we literally hold in our hand. A third party, hearing us on the phone, might ask us "Who is that?" but this is always used to refer to the party on one's own line. *"Know about" vs. "know of" - English Language & Usage Stack ...* Recently one of my friends told me that there is distinct difference between 'know of something' and 'know about something' expressions. 'know of' is used when you have personal experience with wha... Meaning and interpretation of Bilbo's "half as well" quote Feb 29, 2016 · In The Lord of The Rings, Bilbo says the following to his assembled guests at his eleventy first birthday party: I don't know half of you half as well as I should like; and I like less than hal... **grammaticality - "Whether or not" vs. "whether" - English ...** In a sentence where two options are offered, no 'or not' is required - in fact it would be quite cumbersome. However, if the option is to do or not to do, is or isn't, then the 'or not' is required. I don't know whether I should have the fish or the chicken. I don't know whether I should eat or not. *grammar - When to use know and knows - English Language* I'm confused in whether to write know or knows in the following statement:- "The ones who are included know better."? Also explain the difference between the two, thanks. Should I use 'no' or 'know'? [duplicate] - English Language 4 Neither of those sentences are valid English, but to answer your question, when you want to confirm something you've said is correct no is a valid option while know is not. In a bit better English: You also attend the same college, no? I believe this usage of no is more a carry over from other languages, however, especially romantic languages. Which is correct: "So far as I know" or "As far as I know"? Mar 28, 2011 · Thus, "As far as I know, Bob is happy" over "Bob is happy, so far as I know". They are equivalent in meaning therefore, but choice of one over another betrays, for me, certain prejudices. I also sense that "so far as" sounds slightly antiquated and is losing ground.

Knows not v. Doesn't know - English Language & Usage Stack ... It might be a good alternative when you need to avoid contractions but don't want to use the clunky "He does not know." "He doesn't know" is off limits, so you say "He knows not." Especially good for poetry. Consider the famous example of someone picking peddles off a flower saying "She loves me, she loves me not" or "He loves me, he loves me not."
