

I Need A New Butt Book

Lon Wong

I Need a New Butt! Dawn McMillan,Ross Kinnaird,2014-09-17 After discovering that his butt has a crack in it, a young boy looks for a replacement.

I Need a New Butt!, I Broke My Butt!, My Butt is So NOISY! Dawn McMillan,Ross Kinnaird,2021-08-18 I need a new butt!: A rhyming story about a young boy who, upon noticing that his butt has a huge crack, sets off to find a new butt.

"I fart in your general direction!" Don H. Corrigan,2023-07-26 This exhaustive work on flatulence breaks new wind on every aspect of abdominal gas in popular culture. A definitive taxonomy of farts details the characteristics of each variety, including barking spiders, cheek squeakers and green apple dirties. Philosophical positions on colonic expression are examined, from Confucius, Hume, Voltaire and the existentialists. Chapters cover a wide range of fart-focused stand-up comedy, cinema, children's books, toys and merchandise. The author's postscript describes a lifetime preparing for his subject through fraternity membership and offbeat assignments as a newspaper journalist.

I Need a New Butt Journal Publish Book,2019-12-25 The inventive young hero from the bestselling I Need a New Butt! is back and this time he give to you I Need a New Butt Journal-- unofficial product I Need a New Butt Journal with 120 pages For your child. White Rural Rage Tom Schaller,Paul Waldman,2025-05-27 NEW YORK TIMES BESTSELLER • A searing portrait and damning takedown of America's proudest citizens—who are also the least likely to defend its core principles “This is an important book that ought to be read by anyone who wants to understand politics in the perilous Age of Trump.”—David Corn, New York Times bestselling author of *American Psychosis* White rural voters hold the greatest electoral sway of any demographic group in the United States, yet rural communities suffer from poor healthcare access, failing infrastructure, and severe manufacturing and farming job losses. Rural voters believe our nation has betrayed them, and to some degree, they're

right. In *White Rural Rage*, Tom Schaller and Paul Waldman explore why rural Whites have failed to reap the benefits from their outsize political power and why, as a result, they are the most likely group to abandon democratic norms and traditions. Their rage—stoked daily by Republican politicians and the conservative media—now poses an existential threat to the United States. Schaller and Waldman show how vulnerable U.S. democracy has become to rural Whites who, despite legitimate grievances, are increasingly inclined to hold racist and xenophobic beliefs, to believe in conspiracy theories, to accept violence as a legitimate course of political action, and to exhibit antidemocratic tendencies. Rural White Americans' attitude might best be described as "I love my country, but not our country," Schaller and Waldman argue. This phenomenon is the patriot paradox of rural America: The citizens who take such pride in their patriotism are also the least likely to defend core American principles. And by stoking rural Whites' anger rather than addressing the hard problems they face, conservative politicians and talking heads create a feedback loop of resentments that are undermining American democracy. Schaller and Waldman provocatively critique both the structures that permit rural Whites' disproportionate influence over American governance and the prospects for creating a pluralist, inclusive democracy that delivers policy solutions that benefit rural communities. They conclude with a political reimaging that offers a better future for both rural people and the rest of America.

How to Build Your Very Own Little Free Library Little Free Library, Philip Schmidt, 2025-09-02 Expand the book-sharing movement to your community with *How to Build Your Very Own Little Free Library*--your photo-illustrated, inspirational source for building tiny sharing libraries. Around the world, a community movement is underway featuring quaint landscape structures mounted on posts in front yards and other green spaces, as well as supported in large pots and other vessels outside homes and businesses on busy urban streets. They are evidence of the growing trend toward neighborhood organization, community outreach, and in some cases, a quiet protest against book bans. This movement has been popularized by Minnesota-based Little Free Library (LFL), whose members currently include 200,000 library stewards around the world who seek to build community togetherness and promote reading by sharing books among neighbors. LFL has inspired builders to use similar structures to share things like CDs, food, and seeds in the community. Produced in cooperation with the Little Free Library nonprofit organization and authored by professional carpenter Phil Schmidt, *How to Build Your Very Own Little Free Library* is the builder's complete source of inspiration and how-to knowledge. This newly updated, information-packed guide features: A how-to for planning and designing your little sharing structure An overview of building materials and tools 11 complete plans for structures of varying sizes and aesthetics Step-by-step color photography and instructions A gallery of tiny structures, along with uplifting words from stewards, for further inspiration Information on proper installation of the small structures Common repairs and maintenance for down the road Timely information on how LFL has become part of the growing movement against book bans *How to Build Your Very Own Little Free Library* even

includes information on how to become an official library steward, getting the word out about your little structure once it's up and running, and tips for building a lively collection. Also included are QR codes for additional building videos as well as interactive maps for locating other LFLs near you--or wherever you may travel! Community togetherness has never been so much at the fore of our consciousness--or so important. How to Build Your Very Own Little Free Library is one tool on the road to helping you build community in your neighborhood.

I Need a New Butt! Stickers Dawn McMillan,2022-03-16 Twenty adorable sticker images feature the boy with the troublesome backside from the best-selling storybook series I Need a New Butt!, I Broke My Butt!, My Butt is SO NOISY!, and My Butt is SO SILLY!

Teach Truth Jesse Hagopian,2025-01-14 In the face of relentless attacks on antiracist education, a much-needed reckoning with the roots of this latest wave of censorship and an urgent call to action to defend education. In just the last few years, scores of states have introduced or passed legislation that would require teachers to lie to students about structural racism and other forms of oppression. Books have been cut from curricula and pulled from school library shelves. Teachers have been fired and threatened with discipline. As long-time organizer, writer, and high school teacher Jesse Hagopian argues in Teach Truth, at stake is our democracy, not to mention the annihilation of entire systems of knowledge that challenge the status quo. As Hagopian shows by exploring the origins, philosophy, and manifestations of these attacks, the Right's effort to regulate knowledge is an attempt to maintain its power over the American capitalist system, now and into the future. Yet the struggle for a liberatory education has a long history in the United States, from the days when it was illegal for Black people to be literate, to the Civil Rights and Black Power movements, to Black Lives Matter at School today. Teachers, students, and their allies are already building a movement - in the classroom, on campus, and in the streets - to defend antiracist education.

Butts on THE RUN! Dawn McMillan,2023-04-07 Join in the fun as everyone's favorite young hero gets in shape for a cross-country race and tries to find the secret to winning. Another delightful story that will have you giggling along from start to very surprising finish!

Where the Wild Things Were Henry Jenkins,2025-02-25 Explores iconic works from The Cat in the Hat to The Twilight Zone to explain cultural trends in parenting and how we conceptualize childhood The 60s produced a Baby Boom generation that catalyzed the dawn of a new era—the space age, the age of television, the global age, and the beginnings of civil rights. At the same time, a new paradigm for parenting was unfolding that put emphasis on permissiveness, defined by what it permitted - the free and unfettered impulses of children. Others worried that the wildness of children, personified by the characters in Maurice Sendak's 1963 classic children's book, Where the Wild Things Are, was destructive, disruptive and disrespectful. Where the Wild Things Were centers on the exploding, contentious national conversation about the nature of

childhood and parenting in the postwar US emblemized by Dr. Spock's Baby and Child Care. Renowned scholar Henry Jenkins demonstrates that the language that shaped a growing field of advice literature for parents also informed the period's fictions—in film, television, comics, children's books, and elsewhere—produced for and consumed by children. In particular, Jenkins demonstrates, the era's emblematic child was the boy in the striped shirt: white, male, suburban, middle class, Christian, and above all, American. Weaving together intellectual histories and popular texts, Jenkins shows how boy protagonists became embodiments of permissive child rearing, as well as the social ideals and contradictions that permissiveness entailed. From Peanuts comic strips and TV specials to *The Cat in the Hat*, *Dennis the Menace*, and *Jonny Quest*, the book reveals how childhood and the stories about it became central to Cold War concerns with democracy, citizenship, globalization, the space race, science, race relations, gender, and sexuality. Written by a former boy in a striped shirt, *Where the Wild Things Were* explores iconic works, from *Mary Poppins* to *Lost in Space*, contextualizing them through a critical but respectful engagement with the core animating ideas of the permissive imagination.

American Education Joel Spring, 2023-12-13 Featuring current information and challenging perspectives on the latest issues and forces shaping the American educational system—with scholarship that is often cited as a primary source—Joel Spring introduces readers to the historical, political, social and legal foundations of education and to the profession of teaching in the United States. In his signature straightforward, concise approach to describing complex issues, he illuminates events and topics that are often overlooked or whitewashed, giving students the opportunity to engage in critical thinking about education. Students come away informed on the latest topics, issues and data and with a strong knowledge of the forces shaping the American educational system. Updated throughout, the 21st edition of this clear, authoritative text remains fresh and up-to-date, reflecting the many changes in education that have occurred since the publication of the previous edition. New coverage includes: Discussion of “culture wars” and critical race theory Parental rights versus the goals of common education LGBTQIA+ students’ rights Discussion of the current administration’s educational policies

My Butt is So Noisy! Dawn McMillan, Ross Kinnaird, 2021-01-13 Everyone's favorite character from the bestselling *I Need a NEW BUTT!* and *I Broke MY BUTT!* is back with a new problem — his butt is too noisy! Follow our hero's hilarious adventures in the latest and loudest sequel by Dawn McMillan and Ross Kinnaird.

I Need a New Butt! Jhon Nok,2020-11-03 A creative young hero from the best-selling I Need a New Butt! Back and this time I Need a New Butt Journal--Unofficial Product I Need a New Butt Journal with 120 pages For your child.Right now, I can bet your child will love this book (a necessity) on every bookshelf.

The Poor Little Rich Girl Eleanor Gates,2016-03-21 Seven-year-old Gwendolyn has every material comfort a girl could wish for, from dolls and fine clothes to a grand home and a pony of her very own. But all she really wants is love, attention, and the freedom to play with other children. Neglected by her self-absorbed and society-obsessed parents, Gwendolyn is left to the indifferent care of servants. When the lonely child falls ill, she plunges into a chaotic dream world. Eleanor Gates's popular play first appeared in novel form in 1912. The timeless tale of the child who has everything but what she really needs inspired film versions starring Mary Pickford and Shirley Temple, and it remains an ever-relevant reminder to parents of where their true treasure lies.

Dear Stellar Lon Wong,2021-08-25 Could there be a larger, more radiant life waiting for you? And yet, have you found yourself at times living a shadow of what your life could be, often bored and overwhelmed at the same time? You are not alone. If you're ever feeling lost, exhausted, unsure, or merely meandering through life, these pages will help guide you back to centre. Written affectionately as letters from a father to a daughter, this book traverses life and love and hurt. It explores imagination, creativity, and purpose. It dives into acceptance, seeing differently, and the art of being fully present to your extraordinary life. Ultimately, it's an invitation to being more human, more alive, and more you. Through stories and insights, Dear Stellar compassionately dives into: What if there was more to you than the stories our world offers up? How might your life expand as you shift to a state of wonder? What would you create if you couldn't fail? How might you persist when nothing seems to work out? What does love beyond yourself look like? How might you be ever more yourself? Discover yourself as you glimpse inside the intimate relationship between a father and a daughter growing up together. This is for parents, adult children, and human beings who are looking for a more brilliant, more beautiful life.

Turning the Tables Robin Bielman,2019-09-05 They say lightning never strikes twice... Smart and ambitious, Ethan Auprince is one of the hottest restaurateurs on the West Coast. With his sexy-as-sin dimples and unmatched charisma, he's also collected a large number of fans—a welcome position to be in until unwanted attention turns worrisome. He thinks he has it handled, but his family believes otherwise and secretly hires him protection. The surprise is on them, though, because his new “employee” is the one woman he's never been able to get out of head. Elite bodyguard Pascale Nichols is highly skilled, extremely confident, and in need of a win. A careless mistake on her last assignment cost her, and taking an undercover assignment is her chance to make things right. There's just one problem—Ethan is the summer fling she fell in love with years ago and has never forgotten, which means her job just got a lot more complicated. Usually prepared for any situation, this time Pascale is in over her head. But when tragedy strikes, Ethan turns the tables and plans to do whatever it takes to prove that this time, he's playing for keeps. First Published as Sweet Talker
