Past Participles from Latin to Romance Richard Laurent, 1999-11-15 From Latin through the Romance languages, which types of past participle survived? Which older, irregular types disappeared and which older, regular types proliferated? Which new types of past participles emerged, which proved popular in standard Romance languages, and which exist in a wide range of dialects? The author explores reasons for the expansion or contraction of each type, in each area.

Improve Your English J.E. Metcalfe,C Astle,2013-08-15 It's important in our daily lives for us to write clear English which is easily understood. If we get the basics wrong, our words may be misinterpreted and cause confusion. To make sure our written words convey our exact meanings, we need to understand the fundamentals of the English language, such as the parts of speech, how sentences and paragraphs are constructed, and the correct use of punctuation. We also need to spell the words correctly! This indispensable reference guide to the rules and conventions governing written English will help all those who are unsure about whether to use its or it's, or a colon instead of a comma, or how to spell words such as separate.
