**Life in Between Attapulugus & Bainbridge, GA** Robbie Miller, 2014-10-11 Life for me wasn't always easy, but I made the best of it. I grew up in two towns called Attapulugus and Bainbridge, GA. You probably never heard of them because they are so small. The population is less than 500 to this day. It's on Hwy 241 and off Hwy 27. It only has one traffic light. When you come through the town you will see all the houses on one side--that's about 15 houses. Most houses got cats and dogs in their front yard, but not this town. They have hogs, goats, cows, chickens and their bitties (baby chickens) following them. Now that's what you call country as hell. What I'm about to tell you will make you laugh and want to kill me for the things I did to people growing up? This book is mainly about four men. The first one: some people called him Fadlow and some called him Buddy. But, he had another name he was called. He hated it. The name was Booger Nose Mule Train. The second: ShakerHead. The third: Splinter. And last, but not least, myself, BAD ASS ROBBIE DUKE.

**AT WITS END** JTOYA NELSON,2017-01-08 J'Toya reached her wits end and did not spare any feelings while expressing her frustration in this book. Societal issues and what she deems as ignorant or immature actions led to her mental earthquake and she hopes that the reader will agree that issues in this book usually irritate the average person. J'Toya is a firm believer that if more people would write or talk about their feelings that it would keep a lot of them off of legal and prescription mind altering drugs and alcohol and lessen the need for psychiatric visits. This book is not for the holier than thou and is not meant to have a negative influence on minors. Warning: The language in this book is harsh and vulgar. Take the ride if you dare and then exhale afterwards.

*Spring Break* Kayla Perrin,2010-03-02 With a breakneck pace and cat-and-mouse twists, Spring Break is the ultimate beach read. Help me . . . These are the last words Chanetelle hears from her friend Ashley, in a static-filled phone call that soon goes dead. Their trip to the island paradise of Artula started the way any trip should, and soon Chanetelle and her friends find themselves in sun-drenched days and party-hopping nights. The vacation is not without its conflicts, however, and old rivalries and new jealousies come to light as the week passes. But no one expects things to turn as ugly as they do. No one expects that they won't all return. And no one expects that murder might be the ultimate souvenir. When Ashley disappears, the question is asked: Was it a random act of violence? Or is something more sinister going on? And is Ashley really dead, after all? Drawing on real-life tragedies, Perrin creates an unforgettable and chilling tale of the seamy side of an island paradise. - Booklist

**Sevyns Life: A Story About The First Black Billionaire Transgender Woman** MarthaK Sayz,Ka'milla Harris,2024-04-06 This story provides an intriguing glimpse into the life of its protagonist, Sevyn, from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai. The narrative seamlessly jumps between the present and flashes back to Sevyn's childhood, painting a picture of how she has risen from nothing to achieve immense success against all odds. From the very first chapter, the author establishes Sevyn as a strong, driven woman who hasn't let her past hold her

back. We find her waking up beside her loving husband Rich in their sprawling Dubai estate, but even amid this life of luxury, the scent of coffee and bacon takes her back to memories of her grandmother's kitchen in Cabrini Green. These glimpses into Sevyn's childhood highlight the grit and resilience she developed early on, traits that would serve her well on her journey. Despite everything she endured growing up in such an impoverished environment, she has never stopped believing in herself or her ability to make her dreams a reality. After reconnecting with memories of her family and upbringing over breakfast, Sevyn begins to open up to Rich about her history, hinting at secrets from her past that will alter their understanding of who she is. This sets the stage for what is sure to be a revealing tale of Sevyn's journey of self-discovery and empowerment. I'm eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence. Her determination to keep striving despite facing adversity serves as an inspiration. That night, Sevyn has another taping of her show "SS Diaries," though she neglects practicing her monologue as ghosts from her past resurface. Through the description of her silhouette dancing in the mirror fragments cast by the chandelier, the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge. But she is able to channel her memories of poverty and homelessness into finding her voice, and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience. After filming, Sevyn and Rich retreat to the secret cellar chamber of their mansion, where in addition to cannabis and music, they keep priceless works of art, family portraits, and evidence of their philanthropic ambitions. Sevyn's successful career has clearly provided rich material comforts, but her history still haunts her as she gazes at photos reminding her of harsher times. Rich remains devotedly by her side, supporting her through the resurfacing of painful recollections. Their loving relationship, established family, and hopes for the future offer rays of light amid the shadows of Sevyn's past that continue emerging. I'm left wanting to know more about the specific hardships she faced and how she was finally able to overcome them. Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit, resilience and an unbreakable spirit. The author provides vivid sensory details that transport the reader directly into Sevyn's lavish yet conflicted world. From the scents and sounds that transport her back to her childhood, to the reflection of her quivering form in the mirrors as trauma resurfaces, one can feel the visceral experience of Sevyn's memories and emotions. The interweaving of flashbacks with the present day also builds engaging dramatic tension, making me eager to watch as more of Sevyn's history is revealed piece by piece. Both Sevyn and Rich come across as complex, multilayered characters, and I appreciate the glimpses into Rich's background and support of Sevyn that help balance the focus on her experiences. Their caring partnership serves as a strong foundation that clearly played a role in helping Sevyn achieve all she has. Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity. In summary, this novel introduction draws the reader deeply into Sevyn's intriguing world through vivid sensory storytelling and bits of mystery surrounding her

past. Both the present-day scenes of luxury and the historical flashes back to harder times feel richly realized. Sevyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration. I look forward to seeing how the author continues to peel back the layers on Sevyn's history while advancing the engaging plotlines of her marriage, career, and philanthropic ambitions. This shows great promise as a story of empowerment and overcoming the odds through grit and resilience.
