The Line Book One: Carrier Anne Tibbets, 2014-06-16 Twenty-two-year-old Naya has spent nearly half her life as a sex slave in a government institution called The Line. Excommunicated after getting pregnant with twins, she's left with no way to earn a living and a horrifying choice to make: find someone to replace her at the institution by the time she gives birth, or have her babies taken in her stead. Ric Bennett wants to help. A doctor with a history of aiding ex-Line girls, he runs a team of rebels that can delete Naya's records, prevent her from having to make an impossible choice, and free her forever. But when his plan is sniffed out, things get bloody, fast. The Line wants them back. The organization has discovered information about Naya and her twins that make them more valuable than just sex slaves. It makes them dangerous—and part of The Line's larger plan. As they hide from government search parties, Ric comes to admire Naya's quiet strength. And Naya realizes Ric might be a man she can trust. If they make it off the grid, they could build a new life. But first they'll have to survive the long, vicious reach of The Line. Book one of two 77,000 words

It also examines the extent to which twentieth-century New Confucians were aware of their intellectual debt to the Treatise and explains how they reconciled this awareness with their Confucian identity.
