

The Silent Wife Book

Sheila Kohler

The Silent Wife A. S. A. Harrison, 2013-06-25 The New York Times bestselling novel soon to be a major motion picture starring Nicole Kidman, for fans of *The Woman in the Window* and *The Silent Patient*. I gobbled it down in one sitting. – Anne Lamott, People Jodi and Todd are at a bad place in their marriage. Much is at stake, including the affluent life they lead in their beautiful waterfront condo in Chicago, as she, the killer, and he, the victim, rush haplessly toward the main event. He is a committed cheater. She lives and breathes denial. He exists in dual worlds. She likes to settle scores. He decides to play for keeps. She has nothing left to lose. Told in alternating voices, *The Silent Wife* is about a marriage in the throes of dissolution, a couple headed for catastrophe, concessions that can't be made, and promises that won't be kept. Expertly plotted and reminiscent of *Gone Girl* and *These Things Hidden*, *The Silent Wife* ensnares the reader from page one and does not let go.

Conversations on the Silent Wife: a Novel by A. S. A. Harrison Daily Books, 2016-09-08 *The Silent Wife*: by A. S. A. Harrison | Conversation Starters Limited Time Offer: \$3.99 (\$4.99) When her father passes away, Riley returns home to sort out his estate. She wants her brother Danny to help her, but he is battling his own demons. Riley ends up depending on a pushy family friend to help her instead, but soon enough, she discovers that her father had secrets-big secrets that had changed the family forever without her even knowing anything about it. Her sister Lisa, who had been mourned by her family for years after she committed suicide, turns out to be alive. But what happened? And why? Can Riley find out the truth and bring her lost sister back into the fold? A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: * Foster a deeper understanding of the book* Promote an atmosphere of discussion for groups* Assist in the study of the book, either individually or corporately* Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource to supplement the original book, enhancing your experience of *The Silent Wife*. If you have not yet purchased a copy of the original book, please do before purchasing this unofficial Conversation Starters. Download your copy today for a Limited Time Discount: \$3.99 (\$4.99) Read it on your PC, Mac, iOS or Android smartphone, tablet and Kindle devices.

The Silent Wife Karin Slaughter, 2020-08-04 If you're into mystery thrillers, then you're into Karin Slaughter. --

THESKIMM He watches. He waits. He takes. Who will be next . . . THE SILENT WIFE Investigating the killing of a prisoner during a riot inside a state penitentiary, GBI investigator Will Trent is confronted with disturbing information. One of the inmates claims that he is innocent of a brutal attack for which he has always been the prime suspect. The man insists that he was framed by a corrupt law enforcement team led by Jeffrey Tolliver and that the real culprit is still out there--a serial killer who has systematically been preying on women across the state for years. If Will reopens the investigation and implicates the dead police officer with a hero's reputation of wrongdoing, the opportunistic convict is willing to provide the information GBI needs about the riot murder. Only days ago, another young woman was viciously murdered in a state park in northern Georgia. Is it a fluke, or could there be a serial killer on the loose? As Will Trent digs into both crimes it becomes clear that he must solve the cold case in order to find the answer. Yet nearly a decade has passed--time for memories to fade, witnesses to vanish, evidence to disappear, and lies to become truth. But Will can't crack either mystery without the help of the one person he doesn't want involved: his girlfriend and Jeffrey Tolliver's widow, medical examiner Sara Linton. When the past and present begin to collide, Will realizes that everything he values is at stake . . .

The Silent Wife Amanda Ruiz,2024-12-05 Behind the elegant façade of a Boston brownstone, a gilded cage imprisons Emma Lowell. Her husband, Marcus, a financier whose charm masks a manipulative core, has shattered their fragile peace with a blatant affair. Emma, a criminal psychologist, sees through his charade. She knows his weaknesses, the pressure points that could bring him to his knees. Now, the silent wife will become something far more dangerous. A whispered rumor

here, a strategically placed document there - Emma's subtle manipulations begin to unravel Marcus's carefully constructed life. His business deals sour, his reputation crumbles, and paranoia consumes him. Then, Marcus is found dead. The whispers turn to accusations, and Emma becomes the prime suspect. Detective Brian Pierce, haunted by a past case of domestic manipulation, fixates on Emma. His partner, Mary Wu, grapples with her own ambition and a growing unease about the case, sensing a chilling reflection of her own past. As the investigation intensifies, Emma uncovers a hidden world of illicit dealings and dangerous liaisons, secrets far darker than she imagined. Coded messages hidden within the brownstone's walls reveal a clandestine affair with someone far more dangerous than Marcus's latest conquest. Emma realizes she isn't the only one playing games. Suddenly, her orchestrated revenge becomes a desperate fight for survival. Trapped in a web of deceit, Emma must unravel the truth before it destroys her. But in a world of whispered words and hidden agendas, who can she trust? And can she escape the consequences of her own carefully crafted revenge?

The Silent Wife Karin Slaughter, 2021-04-15 A woman runs alone in the woods. She convinces herself she has no reason to be afraid, but she's wrong. A predator is stalking the women of Grant County. He lingers in the shadows, until the time is just right to snatch his victim. A decade later, the case has been closed. The killer is behind bars. But then another young woman is brutally attacked and left for dead, and the MO is identical. Although the original trail has gone cold - memories have faded, witnesses have disappeared - agent Will Trent and forensic pathologist Sara Linton must re-open the cold case. But the clock is ticking, and the killer is determined to find his perfect silent wife.

China's Russian Princess—the Silnt Wife Mark O'Neill, 2020-02-01

A Cultural History of Marriage in the Modern Age Christina Simmons, 2021-11-18 Spanning cultures across the 20th century, this volume explores how marriage, especially in the West, was disestablished as the primary institution organizing social life. In the developing world, the economic, social, and legal foundations of traditional marriage are stronger but also weakening. Marriage changed because an industrial wage economy reduced familial patriarchal control of youth and women and spurred demands and possibilities for greater autonomy and choice in love. After the Second World War, when more married women pursued education and employment, and gays and lesbians gained visibility, feminism and gay liberation also challenged patriarchal and restrictive gender roles and helped to reshape marriage. In 1920 most people married for life; in the twenty-first century fewer marry, and serial monogamy prevails. Marriage is more diverse and flexible in form but also more fragile and optional than it once was. Over the century control of courtship shifted from parents to youth, and friends, as opposed to kin, became more important in sustaining marriages. Dual-wage-earner families replaced the male breadwinner. Social and political liberalism assailed conservative laws and religious regimes, expanding access to divorce and birth control. Although norms of masculinity and femininity retain huge power in most cultures, visions of more egalitarian and romantic love as the basis of marriage have gained traction-made appealing by the global spread of capitalist social relations and also broadcast by culture industries in the developed world. The legalization of same-sex marriage-in over twenty-five nations by 2020-epitomizes a century of change toward a less gender-defined ideal that includes a continued desire for social recognition and permanence. A Cultural History of Marriage in the Modern Age presents an overview of the period with essays on Courtship and Ritual; Religion, State and Law; Kinship and Social Networks; the Family Economy; Love and Sex; the Breaking of Vows; and Representations of Marriage.

female in a reversal of the stereotyped victim role. The recent popularity of powerful female characters suggests that literature is ahead in its understanding the desires, fantasies and unconscious emotions of the public. This book explores a form of intimacy frequently observed in consulting rooms and in life in general: malicious intimacy. Specific to the conjugal bond, it is a type of intimacy connected to the relationship between the two halves of the couple that is extremely powerful and painful. Instead of clinical cases, Rossella Valdré examines four contemporary and widely successful novels, published contemporaneously, which capture perfectly this type of psychopathological universe. Valdré then maps out psychoanalytic hypotheses regarding the persistency of these malicious intimacies. Through analysis of these examples, Valdré investigates the roots and hypotheses of a new scenario on victim-executioner roles played out in the intimacy of the couple. Exploring how and if the contemporary couple is undergoing profound changes, she provides an overview of the various deep-seated psychological mechanisms and unconscious dynamics that may be at work. The book explores the need to not be dependant upon a love object as an extreme defence against abandonment or self-collapse. Valdré argues that such a configuration is very common, and that Idealization in contemporary life is one of the reasons behind the most of sufferance in modern couples, something which psychoanalysis can examine through art. Women, perhaps, after emancipation, are living overturned roles and paying a higher cost as a result. *Psychoanalytic Perspectives on Women and Power in Contemporary Fiction* will appeal to psychoanalysts and psychoanalytic psychotherapists, and be of interest to scholars and students of literature, gender studies, philosophy and sociology.

Contemporary Crime Fiction Charlotte Beyer, 2021-03-01 This unique and timely book presents nine compelling essays on contemporary crime fiction, bringing innovative and fresh perspectives to the analysis of this most popular and vibrant literary genre. Investigating contemporary crime fiction and the critical debates surrounding its reception and production, the introductory chapter sets the scene for the subsequent analyses of distinct crime fiction topics, themes and authors. The topics include the experimental detective narrative, race and ethnicity, historical crime fiction, domestic noir, feminism and crime, environmental crime, and the poetics of place. Authors examined here range from Ian Rankin, Gillian Flynn, Val McDermid, Denise Mina, Robert Galbraith, Nancy Bilyeau, and Martha Grimes, to Tana French, Dale Furutani, and J.G. Ballard, and more. Informed by the latest critical debates and theoretical perspectives in the field, this volume presents an invaluable source of information and criticism on crime fiction for students, researchers and academics alike.

John Fenn's Wife. A Novel Maria Lewis, 1874

Dreaming for Freud Sheila Kohler, 2014-05-28 An award-winning author reimagines one of Freud's most famous and controversial cases. Sheila Kohler's memoir *Once We Were Sisters* is now available. Acclaimed for her spare prose and exceptional psychological insights in her novels *Becoming Jane Eyre* and *Love Child*, Sheila Kohler's latest is inspired by Sigmund Freud's *Dora: An Analysis of a Case of Hysteria*. *Dreaming for Freud* paints a provocative and sensual portrait of

one of history's most famous patients. In the fall of 1900, Dora's father forces her to begin treatment with the doctor. Visiting him daily, the seventeen-year-old girl lies on his ottoman and tells him frankly about her strange life, and above all about her father's desires as far as she is concerned. But Dora abruptly ends her treatment after only eleven weeks, just as Freud was convinced he was on the cusp of a major discovery. In *Dreaming for Freud*, Kohler explores what might have happened between the man who changed the face of psychotherapy and the beautiful young woman who gave him her dreams.

The Cumulative Book Review Digest, 1905

Book Review Digest, 1905 Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. *Book Review Digest* provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

Homer in Iberian-American Culture and Literature Maria de Fátima Silva, Maria António Hörster, Christian Werner, Graciela Cristina Zecchin de Fasano, Marta González González, 2024-09-06 This book adds to an international bibliography specialised on the reception of Homer, including studies on Portuguese, Spanish, Brazilian and Argentinian authors (from the 19th to the 21st century) articulated by a common perspective, Homeric motifs, and differentiated by literary genre, that is, theatre, poetry, novel, and short story. Well-known and lesser-known names from the literatures being analysed also contribute to the novelty of the set. The contributors are researchers from each of the countries with a specific and well-informed vision of each context. Organising the volume according to these genres encourages historical and cultural comparisons of countries with a long tradition in common. Each analysis is always framed within its cultural context. Due to its characteristics, this volume serves an audience with different expectations, related to Classical Studies, Literary Theory and Portuguese and Spanish Language Literatures, Theatrical Studies, History of Culture, and Postcolonial Studies.

Are You My Wife? A Novel Kathleen O'Meara, 1878

Queen of Heaven Lilla Grindlay, 2018-09-30 The belief that the Virgin Mary was bodily assumed to be crowned as heaven's Queen has been celebrated in the liturgy and literature of England since the fifth century. The upheaval of the Reformation brought radical changes in the beliefs surrounding the assumption and coronation, both of which were eliminated from state-approved liturgy. *Queen of Heaven* examines canonical as well as obscure images of the Blessed Mother that present fresh evidence of the incompleteness of the English Reformation. Through an analysis of works by writers such as Edmund Spenser, Henry Constable, Sir John Harington, and the writers of the early modern rosary books, which were contraband during the Reformation, Grindlay finds that these images did not simply disappear during this time as

lost “Catholic” symbols, but instead became sources of resistance and controversy, reflecting the anxieties triggered by the religious changes of the era. Grindlay’s study of the Queen of Heaven affords an insight into England’s religious pluralism, revealing a porousness between medieval and early modern perspectives toward the Virgin and dispelling the notion that Catholic and Protestant attitudes on the subject were completely different. Grindlay reveals the extent to which the potent and treasured image of the Queen of Heaven was impossible to extinguish and remained of widespread cultural significance. Queen of Heaven will appeal to an academic audience, but its fresh, uncomplicated style will also engage intelligent, well-informed readers who have an interest in the Virgin Mary and in English Reformation history.
