

# Conclusion Juste La Fin Du Monde

**Louis Quicherat**

ReFocus: The Films of Xavier Dolan Andree Lafontaine, 2019-07-29 This book looks at Spike Jonze's ground-breaking work in both features and short forms, exploring the impact of his filmmaking across a range of philosophical and cultural discussions.

»PostHeimat« - Inquiries into Migration, Theatre, and Networked Solidarity Ruba Totah, Jonas Tinius, 2025-05-23 Over the last decade, the role of diversity, migration, and representation in the German cultural sector has drastically changed. The PostHeimat network — a three-year experiment in networked solidarity between major German public theatres, migrant actors, directors, and researchers — grappled with how to think about home after migration. The contributions to this book document the problems and potentials of reflexive and research-based migrant theatre initiatives. Emerging from research encounters and performances across Germany, this study incorporates the critical perspectives of activists, artists, practitioners, scholars, and cultural mediators from these initiatives and does not shy away from an open reflection on the failures and pitfalls of well-intended cultural policies.

**Canadian Cinema in the New Millennium** Lee Carruthers, Charles Tepperman, 2023-01-15 At the turn of the millennium Canadian cinema appeared to have reached an apex of aesthetic and commercial transformation. Domestic filmmaking has since declined in visibility: the sense of celebrity once associated with independent directors has diminished, projects garner less critical attention, and concepts that made late-twentieth-century Canadian film legible have been reconsidered or displaced. *Canadian Cinema in the New Millennium* examines this dramatic transformation and revitalizes our engagement with Canadian cinema in the contemporary moment, presenting focused case studies of films and filmmakers and contextual studies of Canadian film policy, labour, and film festivals. Contributors trace key developments since 2000, including the renouveau or Quebec New Wave, Indigenous filmmaking, i-docs, and diasporic experimental filmmaking. Reflecting the way film in Canada mediates multiple cultures, forging new affinities among anglophone, francophone, and Indigenous-language examples, this book engages familiar figures, such as Denis Villeneuve, Xavier Dolan, Sarah Polley, and Guy Maddin, in the same breath as small-budget independent films, documentaries, and experimental works that have emerged in the Canadian scene. Fuelled by close attention to the films themselves and a desire to develop new scholarly approaches, *Canadian Cinema in the New Millennium* models a renewed commitment to keeping the

conversation about Canadian cinema vibrant and alive.

**Quebec Cinema in the 21st Century** Michael Gott, Thibaut Schilt, 2024-02-06 This collection of ten chapters and three original interviews with Québécois filmmakers focuses on the past two decades of Quebec cinema and takes an in-depth look at a (primarily) Montreal-based filmmaking industry whose increasingly diverse productions continue to resist the hegemony of Hollywood and to exist as a visible and successful hub of French-language – and ever more multilingual – cinema in North America. This volume picks up where Bill Marshall's 2001 Quebec National Cinema ends to investigate the inherently global nature of Quebec's film industry and cinematic output since the beginning of the new millennium. Through their analyses of contemporary films (*Une colonie*, *Avant les rues*, *Bon cop, bad cop*, *Les Affamés*, *Tom à la ferme*, *Uvanga*, among others), directors (including Xavier Dolan, Denis Côté, Sophie Desrape, Chloé Robichaud, Jean-Marc Vallée, and Monia Chokri) and genres (such as the buddy comedy and the zombie film), our authors examine the growing tension between Quebec cinema as a "national cinema" and as an art form that reflects the transnationalism of today's world, a new form of fluidity of individual experiences, and an increasing on-screen presence of Indigenous subjects, both within and outside the borders of the province. The book concludes with specially conducted interviews with filmmakers Denis Chouinard, Bachir Bensadekk, and Marie-Hélène Cousineau, who provide their views and insights on contemporary Quebec filmmaking.

**Post-désintégration** Philippe Henarejos, 2024-12-13T00:00:00Z Dans un futur très lointain, sur Nami, une planète située dans une autre galaxie, une société humaine vit en harmonie depuis des siècles. Grâce à la téléportation, elle a commencé à explorer les systèmes stellaires avoisinants. Ces découvertes font souffler un vent de renouveau sur une société technologiquement avancée mais très traditionnelle. L'élection du Grand Représentant, lors de l'éclipse majeure qui se produit tous les 9 ans, est l'occasion pour une partie de la population d'exprimer son aspiration à plus de liberté. Au même moment, deux faits sans aucun lien se déroulent : le capitaine de police Khane Terran est appelé sur les lieux d'une mort suspecte, comme on en connaît peu sur Nami ; et de son côté, l'archéologue Elys Colles déterre un objet très étrange dans le désert équatorial. Au rythme du lent déplacement d'Uma, l'étoile blanche qui éclaire Nami, Khane Terran et Elys Colles vont mener leurs enquêtes respectives en entraînant dans leur sillage plusieurs personnes jusqu'aux portes du secret le mieux

gardé de la planète.

*Martin Fourcade - Un dernier tour de piste* Martin Fourcade,2020-09-30 LE CARNET DE BORD D'UN IMMENSE CHAMPION près son triomphe aux Jeux olympiques de 2018 (trois médailles d'or), Martin Fourcade peine à retrouver ses sensations. La saison post-olympique s'apparente à un calvaire, au point qu'il se demande s'il n'a pas perdu la flamme et les qualités mentales et physiques qui ont fait de lui le plus grand biathlète de l'histoire. Alors, à l'aube de ce qui deviendra sa dernière saison, il entame une opération de reconquête sans certitude, mais avec une immense détermination. Un dernier tour de piste est le carnet de bord touchant, sincère et circonstancié de cette renaissance : du premier jour de compétition de présaison jusqu'au franchissement de l'ultime ligne d'arrivée, épilogue d'une saison haletante, point final d'une carrière en or. On découvre l'homme, le passeur, le père derrière le champion. Et on comprend encore mieux comment et pourquoi il est devenu une légende du sport.
