*Quotes, Ruminations & Contemplations: Volume I* Corey Wayne, 2021-04-15 A random selection of quotes and commentary from Corey Wayne's articles and video coaching newsletters on pickup, dating, relationships, success mindsets, self-reliance, personal responsibility, philosophy, purpose, negotiation, health, inspiration, high achievement, goal setting, time management, career, entrepreneurship, wealth creation and sales.

*Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection* Stan H. McCarley, 2024-02-02 Character is doing what is right when no one else is looking. Keep your fears to yourself, but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count; quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers and, most recently, researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for motivation, reflection, and inspiration.

*The 5-Day Real Food Detox* Nikki Sharp, 2016-03-22 Discover the safe, effective, delicious cleanse that took Instagram by storm! This 5-day detox program allows you to eat whole, nutrient-rich foods—and feel satisfied and energized while dropping pounds! As a professional model, Nikki Sharp traveled constantly, barely slept, skipped meals, and relied on quick fixes to stay skinny, all of which took a toll on her physical and emotional health. Realizing she needed to make a serious change, she began to study integrative nutrition—and learned that the key to weight loss, radiant skin, and overall well-being is not starving yourself but eating. That’s right: eating! Sharp created her detox plan based on the knowledge that in the right combinations, real whole foods—grains, vegetables, fruits, and spices—can aid digestion, burn body fat, flush out toxins,

reduce bloating, banish fatigue, and clear up acne. Unlike other cleanses, The 5-Day Real Food Detox allows you to eat five times a day—and shed a pound a day—with meals and snacks developed by Sharp (and backed by a nutritionist and a registered dietician). Even better, the recipes, including Love Pancakes, Spinach & Chickpea Hummus, Black Bean Burgers, Cauliflower Mash, and Taco Bowl, have been taste-tested by Sharp's many of 300,000-plus Instagram followers, who have done the plan and seen amazing results. In The 5-Day Real Food Detox, you'll discover • nutrient-dense foods that encourage detoxification and weight loss • the facts on juice, smoothie, tea, and raw food cleanses • yummy foods to substitute when you crave unhealthy ones • ingredients to avoid and how to decode food labels • the secret to great-tasting meals—use spices instead of salt • strategies for lowering stress and combating insomnia • troubleshooting for food allergies, mood swings, bloating, and other detox issues Complete with gorgeous photos, success stories, shopping lists, and meal plans, The 5-Day Real Food Detox lays the groundwork for eating well and feeling wonderful for the rest of your life! Advance praise for The 5-Day Real Food Detox “Nikki is an amazing inspiration. Whether you are vegan, vegetarian, paleo, or just trying to get healthy, this book is a must-read!”—Kristina Carrillo-Bucaram, founder of the FullyRaw brand and author of The Fully Raw Diet “Nikki Sharp's plant-based detox is a holistic approach to long-term wellness. Not only will it help get you lean in a short amount of time, it will keep you there, and feeling energized the whole way through.”—Brendan Brazier, author of the Thrive book series “The real power of this book is that it just may transform how you think about your food, your body, and the way your choices shape every aspect of your life.”—Adam Rosante, author of The 30-Second Body “I love that Nikki Sharp's program is full of real, satisfying foods that won't leave you starving—so you can build healthy habits that will last long after the five days are over!”—Megan Gilmore, author of Everyday Detox “Nikki Sharp's style is fun, approachable, and innovative, and embodies the new way we should be eating. The wellness world is fortunate to now include her brilliant new book.”—Matthew Kenney, author of Cooked Raw: How One Celebrity Chef Risked Everything to Change the Way We Eat “A must have for everyone who wants to look gorgeous and healthy like Nikki!”—Ani Phyo, author of Ani's 15-Day Fat Blast and Ani's Raw Food Essentials

**Navigating the Whitewater Rapids of Entrepreneurial Success** Bret Golann,2016-10-24 This book provides entrepreneurs with a clear, specific road map to successful business and growth management, explaining the vital details of techniques for executing changes in day-to-day business operations to handle rapid business growth. For many entrepreneurs, the transition from start-up to rapid growth is the most difficult and risky time for them and their companies. Failure to manage business growth occurs not because entrepreneurs choose the wrong growth strategy; it's because leaders and employees fail to execute the right internal strategies to scale up business operations to handle market success. This book explains how to overcome the two fundamental challenges facing successful entrepreneurs as their businesses grow: how to develop the efficiency, reliability, and cost control of a successful company given the common constraints of too little time and too few resources, such as money and people, and how to achieve these essential attributes of business performance without losing the entrepreneurial creativity and spirit that made them successful in the first place. Readers will learn why so many smart entrepreneurs fail in managing business success and growth, as well as how to change day-to-day leadership approaches and techniques in moving from fledgling start-up to the rapid growth stage that involves many more expectations from employees, customers, and investors. The book serves as a how-to guide for leading growth that demonstrates how to execute internal growth strategies to develop the needed flexible systems, performance measures, management techniques, and rewards and risk management strategies.

**Principles of Asymmetrical Warfare** Robert Uda,2007-03 Principles of Asymmetrical Warfare: How to Beat Islamofascists at Their Own Game provides principles, strategies, tactics, and methods available to the Administration in winning and ending the wars in Afghanistan and Iraq and the War on Terrorism. Some strategies and tactics appear extreme to a civilized country as the United States. However, we should know about and understand these strategies and tactics in case we must use them because the Isfats are about to annihilate, conquer, or place us in bondage. I have quoted ideas from Sun Tzu, Gen. George S. Patton, Jr., and Dr. Michael Savage, a man of great intellect. Our Administration has made a major mistake by not learning from great warriors like Sun Tzu and Gen. Patton. Our Administration makes an even larger mistake by ignoring Michael Savage's thoughts, ideas, and suggestions. Many ideas are common sense, which seems to be lacking in our politicians, Administration, and military generals. Apparently, they do not know how to fight and win an asymmetrical war. Principles of Asymmetrical Warfare provides fresh ideas on fighting the Isfats and winning. Therefore, if you desire to know how to beat the Isfats at their own game, read Principles of Asymmetrical Warfare.

**The Art of Theatrical Design** Kaoimé E. Malloy,2022-06-29 The Art of Theatrical Design: Elements of Visual Composition, Methods, and Practice, Second Edition, contains an in-depth discussion of design elements and principles for costume, set, lighting, sound, projection, properties, and makeup designs. This textbook details the skills necessary to create effective, evocative, and engaging theatrical designs that support a play contextually, thematically, and visually. It covers key concepts such as content, context, genre, style, play structure, and format and the demands and limitations of various theatrical spaces. The book also discusses essential principles, including collaboration, inspiration, conceptualization, script analysis, conducting effective research, building a visual library, developing an individual design process, and the role of the

critique in collaboration. This second edition includes A new chapter on properties management and design. A new chapter on makeup design. A new chapter on digital rendering, with evaluations of multiple programs, overviews of file types and uses, and basic tutorials in Adobe® Photoshop® and Procreate. An expanded and revised chapter on traditional rendering, with the inclusion of new media, including watercolor, gouache, and mixed media, and updated exercises and tutorials. Revised and expanded chapters on individual design areas, including additional practices for conceptualization and collaboration, with new exercises for skill development. Additional exercises in all elements and principles of design chapters for investigation of each design principle and skill development. Revised and updated content throughout the text, reflecting current pedagogy and practices. This book gives students in theatrical design, introduction to design, and stagecraft courses the grounding in core design principles they need to approach design challenges and make design decisions in both assigned class projects and realized productions. The Art of Theatrical Design provides access to additional online resources, including step-by-step video tutorials of the exercises featured in the book.
