## Don Tyler

*Hit Songs, 1900-1955* Don Tyler, 2007-04-16 This is a chronology of the most famous songs from the years before rock 'n' roll. The top hits for each year are described, including vital information such as song origin, artist(s), and chart information. For many songs, the author includes any web or library holdings of sheet music covers, musical scores, and free audio files. An extensive collection of biographical sketches follows, providing performing credits, relevant professional awards, and brief biographies for hundreds of the era's most popular performers, lyricists, and composers. Includes an alphabetical song index and bibliography.

**Music of the First World War** Don Tyler, 2016-03-21 This book discusses WWI-era music in a historical context, explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played, and danced to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music—ranging from classical to theater music, rags, and early jazz—play on the American homefront? *Music of the First World War* explores the tremendous importance of music during the years of the Great War—when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort; the variety of war-related songs, popular hits, and top recording artists of the war years; the music of Broadway shows and other theater productions; and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time.

**P.S. I Love You** Carlton Jackson,2007-03-16 In 1953, the same year that Elvis Presley cut his first demo, Cash Box magazine named the Hilltoppers the top vocal group of the year. Hits such as "Trying" and "P.S. I Love You" raced up the charts and kept the group in Billboard's Top 40. The four fresh-faced singers appeared on The Toast of the Town with Ed Sullivan, who introduced them to the nation. On weekends the Hilltoppers performed in cities across the country, but on Monday mornings they were better known as Western Kentucky State College students Jimmy Sacca, Seymour Spiegelman, Don McGuire, and Billy Vaughn. The Korean War, military drafts, and changing public tastes in music, however, cut short singing careers that should have lasted much longer. Sacca was drafted in 1953, mere months before the end of the war.

Vaughn left the group shortly after that for a career at Dot Records and found fame elsewhere with his orchestra. McGuire and Spiegelman were drafted as well, and despite a set of temporary replacement members, the group eventually called it quits. Fifty years later, historian Carlton Jackson revisits the Kentucky college kids who made it big between classes. He follows the group from their first hit, recorded in Western's Van Meter Auditorium, to their brief 1970s reunion. Their story recalls the nature of celebrity and youth in the early days of rock 'n' roll.
