

Open Your Mind To Receive Catherine Ponder Pdf

Orison Swett Marden

Open Your Mind to Receive Catherine Ponder, 2008 First released in 1983, this book is chock full of real-life case histories, all revealing the laws of abundance in terms of the 5 gifts the reader doesn't know they already have. The new edition includes numerous stories of Catherine Ponder's innate ability to not only pinpoint the source lack, but to provide the perfect solution that open the floodgates of prosperity.

Open Your Mind to Prosperity Catherine Ponder, 1971 There are many success courses and books available today, and they are all good. Anything that helps you to open your mind to prosperity is worthwhile. But most of those courses and books cover only about one-fourth of the formula given in OPEN YOUR MIND

The Dynamic Laws of Prosperity Catherine Ponder, 2016-05-26 There's Gold Dust in the Air for You! This book is the result of several recent recessions and many years of lean living. Nobody likes recessions and nobody likes lean living--and indeed nobody should like them. For fifteen years I tried to find such a book as this one. During those years of searching the book shelves, I found that there are many books which give various success ideas, but in none of them did I find a set of compact, simple laws for assuring success. I began searching for a book such as this after having been widowed and left with a small son to rear and educate. Since I had no training for work and no means of income, I would have given anything to have known then about the power of prosperous thinking. For a while I experienced depression, ill health, loneliness, financial lack and a sense of complete failure. It seemed that the whole world was against me, and that everything I did went wrong. But with my son to provide for, I could not settle for failure. I had to succeed for his sake as well as for my own. Finally, when I was at my lowest ebb emotionally, physically, and financially, I learned about the power of thought as an instrument for success or failure. I came to realize that failure is basically the result of failure thinking. I learned that the right use of my mind could become the key to healthy, happy, prosperous, successful living. As soon as I grasped this wonderful success secret, the tide began to change! The Birth of Prosperous Thinking You've heard much in recent years about positive thinking. Out of the recessions and lean years another term has been born--prosperous thinking. The word prosper means to flourish, succeed, thrive, to experience favorable results. You are prosperous to the degree that you are experiencing peace, health, and plenty in your world. While prosperous thinking means many things to people, basically it gives you the power to make your dreams come true, whether those dreams are concerned with better health, increased

financial success, a happier personal life, more education and travel, or a deeper spiritual life. This book plainly shows how prosperous thinking has helped people in every walk of life to experience these results. Furthermore, it shows how prosperous thinking can do these things for you, too! As you read this book, chapter by chapter, you will automatically begin to develop the power of prosperous thinking and, almost as easily, you will begin to reap a harvest of prosperous results. The Salesman with the Golden Touch Years ago, a salesman used the power of prosperous thinking, although he may not consciously been aware of it. When people asked him, How's business? he always gave this standard answer: Business is wonderful because there's gold dust in the air! For him it certainly seemed to be so--every contact became a sale. After a while, whenever his name was mentioned, people always said, Yes, everything he touches turns to gold. That salesman was right. There is gold dust in the air--for you, for me, for everyone. Psychologists and metaphysicians know about the gold dust. They declare that man forms his world from the rich, unlimited substance within him and around him through his thoughts, emotions, words and actions. And so let us proceed in confidence, knowing that there is gold dust in the air--and that there is gold dust everywhere. As you begin reading this book, no matter what the conditions of your life may now be, do so in this attitude of mind: There is gold dust in the air--for me. Now proceed quickly to the following pages where you will learn the exciting gold dust secrets of countless others. (from the Introduction)

The Miracle of Right Thought Orison Swett Marden,2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1910 edition. Excerpt: ... wards others. Say the kindest, pleasantest things. Make a strenuous effort to radiate joy and gladness to everybody about you. You will soon begin to feel a wonderful uplift; the shadows which have darkened your mind will flee away, and the sun of joy will light up your whole being. Form a habit of never allowing in your mind thoughts or suggestions which call up unpleasant subjects or bitter memories, and which have a bad influence on you. Every one ought to make it a life-rule to wipe out from his memory everything which has been unpleasant, unfortunate. We ought to forget everything which has kept us back, which has made us suffer, which has been disagreeable, and never allow the hideous pictures of distressing conditions to enter our minds again. There is only one thing to do with a disagreeable, harmful experience, and that is to bury it -- forget it. Dwelling on unfortunate experiences, mistakes only makes them bigger, blacker, more hideous. Forget them, thrust them out of your mind as you would a thief from your home. Say to them, You have no power over me. You can not destroy my peace. You are not the truth of my being. The reality of me is divine. You can not touch principle, my real self. Only the good and the true are scientific realities, are absolutely real, all else, however real it may seem, is false, because there is only one Infinite Power in the universe. A supreme, perfect Being could not have made

imperfection or discouragement. However real they seem, they are not realities, they are only the absence of harmony, the absence of truth. We have all had the experience of suffering from things which eventually proved to be absolutely nothing but pure bogies of the imagination. A sensitive, imaginative mind can conjure...
