**Online Teaching in the Digital Age** Pat Swenson, Nancy A. Taylor, 2012-01-18 The essential guide to teaching in a virtual environment Online Teaching in the Digital Age provides educators with the essential knowledge needed to successfully develop and teach an online course. Throughout this practical hands-on guide, the authors offer 15 years of personal online teaching experience in language accessible to both the novice and advanced online educator. Developed through theory and practice, the text shows educators how to take the materials used in a traditional classroom and transfer them to a new virtual environment. Additionally, it gives educators the confidence and skills needed to run real-time (synchronous) and time-arranged (asynchronous) online discussions. Most reassuring of all, this book shows that few traditional course elements need to change in order to start teaching online.

**Hollywood Online** Ian London, 2024-03-07 Hollywood Online provides a historical account of motion picture websites from 1993 to 2008 and their marketing function as industrial advertisements for video and other media in the digital age. The Blair Witch Project is the most important example of online film promotion in cinema history. Over the last thirty years only a small number of major and independent distributors have converted internet-created buzz into box-office revenues with similar levels of success. Yet readings of how the film's internet campaign broke new ground in the summer of 1999 tend to minimize, overlook or ignore the significance of other online film promotions. Similarly, claims that Blair initiated a cycle of imitators have been repeated in film publications and academic studies for more than two decades. This book challenges three major narratives in studies about online film marketing: Hollywood's major studios and independents had no significant relationship to the internet in the 1990s; online film promotions only took off after 1999 because of Blair; and Hollywood cashed-in by initiating a cycle of imitators and scaling up corporate activities online. Hollywood Online tests these assumptions by exploring internet marketing up to and including the film's success online (Pre-Blair, 1993-9), then by examining the period immediately after Blair (Post-Blair, 2000-8) which broadly coincides with the rise and decline of DVD, as well as the emergence of the social media sites MySpace, Facebook and Twitter.

**Watching the Lord of the Rings** Ernest Mathijs, 2008 How did audiences across the world respond to the films of The Lord of the Rings? This book presents findings from the largest film audience project ever undertaken, drawing from 25,000 questionnaire responses and a wide array of other materials. Contributors use these materials to explore a series of widely

speculated questions: why is film fantasy important to different kinds of viewers? Through marketing, previews and reviews, debates and cultural chatter, how are audiences prepared for a film like this? How did fans of the book respond to its adaptation on screen? How do people choose their favorite characters? How was the films' reception shaped by different national and cultural contexts? The answers to these questions shed fresh light on the extraordinary popularity of *The Lord of the Rings* and provide important new insights into the global reception of cinema in the twenty-first century.

**Teaching English, Language and Literacy** Dominic Wyse, Russell Jones, Helen Bradford, 2008 This is a text for students on initial teacher training courses, which covers the theory and practice of teaching English, language and literacy. The book is closely related to the new National Literacy Strategy.

*Year of the Ring* Susana Polo, 2024-11-19 Relive the greatest adventure in history through this incredible chronicle of the *Lord of the Rings* trilogy and its immeasurable impact on pop culture. Gather your fellowship and retrace the remarkable journey from the Shire to Mordor with this detailed and in-depth exploration of Peter Jackson's timeless *Lord of the Rings* trilogy. From Tolkien's original story to the actors' anecdotal experiences, to its cultural impact on the entire world, this book will captivate every fan of the One Ring. Now, for the first time in history, Polygon's *Year of the Ring* archive of stories and fandom coverage can be brought home and added to any fan's collection, in this beautifully designed hardcover book. Fans of the One Ring can now easily assess the *Year of the Ring*'s wide range of articles analyzing the deeper meaning of the characters and their journeys, as well detailed conversations about what the movies have meant to the fandom. This fandom manifesto will allow fans to reconnect with their fellowship and relive those special memories of watching the movies and discussing their theories with fellow Ringers. **DOZENS OF FAN-FAVORITE TOPICS:** From fan-theories to cultural studies, there are dozens of topics that every fan of the *Lord of the Rings* can enjoy and relate to. **PERFECT FOR EVERY TOLKIEN FAN:** This book is a pure celebration of all things related to *Lord of the Rings* and its history. **STORIES BEYOND THE SHIRE:** New, in-depth stories about the making of the *Lord of the Rings* that many fans had not heard before!

**Tolkien in the Twenty-First Century** Nick Groom, 2023-09-05 An original and thought-provoking reassessment of J. R. R. Tolkien's world, revealing how his visionary creation of Middle-Earth is more relevant now than ever before. What is it about Middle-Earth and its inhabitants that has captured the imagination of millions of people around the world? And why does Tolkien's visionary creation continue to fascinate and inspire us eighty-five years after its first publication? Beginning with Tolkien's earliest influence—and drawing on key moments from his life, *Tolkien in the Twenty-First Century* is an engaging and vibrant reinterpretation of the beloved author's work. Not only does it trace the genesis and inspiration for the original books, but the narrative also explores the later film and literary adaptations that have cemented his reputation as a cultural phenomenon. Delving deep into topics such as friendship, failure, the environment, diversity, and Tolkien's place in a post-Covid age, Nick Groom takes us on an unexpected journey through Tolkien's world, revealing how it is more relevant

now than perhaps Tolkien himself ever envisioned.

**MMOs from the Inside Out** Richard A. Bartle, 2015-12-30 This is an astonishing collection of ideas, information, and instruction from one of the true pioneers of Massively-Multiplayer Online Role-Playing Games. *MMOs from the Inside Out: The History, Design, Fun, and Art of Massively-Multiplayer Role-playing Games* speaks to the designers and players of MMOs, taking it as axiomatic that such games are inspirational and boundless forces for good. The aim of this book is to enthuse an up-coming generation of designers, to inspire and educate players and designers-to-be, and to reinvigorate those already working in the field who might be wondering if it's still all worthwhile. Playing MMOs is about fun, immersion, and identity. Creating MMOs is about imagination, expression, and art. MMOs are so packed with potential that today's examples are little more than small, pioneering colonies on the shore of a vast, uncharted continent. What wonders wait beyond the horizon? What treasures will explorers bring back to amaze us? *MMOs from the Inside Out* is for people with a spark of creativity: it pours gasoline on that spark. It: Explains what MMOs are, what they once were, and what they could - and should - become. Delves into why players play, and why designers design. Encourages, enthuses, enrages, engages, enlightens, envisions, and enchants. Doesn't tell you what to think, it tells you to think. What You Will Learn: Myriad ways to improve MMOs - and to decide for yourself whether these are improvements. What MMOs are; who plays them, and why. How MMOs became what they are, and what this means for what they will become. That you have it in you to make MMOs yourself. Whom This Book is For: *MMOs from the Inside Out* is a book for those who wish to know more about game design in general and MMO design in particular. It's for people who play MMOs, for people who design MMOs, and for people who study MMOs. It's for people with a yearning to see beyond the world around them and to make manifest the worlds of their imagination.

*The Stephen King Companion* George Beahm, 2015-10-06 Shares information on the life of Stephen King, including his personal life, analysis of his professional works, and interviews with friends and colleagues.

**Dungeons, Dragons, and Digital Denizens** Gerald A. Voorhees, Joshua Call, Katie Whitlock, 2012-02-16 *Dungeons, Dragons, and Digital Denizens* is a collection of scholarly essays that seeks to represent the far-reaching scope and implications of digital role-playing games as both cultural and academic artifacts. As a genre, digital role playing games have undergone constant and radical revision, pushing not only multiple boundaries of game development, but also the playing strategies and experiences of players. Divided into three distinct sections, this premiere volume captures the distinctiveness of different game types, the forms of play they engender and their social and cultural implications. Contributors examine a range of games, from classics like *Final Fantasy* to blockbusters like *World of Warcraft* to obscure genre bending titles like *Lux Pain*. Working from a broad range of disciplines such as ecocriticism, rhetoric, performance, gender, and communication, these essays yield insights that enrich the field of game studies and further illuminate the cultural, psychological and

philosophical implications of a society that increasingly produces, plays and discourses about role playing games.

*Children's Reading of Film and Visual Literacy in the Primary Curriculum* Jeannie Hill Bulman, 2017-08-12 This book draws on a longitudinal study which highlights the beneficial impact of film in the primary curriculum. It provides detailed accounts of both the reading process as understood within the field of literacy education, and of film theory as it relates to issues such as narration, genre and audience. The book focuses on a small cohort of children to explore how progression in reading film develops throughout a child's time in Key Stage 2; it also examines how the skills and understanding required to read film can support the reading of print, and vice versa, in an 'asset model' approach. Since children's progression in reading film is found to be not necessarily age-related, but rather built on a period of experience and opportunity to read and/or create moving image media, Bulman clearly illustrates the importance of the inclusion of film in the primary curriculum. The book provides an accessible study to a large audience of primary teachers and practitioners, and will be a valuable resource for students and researchers in the fields of education, English and media studies.

*The Two Jerusalems* Matthew Wiseman, 2024-09-16 The moving story of a young man's amazing journey to discover the roots of the Christian faith in the Ancient Near East, which led him from Protestantism through the Messianic movement and into the Catholic Church. This journey took him to the rainforest of Papua New Guinea, the Nożyk Synagogue in Warsaw, and the Judean Desert and into the heart of ancient and medieval Jewish tradition: the Hebrew Bible. Along the way, he met a cast of odd and wonderful characters, false prophets, and saintly Catholics who taught him about God, Scripture, and prayer. His steps were dogged throughout by God's strange, providential provisions, despite his human blindness. At the heart of the ancient faith, much to his surprise, he discovered what a billion people across the world already know and live: the Catholic faith. Through it all, Matthew Wiseman's relentless desire for truth and consistency kept him searching until he discovered the beauty ever ancient, ever new. His powerful story is like a course in fundamental theology, in compelling narrative form.

*Research Anthology on Fandoms, Online Social Communities, and Pop Culture* Management Association, Information Resources, 2022-01-28 The internet has grown to become one of the largest communication hubs in history. With its ability to share content and create community bonds, it has seen many fandoms and online social communities develop within the past decades. While there are some detriments to these communities, there are also many benefits and potential uses for the betterment of society. The Research Anthology on Fandoms, Online Social Communities, and Pop Culture explores the ways in which the internet has presented itself as a platform for communities to gather. This essential reference source discusses the engagement of these communities, social media use, and the uses of these communities for education. Covering topics such as digital communities, transmedia language learning, and digital humanities, this book is a vital tool for educators of K-12 and higher education, digital folklorists, sociologists, communications researchers, online administrators, community leaders, and academicians.

**How to Design and Deliver Training for the New and Emerging Generations** Susan El-Shamy, 2004-05-07 This much-needed resource helps trainers cut through the jungles of their own generational learning habits and clear a path to the emerging generations of learners. How to Design and Deliver Training for the New and Emerging Generation gives “old-school” trainers the tools they need to change their training style<sup>3/4</sup>from linear to random access, trainer-centered to learner-centered, text-oriented to graphics-oriented, and so forth<sup>3/4</sup>and accomplish this transition with ease. Author Susan El-Shamy, an international training expert, shows you how to create training sessions that will pick up the pace, increase interaction, link to the learner, offer options, and make learning fun. How to Design and Deliver Training for the New and Emerging Generations is an innovative resource that · Translates generational differences into strategies, techniques, and tips for designing and delivering training · Describes five key needs of learners from the emerging generations · Shows how to design and deliver training that meets the needs of younger learners · Presents hundreds of engaging tips, tricks, and simple techniques · Contains quotes and comments from the “Nintendo” generation of learners · Presents user-friendly call-outs, checklists, and quick tips · Offers twenty innovative games on a variety of topics designed to engage learners of all ages  
#810 HCA New York Comic and Comic Art Ivy Press, 2004

**The Frodo Franchise** Kristin Thompson, 2007-08-27 In this study of Peter Jackson's film adaptation of J.R.R. Tolkien's The Lord of the Rings trilogy, Kristin Thompson demonstrates the impact the trilogy has had on the companies that made it, on the fantasy genre, on New Zealand, and on independent cinema, and looks at how the trilogy is regarded as one of the most important films ever made.

**Girls on the Edge** Leonard Sax, 2011-07-12 A parenting expert reveals the four biggest threats to girls' psychological growth and explains how parents can help their daughters develop a healthy sense of self. In Girls on the Edge, psychologist and physician Leonard Sax argues that many girls today have a brittle sense of self—they may look confident and strong on the outside, but they're fragile within. Sax offers the tools we need to help them become independent and confident women, and provides parents with practical tips on everything from helping their daughter limit her time on social media, to choosing a sport, to nurturing her spirit through female-centered activities. Compelling and inspiring, Girls on the Edge points the way to a new future for today's girls and young women.

**The Writer's Devotional** Amy Peters, 2012-03-06 Whether you're writing fiction or nonfiction, screenplays or poetry, or simply trying to keep a more compelling journal or blog, this invaluable volume, filled with 365 inspiring quotations and informative tutorials, will get your creative juices flowing. Each day of the week focuses on a different aspect of the writing life, from the business of writing, to the nuts and bolts of editing, to tips and tricks for getting past writer's block.

**3 Minute JRR Tolkien: A Visual Biography of The World's Most Reve**, 2013-01-28 As Peter Jackson's cinematic hobbits set forth, 3-Minute Tolkien celebrates the enduring influence of the world's most revered fantasy writer. It offers a

readable, absorbing structure, dividing J.R.R. Tolkien's life and cultural contribution into 60 neat portions, every one digestible in a mere three minutes: 20 mini-sections each on Life, Work and Influence. From a childhood inventing new languages in the sylvan landscape of the Severn valley, through a First World War that saw him witness the horrors of the Somme, to academic success founded on a passion for Old English tales, we trace Tolkien's life and look at the way in which it informs his creation of imaginary worlds so intricately mapped that modern readers, writers and artists continue to explore them in a quest for their myths, monsters and meaning.

*Where the Shadows Lie* Michael Ridpath, 2011-02-01 Amid Iceland's wild, volcanic landscape, rumors swirl of an 800-year-old manuscript inscribed with a long-lost saga about a ring of terrible power. A rediscovered saga alone would be worth a fortune, but, if the rumors can be believed, there is something much more valuable about this one. Something worth killing for. Something that will cost Professor Agnar Haraldsson his life. Untangling murder from myth is Iceland-born, Boston-raised homicide detective Magnus Jonson. Seconded to the Icelandic Police Force for his own protection after he runs afoul of a drug cartel back in Boston, Magnus also has his own reasons for returning to the country of his birth for the first time in nearly two decades—the unsolved murder of his father. And as Magnus is about to discover, the past casts a long shadow in Iceland. Binding Iceland's landscape and history, secrets, and superstitions in a strikingly original plot that will span several volumes, *Where the Shadows Lie* is the first in a thrilling new series from an established master.

iWrite Dana J. Wilber, 2010 The power of Dana Wilber's insight is in its simplicity. Students are texting, networking, and blogging--i.e. writing and reading--all the time, everywhere, just maybe in places we aren't necessarily paying attention to. Build on their authentic interest and motivation using the technologies they are already committed to and you've won half the battle. You won't believe how engaged they are; they won't believe they're learning for school. In *iWrite*, Dana shows you how to guide students through the complexity of new literacies, including: how to discern between media; how to account for audience and voice; how to choose appropriate genre; and how to harness what they already know to be more successful in school. Dana deftly elucidates the lives of Millennials, those students growing up around the turn of the 21st century, and the technologies embedded into their everyday reading and writing. She shows us how three accessible tools--wikis, blogs, and digital storytelling--can be used to scaffold learning for our students. And she demonstrates how they can help us address 10 key issues in the literacies of today's students: safety; authenticity; practice; relevance; meaning and identity; interest and inquiry; cognitive development; community; process; motivation. Let *iWrite* show you how to capture students' daily literacy practices and develop them for the kind of writing we want them to learn. --Publisher's description.

Decoding **Read The Fellowship Of The Ring Online**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Read The Fellowship Of The Ring Online**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

### **space propulsion global market report 2023 research and markets** - Apr 19 2023

web space propulsion global market report 2023 research and markets home automotive and transport commercial aerospace space systems satellites and launchers space propulsion system space propulsion global market report 2023 report 200 pages march 2023 region global the business research company id

*global space propulsion systems market overview market research* - Aug 11 2022

web the space propulsion systems market industry is projected to grow from usd 6 14607 billion in 2023 to usd 23 93349 billion by 2030 exhibiting a compound annual growth rate cagr of 25 43 during the forecast period 2023 2030 novel space propulsion vehicles are rapidly emerging and diversifying this is due to a track record of successful

**aviation is on a precipice airbus plots course to net zero for uk** - Jul 10 2022

web 2 days ago it is part of a wider research initiative to design more fuel efficient aircraft to help achieve the global aviation industry's highly ambitious aim to reach net zero emissions by 2050 aviation

**aerospace and defense propulsion system market size report** - Jun 21 2023

web aerospace and defense propulsion system industry analysis aerospace and defense propulsion system market was valued at usd 260.4 billion in 2022 and is estimated to register a cagr of over 6.5 between 2023 and 2032 the rising global defense spending significantly drives the growth of the market

**propulsion systems global strategic business report research and markets** - Jul 22 2023

web global propulsion systems market to reach 436.2 billion by 2030 the global market for propulsion systems estimated at us 288.8 billion in the year 2022 is projected to reach a revised size of us 436.2 billion by 2030 growing at a cagr of 5.3 over the analysis period 2022-2030

**space propulsion market marketsandmarkets** - May 08 2022

web the global space propulsion market in terms of revenue was estimated to be worth 10.6 billion in 2023 and is poised to reach 18.1 billion by 2028 growing at a cagr of 11.3

during the forecast period space propulsion market highlights this research report categorizes the space propulsion market based on propulsion type system

**ge aerospace researchers to build and demonstrate small** - Feb 17 2023

web oct 16 2023 ge aerospace research's ongoing programs in hybrid electric propulsion with arpa e are a great complement to the cfm international's revolutionary innovation for sustainable engines program a major technology demonstrator ge aerospace unveiled with its 50:50 joint venture partner safran in 2021 this demonstrator program aims to

**aircraft propulsion system market allied market research** - Mar 06 2022

web the aircraft propulsion system market is segmented into air breathing engine non air breathing engine application endusers and region on the basis of air breathing engine the market is divided into turbojet engines ramjets scramjets and ic engines

**next gen aircraft propulsion system market size straits research** - Jan 16 2023

web may 18 2023 by propulsion system the global next gen aircraft propulsion system market can be segmented into all electric propulsion hybrid electric propulsion turboelectric propulsion ramjet and scramjet hydrogen propulsion and solar propulsion all electric propulsion segment is expected to grow at the highest cagr of 18.5

**propulsion systems nasa** - Feb 05 2022

web oct 14 2023 along with our half century of propulsion system testing and analysis our iso 9001 certified processes provide rigorous but flexible testing ensuring quality data for our customer our site also houses on site propulsion related expertise in composite pressure systems oxygen systems and propellants and aerospace fluids for further

**propulsion school of aeronautics and astronautics**

**purdue** - Jun 09 2022

web propulsion involves the study of the basic operation and design of aerospace propulsion devices including both air breathing engines and rocket powerplants the gas dynamics of internal flows thermodynamics and combustion processes associated with those devices are discussed in detail engine components such as inlets pumps and or

*propulsion systems market new report by marketsandmarkets* - May 20 2023

web growth of the propulsion systems market is dependent on the increased number of deliveries of aircraft spacecraft missiles and unmanned aerial vehicles in various countries of the world the propulsion systems market is projected to grow from usd 244 68 billion in 2016 to usd 337 78 billion by 2021 at a cagr of 6 66 between 2016 and 2021

**propulsion system market report global forecast from 2023** - Nov 14 2022

web the global propulsion system market is expected to grow from usd xx billion in 2022 to usd xx billion by 2030 at a cagr of x x some of the key factors driving the growth of this market include the increasing demand for air breathing propulsion systems and non air breathing propulsion systems across different applications

space propulsion systems market size share analysis - Sep 12 2022

web the space propulsion systems market is segmented by type spacecraft and launch vehicle and geography north america europe asia pacific and the rest of the world the report offers market size and forecast for all the above segments in value usd billion download free sample now
