Bunny and Clyde Megan McDonald, 2024-03-05 From New York Times best-selling author Megan McDonald, creator of Judy Moody, and lauded illustrator Scott Nash comes a droll comedy for early readers about an endearingly inept pair of outlaws. Get ready for a wild ride with Bunny and Clyde! These by-the-rules buddies, a rabbit and a chipmunk, are sick and tired of being good. For once, they want to know what it's like to be baddies—rotten to the core! They want thrills and excitement! But to get really good at being bad, they're going to need some experience. What if the dastardly duo started returning library books late on purpose? Or borrowing markers without asking? Everyone knows it's a swift downhill slide from there—as long as there's an unprotected piggy bank in town! Unless, of course, their best attempts at mastering bad

deeds are strangely misconstrued . . . Author Megan McDonald brings her quick wit and ear for dialogue, matched by Scott Nash's deft animal characterizations, to a hilarious caper of criminal intentions gone awry.

Wow, wow, wow, wow, wow! Mr. Todd has Class 3T looking for the Five Ws in the newspaper, but all Judy can see is how much bad news there is. Climate change! Deadly virus! Sea turtles endangered by straws stuck in their noses! The good news is that Judy is taking all the bad news as a call to action. She gets out her notebook, clicks her six-year pen, transforms into a Kid Reporter, and goes out in search of happier stories. Rare bird sighting in Virginia Beach! Escaped bearded dragon found! Plastic straws banned at Virginia Dare School! There's even a scoop that Judy overhears while ordering a scoop at Screamin' Mimi's—about someone who found real buried treasure. Kids intrigued by the first edition of Judy's Sunny-Side-Up News—offering stories, a word search, a comic, a recipe, and more—may just be inspired to create their own second edition. After all, there's no telling how much good news is out there until you start looking . . . and acting!
