I'm Just Happy to Be Here Janelle Hanchett, 2018-05-01 A refreshingly raw, contrasting perspective on the foolproof idea of motherhood. -- POPSUGAR By turns painful and funny... A searingly candid memoir. -- Kirkus Far from your cookie-cutter story of addiction . . . [I'm Just Happy to Be Here] describes Hanchett's journey to recovery and sobriety in imperfect and unconventional ways. -- Bustle In this unflinching and wickedly funny memoir, Janelle Hanchett tells the story of finding her way home. And then, actually staying there. Drawing us into the wild, heartbreaking mind of the addict, Hanchett carries us from motherhood at 21 with a man she'd known three months to cubicles and whiskey-laden domesticity, from judging meth addicts in rehab to therapists who seem to pull diagnoses out of large, expensive hats. With warmth, wit, and searing B.S. detectors turned mostly toward herself, Hanchett invites us to laugh when we probably shouldn't and to rejoice at the unconventional redemption she finds in desperation and in a misfit mentor who forces her to see the truth of herself. A story of ego and forced humility, of fierce honesty and jagged love, of the kind of failure that forces us to re-create our lives, Hanchett writes with rare candor, scorching the sanctity of motherhood, and leaving beauty in the ashes.

Summary of Janelle Hanchett's I'm Just Happy to Be Here Everest Media, 2022-04-23T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was pregnant with my first child, and I smoked a cigarette on the balcony of our one-bedroom apartment. I had never been the type of person who wanted company in moments of vulnerability, so I was alone to deal with the situation. #2 I had unprotected sex with my boyfriend when I was eighteen, and I knew immediately that I would not have a baby. I felt relief, but also sadness. I did not feel guilty about that decision, though I suspected it made me a monster. #3 I remember a woman in my freshman comparative literature class who told me that getting an abortion is like getting your teeth cleaned. Her nonchalance convinced me that I would be fine, and that I was even perhaps not as foul as I had believed. #4 I was twenty-one and Mac was nineteen when we moved into our first apartment together. It was a small, plain apartment with yellowed linoleum floors and air conditioner box windows. It never felt like home, but we were kids in love, so we didn't care.

Just Happy To Be Here Introduction

In today's digital age, the availability of Just Happy To Be Here books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Just Happy To Be Here books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Just Happy To Be Here books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Just Happy To Be Here versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Just Happy To Be Here books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Just Happy To Be Here books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Just Happy To Be Here books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital

copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Just Happy To Be Here books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Just Happy To Be Here books and manuals for download and embark on your journey of knowledge?
