## **HE MUST INCREASE; I MUST DECREASE A Journey To Restoration, Identity And Purpose** Jeff

Cropper,2022-08-10 Upon calling His twelve disciples, Jesus declared just two words to each: "Follow me." He gave no explanation as to where or for what reason. Simply an invitation to go, by faith, on a journey with Him. An adventure that would change them forever. One that would restore relationship with their Father, establish true identity in Him, and reveal His purpose for their lives. Our Lord continues to extend that same offer to each and every one of those that have been given to Him by His Father. The words on these pages share such a journey and its life-altering revelations and impact. Come along and witness what Jesus has for each of us who will accept His invite and follow Him. Eleven of the twelve disciples did exactly that, and they were transformed into powerful ambassadors for and servants of the kingdom of God. We can be as well.

It's About Time Linda Hughes,2025-03-10 It's about Time implores us to take our time seriously. Does it seem like every year you live goes faster than the one before? Time is fleeting. We cannot bring back the time passed or look ahead to know the future, so the best thing to do is just learn how to enjoy the present moment and trust God with the rest. The truth is, time is always the same, and we all have the same twenty-four hours in each day, but it is what we do with it that counts. Time keeps going into the future, much like water spilling over a waterfall. Every drop of water that flows over the falls will never pass back that way again. We can spend our time, but we will never get a refund. God loves you and wants you to enjoy your life every day, regardless of your circumstances. This book will guide you to some invaluable truths about how to overcome obstacles in life with God's help and His Word to guide you. We are all leaving a legacy of some kind, whether we realize it or not. Would you like to be more intentional at leaving the kind of legacy that impacts your family and friends in a positive, loving way? There are secrets to life in the Word of God that will make a difference when you know and operate in them. Let the truths in this book show you how the Word of God brings you breakthroughs and success in life and relationships. God has created you for victory over your circumstances. God has created you for a time such as this. It's about time to discern how our time spent in our everyday lives is shaping the legacy that we leave.

**Saturated with God** Malcolm Macdonald,2023-06-15 Do you feel weary, tired, dry? Do you feel in need of spiritual refreshment? It's time for us to become a people saturated by God. Many of us believe revival is possible, but sometimes it feels so far away - we hear of astonishing accounts from across the world or read about remarkable stories in the pages of

our history books. This is a book for those thirsting to see revival bubble up in our post-pandemic time and place today. Exploring the profound images of water in scripture, from baptism to an 'outpouring' of the Holy Spirit, *Saturated With God* paints a compelling vision of what the Church can be today - shining with the love and power of God - and stirs up the call on every Christian to more closely follow Jesus today.

*An Intercultural Worship Handbook* Ian Collinge, 2025-04-29 Many church leaders are aware of cultural diversity in their congregations and on their doorsteps but recognize cultural imbalances in their worship practices. How, then, can we move from welcoming worshippers to join us in 'how we do worship here', to become a culturally diverse fellowship of equals, where all express their voice and play their part? This book aims to fill the gap between aspiration and actuality. It is a practical handbook rooted in decades of experience. It provides solid foundations from the Bible, theology and cross-cultural mission as well as tested principles from ethnodoxology. It gives advice from practitioners, examples from a host of contexts and a suite of tools for church leaders to use at different times, to guide their congregations to become intercultural in their worship not just multicultural in their numbers.
