

Annunaki Genesis The Truth Was Written In Stone

Delena Spinelli

Annunaki Genesis Andy Jardine, 2016-03-17 If you've ever spotted the flaws in the story of Adam and Eve, or been unconvinced by the concept of The Big Bang or Darwin's Theory of Evolution, Annunaki Genesis is the perfect book for you. Taking a no holds barred approach to many taboo subjects which have been instilled into us since time began, the author sheds a fascinating light on evidence that has long been hidden in a veil of secrecy. In this authentic, credible and intelligent book, the author proves that the Great Pyramids were not, in fact, built by the Egyptians; their antiquity is far older than we have been led to believe. He also proves that our true ancestors are the Annunaki (as depicted by the ancient Sumerians) and explains the scientific data which corroborates this theory. And he also explores the 'true' Apollo programme - which, he claims, is 'the greatest story never told'. Join him on this incredible and ancient journey where he shows that we are the new kids on the block in a universe teeming with intelligent life. Delve into his lesser-known stories about Einstein, Wallace, Darwin, Hitler, Rutledge and Aldrin. Listen to his notion that the moon landing images were fake (and NASA's attempts to hide the truth). But most of all, get ready to open your mind and question everything you thought you knew.

[illegible]

Annunaki Genesis Andy Jardine, 2016-02-09 "There are no extra-terrestrial beings" said the space-faring human. The latter quote reeks with irony and the arrogance of humankind to assume we are the pinnacle of creation when in fact the evidence shows that we are the new kids on the block in a universe teeming with intelligent life. In my book I take a no holds barred approach to many a taboo subjects and point you toward the evidence that has been right in front of our eyes but also hidden in a veil of secrecy and deceit by the powers that be. I will prove that the great pyramid was not built by the Egyptians and its antiquity is far older than we have been led to believe, I will also demonstrate that the Annunaki as depicted by the ancient Sumerians are our true progenitors corroborated by scientific data. And lastly we will look into the true Apollo programme which has been the greatest story never told.

The Stone Rejected Delena Spinelli,2006-11-22 This divinely inspired body of work has been fifteen years in the making...covering three continents and six countries. The revelations contained in The Stone Rejected are God-breathed and purposely prepared for this hour in time. It is the fulfillment of God's word spoken in the book of Habakkuk, which commands, Write the vision and make it plain upon tablets, that he may run that read it. For the vision is yet for an appointed time but at the end it shall speak and not lie. Today mankind is thirsty for truth and it is because truth is always logical and its foundation is based on pure fact. When applied, it conforms not only to fact but reason. A lie must change or metamorphose to hold its power over one's mind. This is what has happened to the original word of God. It has been changed so many times that it has almost become unrecognizable. Therefore, the sword of truth has been commanded to rise and cut into pieces the body of deception, which stands behind the mask of religion.

Beyond Genesis Allen Epling,2006-01 Are we genetically linked to a REAL person named Adam? SUMMARY: Allen Epling, author of Beyond Genesis: The Untold Story of Man's Origins, offers an alternative explanation for the origin of man that is unique and different from the usual Creationism versus Evolution debate. This book is not just a book of explanations of single events based on science, but the COMPLETE, credible, story of man from the beginning. Unlike other books on the subject of Genesis that attempt to explain individual events with science, this book pulls the whole story together into a narrative that flows seamlessly from the creation through the flood, and beyond, while maintaining scientific credibility. By proving that we have a GENETIC signature that goes back to biblical times, it reveals a PLAN of God not seen before, through new insights which uncover what really happened in Genesis, a story that has previously gone unnoticed, and untold. The author presents timely new explanations for the myths of Genesis, based on recent scientific evidence. The theme throughout is that the book of Genesis is accurate historically, and that modern man is the result of a combination of BOTH the evolutionary processes, AND a unique, separate line of man, the one referred to in Genesis that descended from Adam. The book also reveals the ultimate plan for man and that it is not finished!! This book was written because of a belief that the book of Genesis has a historical basis and is significant in the history of man. However, the author doesn't fall into the trap of others who go against common beliefs of the scientific community, of completely repudiating data that is reliable and accepted, almost universally, by all scientists. The basic assumption in this work is that both the scientific community and the religious fundamentalists have misinterpreted the data, and the answer lies somewhere in between. The author attempts to show in this book that the stories of Genesis are based on truth and are believable if we make only a few adjustments to the translation and interpretation of the original Hebrew Bible. Anthropologists and historians universally agree that something extraordinary did happen between 2500 BC and 2000 BC that lifted man out of the Stone Age into civilization. Our systems of government, our written language, our way of building cities are all a result of that one giant leap from ignorance to enlightenment. Was that technology explosion so

Truth in Genesis Jeremy W. Wheless, 2017-04-13 The idea of 'evolution and millions of years' is a lie straight out of the pits of hell. It is this lie that leads many people astray and blinds them to where they will not accept the gospel of Jesus Christ. This book gives support for the Biblical Worldview of Creation and also exposes many of the lies that prop up the idea of 'evolution and millions of years.' Some of the topics covered are: The Age of the Earth - Is the earth billions of years old, or is it only about 6,000 years old like the Bible suggests? This book shows biblically and scientifically that the earth cannot be millions or billions of years old. The Pre-Flood World - The Bible says that, before the flood, people lived to be over 900 years old. How was this possible? The world before the flood of Noah's day was very different than what we see today. This book explores what the pre-flood world may have been like. Dinosaurs and the Bible - One of the lies of evolution is that dinosaurs lived millions of years ago. If the earth is only about 6,000 years old, this cannot be true. This book shows evidence that dinosaurs lived with man in the relative recent past: not millions of years ago! Ancient Knowledge - Was ancient man a stupid caveman dragging his knuckles in the dirt? Or, was ancient man very smart? This book shows evidence that suggests ancient man was indeed very intelligent. Perhaps, more intelligent than we are today. Satan's Lies Exposed - We will expose many of the lies that are used to prop up the idea of 'evolution and millions of years.' And more! It is the author's hope that this book will strengthen the faith of believers, and also help win the lost to Jesus Christ by showing them the truth on this important topic.
